**365** Days of Safe,  
Compliant  
Dental Unit Water

### Multi-award Winning Waterline Treatment

The DentaPure® cartridge is making microbiological dental unit water purification safe, easy & economical!

DentaPure cartridges give you an entire year of safe, compliant water with one simple installation.

Save money and effort while keeping your patients protected!

Visit [www.DentaPure.com](http://www.DentaPure.com) to see the simple installation!

Dental Unit waterlines are virtual breeding grounds for bacteria - research shows that in just five days, biofilm buildup can send microbial counts soaring - reaching 200,000 CFU/mL<sup>1</sup>.
