18th (American) Airborne Corps:

Headquarters (-)²⁰: (Veteran/10) (Turn 4, Area A)

1 command stand (LTC Matthew Ridgeway)

1 jeep

4 U.S. Truck Companies²¹ (@325 tons a day for 82nd & 101st)

666th Quartermaster Truck Company (82nd)

397th Quartermaster Truck Company (101st)

82nd Airborne Division²²: (Veteran/10)

Headquarters:

1 command stand (BG James Gavin)

1 jeep [glider]

Headquarters Company: [glider]

1 staff radio jeep with trailer

82nd Reconnaissance Platoon: [glider]

2 recon jeep with HMG

504th Parachute Infantry Regiment:

Headquarters:

1 command stand (LTC Reuben Tucker)

1 jeep [glider]

Headquarters Company:

1 staff stand (*integral bazooka*)

1 ammo porter stand [glider]

1st/504th Parachute Infantry Battalion:

Headquarters:

1 command stand (*integral bazooka*) (Major William Harrison)

Headquarters Company:

1 81mm mortar stand (ds) (*integral bazooka*)

2 LMG stands (*integral bazooka*)

3 Rifle Companies (A, B & C), each with:

1 command stand (*integral bazooka*)

2 paratrooper stands (*integral bazooka*)

²⁰ Was to be deployed when 52nd Airlanding Division was activated. 1st Airborne and 52nd Airlanding were to be under British 1st Airborne Corps and the American 18th Airborne Corps headquarters would take command of the 82nd and 101st. Instead only Ridgeway seems to have come to Browning's headquarters, but he did not take operational control of any units.

²¹ Armed with supplies for 82nd and 101st. Were supposed to arrive on September 19, arrived September 20.

²² each infantry squad had a BAR in addition to other weapons; add +1 to hit numbers
