General Office and School Products

2021 CATALOG

For over 73 years, the Claridge name has been synonymous with quality, service and innovation.

Our products can be found in gleaming new offices, prestigious colleges and universities, respected hospitals and schools across the country. Claridge offers a complete set of solutions for the new world of work – no matter what type of work you do.

From the workplace to the classroom, the emphasis today is on performance, productivity, and a pleasing environment. Claridge visual display products and accessories offer unmatched performance and high style. A state-of-the-art production facility enables our skilled team to control quality at every step in the process. In addition to offering a broad selection of standard colors, surfaces and finishes, we can custom-craft most products to perfectly suit any space or task. Let our friendly and knowledgeable customer service staff help you create exactly what you need.

Contemporary business operates at a lightning pace, so we maintain a wide variety of standard product lines in stock for fast shipping and delivery. For custom product orders, Claridge Priority Response and On-Time Shipping provide a firm ship date.

We also conduct a number of “green” initiatives—from in-house recycling programs to using renewable resources and alternative materials—to reduce our environmental footprint and minimize exposure to harmful substances. We listen and react to our customers’ needs and concerns.

At Claridge, we work to earn your trust and satisfaction from start to finish. That’s the way we do business — today and always.

*Free freight orders will be shipped at Claridge Products’ discretion. Weights in the catalog are estimates only and can vary with method of packing.

table of contents

The Claridge Catalog is organized by product line. Detailed outlines of product specifications, ADDs, and additional options are designed to help you select the ideal product to suit your needs. Main product options (colors, surfaces, trims and finishes) are highlighted on pages 4 and 5 for markerboard and tackboard products.

ordering details

Wide Selection, Quick Ship

With so many product solutions to choose from, Claridge helps keep businesses functioning without missing a beat. We maintain an extensive stocking program of our standard product lines. Carrying a wide selection of products on-hand in our distribution centers means customers can receive standard Claridge products just days after placing an order.

Customized Product Solutions

Draw up a design, talk with our helpful staff, and we'll build your vision. Claridge specializes in creating products to suit any situation and environment. From custom match wood finishes, colors, and fabric surfaces to markerboards and cabinets built to fit a unique space, we offer made-to-order solutions for any business need.

Claridge Priority Response

At Claridge, we believe that custom orders merit custom service – including fast shipment. With Claridge Priority Response (CPR) we guarantee your order for custom products will be shipped in three weeks, two weeks, or even one week, based on the level of CPR service selected. In the unlikely event that a delay occurs, we pay you a 10% penalty for every day of delayed shipment. Why wait to put your custom Claridge solutions to work? With CPR, you don't have to!

On-time Shipping

Claridge's On-Time Shipping helps customers plan and manage schedules more effectively – and meet expectations for timely shipment of quality products. For standard or made-to-order products, a projected shipping date is normally provided within 72 hours of receipt of order. Flexibility built into custom manufacturing systems, coupled with an ability to coordinate and manage process flow, results in consistent on-time shipments that customers can rely on.

Total Fulfillment Solution

For over 70 years Claridge has been the leader in quality, craftsmanship and customer service. Our Total Fulfillment Solution provides three ways to better serve our customers: 1) fast, reliable shipments—Claridge's Quick Ship program is supported by two manufacturing facilities plus five distribution centers strategically located across the country to ensure stocked items are shipped within 24 to 72 hours. 2) On-Time Shipping—Orders for custom and made-to-order products are normally acknowledged in 72 hours. 3) CPR – When time is of the essence, you choose whether your order ships in one week, two weeks or three, just let us know. Claridge is your #1 source for Visual Display Products!

Environmental Practices

Claridge is committed to protecting and preserving our natural environment through a variety of ongoing programs. Claridge markerboards have achieved both GREENGUARD Certification and GREENGUARD Gold Certification. GREENGUARD Certification helps fulfill the goal of creating and maintaining healthy, high-performing buildings, schools and residences. Claridge Cork is made from the bark of cork oak trees without damaging the tree itself—making it both rapidly renewable and recyclable. Claridge carton and crating materials are composed of post-industrial and recycled materials. Tons of material are eliminated from the landfill waste stream through Claridge in-house recycling programs.

Ordering Tips

Orders may be faxed or e-mailed to the Claridge location nearest you (see back cover for a listing of Claridge sales offices), or e-mailed to orders@claridgeproducts.com for proper routing. Specify type of material and color, trim finish, and size on all orders. Also include contact and billing information – name, telephone number and e-mail address, along with billing and shipping addresses, and purchase order. Specify if expedited shipping (CPR) is required.

Shop Drawings

Shop drawings may be required for custom lined and lettered markerboards, vertical sliding units, and other special, custom designed products. Shop drawings will be furnished at a charge of \$35 NET per hour, with a minimum one hour charge.

Ground Shipments

Most items up to and including 36" x 48" and not over 100 lbs. can be shipped by UPS. (Note: Dimensional weight, rather than actual weight, and oversize charges may apply.) Catalog indicates freight classification for LTL shipments and items that will be shipped by UPS.

SLIDING UNITS

Custom built Horizontal Sliding Units – offer ideal visual communication solutions when large visual display surfaces are required but space is limited. Sliding units provide optimum display surfaces within easy reach of the instructor/moderator for teaching, conferences, and training. Constructed with panels that slide from side to side or top to bottom, doubling, tripling, or even quadrupling available space. Select from a variety of display surfaces for sliding panels and back panels.

terms and conditions

DISCLAIMER – The Terms & Conditions below expressly set forth Claridge Products and Equipment, Inc.'s position and are not intended to be a full, comprehensive, and complete detail of each subject. Claridge reserves the right to alter, change, modify, expand, or discontinue any of the policies set forth below. Claridge further reserves the right to alter, change, modify, or discontinue its programs, policies, or relationship with any customer who violates Claridge's stated Terms & Conditions.

SPECIFICATION CHANGES

Claridge reserves the right to institute changes to material, parts, or design as well as to discontinue models, options, and/or parts without any prior notice. Price subject to change without notice.

ORDERS

All orders must be submitted in writing by US Mail, Fax, or E-mail. It is the Buyer's sole responsibility to check orders and their corresponding acknowledgments for accuracy. Minimum order of \$25.

ACKNOWLEDGMENTS & LEAD TIMES

Upon credit approval, orders will be manufactured and invoiced based upon the information on the acknowledgment. It is the Buyer's responsibility to notify Claridge of any acknowledgment discrepancies. Actual shipment dates may differ from acknowledged dates due to lack of credit approval. If an order is subject to a credit hold, it will be scheduled for shipment only after it is released from credit hold.

CPR (CLARIDGE PRIORITY RESPONSE)

Claridge offers three levels of CPR: (1) CPR Urgent – a guarantee that the order will ship within one week once Buyer agrees to CPR terms; (2) CPR Express – a guarantee that the order will ship within two weeks once CPR terms are accepted; and (3) CPR Standard – a guarantee that the order will ship within three weeks once terms are accepted. If Buyer's order is shipped late, Claridge pays a 10% penalty for every day the order ships late – up to the total cost of the material.

CHANGE ORDERS

Claridge reserves the right to apply additional charges to the invoice for orders revised after manufacturing has begun. All changes must be in writing.

TERMS

For credit approved customers, all merchandise will be invoiced when shipped, with standard terms of net 30 Days. The Buyer agrees that Claridge shall have the right to assess interest charges of 1.5% per month on invoices not paid and received by Claridge within terms. The Buyer further agrees that Claridge has the right to change terms, suspend shipments, or refuse orders from any delinquent account.

SECURITY

The Buyer agrees that Claridge maintains a security interest in all merchandise sold by it to the Buyer until all monies have been paid to Claridge for said merchandise.

CANCELLATION

All orders are considered firm and cannot be cancelled except by consent from Claridge. Claridge reserves the right to assess a Cancellation Fee of no more than 25%, or as negotiated, for any order cancelled by the Buyer.

FREIGHT POLICY

Every effort will be made to ship in accordance with customer requested freight carriers. Claridge is not responsible for damage in shipment when product is shipped on a third party or collect basis. In the event of visible freight damage, note damage on the freight bill and notify the carrier at once for inspection. Note that carriers require reports of damage within 5 days. Failure to report visible damage or loss is the consignee's responsibility. Concealed damage identified after 5 days from receipt is the sole responsibility of the consignee.

SHIP DATES & DELAYS

If Claridge cannot ship products as scheduled due to causes beyond their reasonable control (force majeure), the ship date will be extended to compensate for the delay as determined by Claridge.

REDELIVERY OF FREIGHT

Two weeks notice is required when redelivery of merchandise will be required, or the actual cost for freight, restocking and rehandling, and storage, if applicable, will be billed to the customer.

RETURNS

Many Claridge products are made-to-order and may not be returned. Claridge reserves the right to refuse return of custom-made or specialty merchandise. All approved returns must be prepaid by the Buyer and are subject to a restocking charge of no greater than 25%. Merchandise must be returned unused, and properly packaged in original shipping carton.

WARRANTY

Claridge porcelain enamel steel markerboard and chalkboard writing surfaces are guaranteed for the Life of the Building. Other product in Catalog carries a one year guarantee against defects in materials and workmanship.

CUSTOM PRODUCTS

Modifications to standard products are available. Contact the factory – or the Claridge location nearest you for quotations.

MATERIAL DISCLAIMER

Slight color variations may occur on surface materials. Claridge cannot be held responsible for reasonable variances.

C.O.M. & SPECIAL FABRICS DISCLAIMER

Claridge cannot be held responsible for special fabrics that, in our opinion, would create unsatisfactory results for the intended application using normal manufacturing methods. Sampling may be required. All inquiries and correspondence should be directed to: Claridge Products and Equipment, Inc.
