Rules and Regulations

1. The contest is open to all Canadian residents, having attained the age of majority according to the law of the province in which they reside, except representatives, employees and agents of NCA, and wholly and partially owned subsidiaries of NCA, the judges and persons with whom any of the aforementioned are domiciled.
2. The contest commences at 8:00am EST on May 1, 2015 and closes at 11:59pm EST on June 30, 2015. Draw to be held on or before July 31, 2015.
3. To enter contest, simply complete the Entry Ballot - photocopies acceptable. No purchase necessary. All entries must include your name, company, address, telephone number and e-mail address. Limit one entry for the entire contest period per person per household. Limit one prize per household. Ballot to be dropped in ballot box at your nearest NCA Branch Office or Mailed to Promotions Department at 172 Bethridge Rd., Toronto, ON M9W 1N3. Facsimile entries not accepted.
4. There is (1) grand prize to be won; (3) first place prizes and the first 100 entries at each NCA branch will receive a Free Tube of Fast Set Adhesive and a Fast Set Collapsible Water Bottle. All prizes will be available at the closest NCA Branch Office to the winner and awarded after answering a skill-testing question.
5. Prize winner waives all recourse against Contest Sponsors if services offered do not prove to be entirely satisfactory. Prize is subject to change dependent on availability.
6. Contest Sponsors reserve the right at their sole discretion to substitute a prize of equal or greater value if the grand prize as described cannot be awarded for any reason.
7. The Contest Sponsors will attempt to contact the potential winner by telephone within fourteen (14) business days after the draw. Proof of identification must be provided upon request. In order to be declared a winner, the potential winner must first correctly answer, unaided, a time-limited mathematical skill-testing question. Before being awarded the prize, the potential winner will be required to sign a declaration and release form stating that he/she has read, understood and complied with these official contest rules.
8. The contest is subject to all applicable federal, provincial and local laws and regulations.
9. Your chances of winning will depend on the number of entries NCA receives during the contest.
10. NCA's privacy policy is available on our website at www.nca.ca.

PolyMeta Forms

FLEXIBLE FORMS

Poly Meta Forms® are a light weight and green alternative to traditional wood forming. Weighing 50% less than wood and having uniform heights makes poly forms the simple choice when forming sidewalks, slabs or driveways.

W. R. MEADOWS®

SEALTIGHT

EVAPRE

- Significantly reduces plastic shrinkage and cracking caused by evaporation in low humidity, high temperatures, and high winds.
- Allows use of lower slump and lower water: cement ratio concrete.
- Provides smooth and durable concrete flatwork.
- Reduces wind crusting, stickiness, and sponginess, which often cause poor and uneven surface texture.
- Allows finishing crews to adhere to established schedules.
- Reduces overall cost because timing of finishing operations is less critical. VOC-compliant.
- Helps minimize surface cracking due to early water loss of silica fume concrete.
- Available in exclusive, easy-to-use, 45-ounce containers.

BOSCH

Buy any SDS MAX Rotary hammer and receive a free point and chisel (HS1912 & HS1914).
