METRICS

Please Note: The following terms, as used in the order or the Agreement and whether or not capitalized, shall have the same meaning as the applicable defined term: “Agreement” and “Master Agreement”; “Customer”, “Client”, “Company” and “You”; “Program Documentation” and “Documentation”; “Ordering Document”, “order”, “Order” and “Estimate/Order Form”; “Term” and “Services Period”; “Your Data”, “Company Data” and “Your Content”.

GLOSSARY

Terms not defined shall have the same meaning as in the Subscription Services Agreement.

“ACS Onboarding” means a series of activities and exercises designed to help new customers improve their understanding of specific Oracle NetSuite Cloud Services. ACS Onboarding includes but is not limited to: step-by-step exercises, customer-driven walkthroughs, and additional structured check-ins by the ACS team.

“ACS Review” means an assessment of Customer’s business needs, current configuration, current third-party solutions being used, current integrations, current customizations, transaction volumes and outstanding needs to identify where ACS Support Services can best be used to meet Customer needs.

“ACS Review Period” means, depending upon the ACS Support Services purchased, the first (1) month of ACS Advise or ACS Monitor, or the first three (3) months of ACS Optimize or ACS Architect. The ACS Review Period is not available during the first twelve (12) months of Your Oracle NetSuite Cloud Service.

“Advanced Customer Support” or “ACS” means a subscription offering that provides customers with hands-on product guidance, configuration, support, and ongoing optimization for NetSuite Cloud Service customers.

“Advanced Partner Support” or “APS” means a subscription offering made available to NetSuite partners that provides NetSuite partners with functional and technical assistance to assist Partners in providing support to end customers.

“Extended Hours” means hours in excess of the hours provided as part of the applicable service descriptions.

“Search Engine Optimization” or “SEO” means the process of improving the quality and quantity of website traffic to a website or a web page from search engines.

“User Acceptance Testing” or “UAT” means testing conducted by the end User to determine if the requirements of a specification are met.

ACRONYM KEY

“API” means Application Program Interface

“CSV” means Comma Separated Value file

“FTP” means File Transfer Protocol

“IP” means Internet Protocol

“KPI” means Key Performance Indicator(s)

SERVICE DESCRIPTIONS – DIRECT CUSTOMER SUPPORT SERVICES

NetSuite ACS Advise

Note to Customers: You hereby acknowledge that Section A.2.i below is no longer applicable to ACS Support Services orders placed by You on or after September 27, 2021

A. Description of Support Services.

1. **ACS Support Services.** During the Term of Your order, Oracle will provide You with the number of Support Service hours per quarter (with each quarter consisting of 3 months) specified in Your order, which hours may be applied towards the following ACS Advise Support Services related to Your Oracle NetSuite Cloud Service:
 - a. Remediate issues You have encountered with any of the following:
 1. Oracle NetSuite SuiteCloud workflows, scripts and integrations.
 2. Oracle NetSuite Ecommerce websites and Point of Sale.
 - b. Provide guidance on development activities.
 - c. Provide guidance on application usage and configuration.
 - d. Provide assistance with release management support consisting of providing awareness of upcoming releases with possible impacts to Your Oracle NetSuite Cloud Service instance.
 - e. Provide performance and scalability guidance and execution consisting of assistance with any of the following:
 1. Quarterly reporting of KPI's.
 2. Recommend changes in areas of performance or scalability.
 - f. Provide optimization and sustainment guidance and execution consisting of assistance with any of the following:
 1. Making changes to Your business process flows.
 2. Making requested integration(s).
 3. Data importing activities.
 - g. Provide website maintenance consisting of assistance with any of the following:
 1. Creating new ecommerce functionality.
 2. Performing website instance updates.
 3. Provide web store scripting.
 4. Provide landing or other new pages, templates, or layouts.
 5. Provide performance-related assistance.
 6. Provide SEO reviews.
 7. Provide KPI reviews.
 8. Provide design reviews.
 - h. Provide Bronto Marketing Platform assistance with any of the following:
 1. Strategic engagement and deliverability recommendations.
 2. Bronto account and integration settings.
 3. Create email messages, content tag templates, webforms and pop-ups.
 4. Digital creative assets for Your marketing campaigns.
 5. Test email messages for proper content rendering across the latest supported email client versions.
 6. Schedule delivery of email messages per Your direction.
 7. Email performance reports and strategic initiative documents.

- i. Subject to Your purchase of one or more of the Oracle NetSuite Cloud Services listed below, provide up to eighteen (18) hours of ACS Onboarding, which will be provided above and beyond the ACS Advise Support Service hours:
 - 1. ACS Onboarding hours must be consumed by You within six (6) months of the purchase of the following Oracle NetSuite Cloud Services, but in no event beyond the Term of Your order:
 - a. Oracle NetSuite SuiteSuccess Starter Editions:
 - i. Starter Cloud Service
 - ii. Starter Products Cloud Service
 - iii. Starter Services Cloud Service
 - iv. Social Impact Starter Cloud Service
 - 2. ACS Onboarding hours must be consumed within twelve (12) months of the purchase of the following Oracle NetSuite Cloud Services, but in no event beyond the Term of Your order:
 - a. Oracle NetSuite Planning and Budgeting.
 - b. Oracle NetSuite SuiteSuccess for Commerce
 - j. Oracle will provide overall coordination and management of, and execution by, Oracle's resources related to requests received from You for any ACS Advise Support Services set out above; provided however, if any individual request from You for any ACS Advise Support Services set out above exceeds an estimated duration of fifteen (15) Service hours, as determined in Oracle's sole discretion, such individual request shall not be considered eligible for delivery by Oracle under Your order.

B. Your Obligations and Project Assumptions. You acknowledge that Your timely provision of and access to assistance, cooperation, complete and accurate information and data from Your officers, agents, and employees (collectively, "cooperation") are essential to the performance of any ACS Advise Support Services as set forth in Your order. Oracle is not responsible for any deficiency in performing ACS Advise Support Services if such deficiency results from Your failure to provide full cooperation.

You acknowledge that Oracle's ability to perform the ACS Advise Support Services depends upon Your fulfillment of the following obligations and the following project assumptions:

1. Your Obligations

- a. Obtain Oracle NetSuite Cloud Services prior to the commencement of ACS Advise Support Services under Your orders, and maintain such orders for Oracle NetSuite Cloud Services for the duration of the ACS Advise Support Services provided under Your applicable order for the ACS Support Services.
- b. Provide Oracle with full access to relevant functional, technical, and business resources with adequate skills and knowledge to support the performance of ACS Advise Support Services.
- c. Provide any notices, and obtain any consents, required for Oracle to perform ACS Advise Support Services.
- d. Limit Oracle's access to any production environments or shared development environments to the extent necessary for Oracle to perform ACS Advise Support Services.

- e. As required by U.S. Department of Labor regulations (20 CFR 655.734), You will allow Oracle to post a Notice regarding Oracle H-1B employee(s) at the work site prior to the employee's arrival on site.
- f. Be responsible for any sandbox and/or development instances required by Oracle.
- g. Be responsible for UAT.
- h. Be responsible for Your organizational change enablement and communication activities.
- i. Do not film or record Oracle's delivery of ACS Support Services, Oracle resources, or any Oracle materials.
- j. Use commercially reasonable efforts to attend all scheduled meetings. The repeated cancellation of meetings may result in delay(s) and inefficient use of the maximum number of Service hours per quarter allowed for the performance of ACS Advise Support Services.
- k. Provide Oracle with dedicated user access to Your systems necessary for the performance of ACS Advise Support Services.
- l. Comply with the terms of access and use of required third-party services, including without limitation payment of any fees associated with Your use of such third-party services.
- m. Procure, if required, a Google Analytics account and provide Oracle with authorized access to Your Google Analytics account to facilitate the collection of website data, and enable Oracle to access Your Google Analytics account, if required, via the use of a third-party API agreed to by Oracle.
- n. Provide all images (to include product items, shipping items, information items and categories), materials or other content that Oracle will integrate into Your website as part of the ACS Advise Support Services described above and obtain all proper licenses for any such images, materials and content.

2. Project Assumptions

- a. Oracle will solely determine if any ACS Advise Support Services involving configuration, development and/or testing should be conducted in a sandbox/development environment prior to being applied to a production instance.
- b. Oracle reserves the right to object to and decline a service request, if Oracle believes, in its sole determination, that completion of such service request may result in potentially unfavorable outcome(s) to Your system, or if the service request is outside of the scope of ACS Advise Support Services.
- c. All ACS Advise Support Services will be performed remotely.
- d. All ACS Advise Support Services communication are in English.
- e. Oracle NetSuite consultants will not be required to work outside of the standard local country workday hours.
- f. You do not require Oracle Bronto consultants to work outside Oracle's standard workday hours defined as 9:00 AM to 5:00 PM Eastern Standard Time.
- g. Remediation services identified in section A.2.a (under, "ACS Advise Support Services") are available 24 hours per day, 7 days a week, 365 days a year.
- h. The ACS Advise Support Services described above will be limited to supported browsers. Oracle's updated published list of supported browsers can be found on SuiteAnswers within Your Oracle NetSuite instance by searching for "supported browsers" in the search tool and clicking on the resulting document.

Notwithstanding the foregoing, Oracle may in its sole discretion de-support or refuse to perform ACS Advise Support Services on any supported web browsers or mobile device operating system that it believes to be vulnerable or otherwise lacks adequate security and will inform You as early as possible of such decision.

- i. Oracle will utilize responsive design techniques for mobile websites. Responsive design will apply only to the currently popular commercial tablets (iOS and Android) that utilize standard screen ratios.
- j. Your primary form of communication with Oracle outside of meetings described as a part of the ACS Advise Support Services described in section A (Description of Support Services) above will be by email and the Oracle NetSuite case management tool.
- k. If the last quarter of the Term of Your order is less than three (3) months, then the quarterly Service hours for the last quarter will be pro-rated by Oracle.

C. Unused Support Services. The maximum number of allowable Service hours per quarter (including any Extended Services Hours purchased for such quarter) identified in Your order must be used by You in that quarter. Any portion of the ACS Advise Support Services unused in such quarter will be automatically forfeited by You with no further action required of either party. You will not be entitled to a refund, or any credit toward additional or other services.

D. Extended Hours. During the Term of Your order, the parties may mutually agree in writing to increase the quantity of Service hours per quarter indicated in Your order for any given quarter. Oracle will invoice You for any such Extended Hours at the Extended Hourly Rate set out in Your order.

E. Primary Point of Contact. You agree to designate only one (1) primary contact and one (1) secondary contact who will work with Oracle to help facilitate the efficient delivery of ACS Advise Support Services to You. Additional designated contacts authorized by You may contact Oracle, and You agree that Oracle's communication and interactions with any such contacts will be applied towards your Service hours.

NetSuite ACS Monitor

Note to Customers: You hereby acknowledge that Section A.2.i below is no longer applicable to ACS Monitor Support Services orders placed by You on or after September 27, 2021.

A. Description of ACS Monitor Support Services

1. **ACS Review.** In addition to the ACS Monitor Support Service described in Section A.2 below Oracle will also perform an initial ACS Review (as defined above) of Your Oracle NetSuite instance within the ACS Review Period, and annually thereafter during the Term of Your order. Each ACS Review will not exceed sixteen (16) hours during the ACS Review Period, however, Oracle will determine in its sole discretion the number of hours necessary to perform each ACS Review.
2. **ACS Monitor Support Services.** During the Term of Your order, Oracle will provide You with up to the quantity of ACS Support Service hours per quarter (with each quarter consisting of 3 months) specified in Your order for any of the following ACS Monitor Support Services related to Your Oracle NetSuite Cloud Services:
 - a. Remediate issues You have encountered with any of the following:
 1. Oracle NetSuite SuiteCloud workflows, scripts and integrations.
 2. Oracle NetSuite Ecommerce websites and Point of Sale.
 - b. Provide guidance on development activities.
 - c. Provide guidance on application usage and configuration.
 - d. Provide assistance with release management support consisting of providing awareness of upcoming releases with possible impacts to Your Oracle NetSuite instance.
 - e. Provide performance and scalability guidance and execution consisting of assistance with any of the following:
 1. Quarterly reporting of KPI's.
 2. Recommend changes in areas of performance or scalability.
 - f. Provide optimization and sustainment guidance and execution consisting of assistance with any of the following:
 1. Making changes to Your business process flows.
 2. Making requested integration(s).
 3. Data importing activities.
 - g. Provide website maintenance consisting of assistance with any of the following:
 1. Creating new ecommerce functionality.
 2. Performing website instance updates.
 3. Provide web store scripting.
 4. Provide landing or other new pages, templates, or layouts.
 5. Provide performance-related assistance.
 6. Provide SEO reviews.
 7. Provide KPI reviews.
 8. Provide design reviews.
 - h. Provide Bronto Marketing Platform assistance with any of the following:
 1. Strategic engagement and deliverability recommendations.
 2. Bronto account and integration settings.

3. Create email messages, content tag templates, webforms and pop-ups.
 4. Digital creative assets for Your marketing campaigns.
 5. Test email messages for proper content rendering across the latest supported email client versions.
 6. Schedule delivery of email messages per Your direction.
 7. Email performance reports and strategic initiative documents.
- i. Subject to Your purchase of one or more of the Oracle NetSuite Cloud Services listed below, Oracle will provide up to an additional eighteen (18) hours of ACS Onboarding ACS Onboarding hours must be consumed by You within twelve (12) months of the purchase of the following Oracle NetSuite Cloud Services, but in no event beyond the Term of Your order:
 1. Oracle NetSuite Planning and Budgeting.
 2. Oracle NetSuite SuiteSuccess for Commerce.
 - j. Oracle will provide overall coordination and management of, and execution by, Oracle's resources related to requests received from You for any ACS Monitor Support Services set out above; provided however, if any individual request from You for any ACS Monitor Support Services set out above exceeds an estimated duration (as determined solely by Oracle) of forty (40) Service hours, such individual request shall not be considered eligible for delivery by Oracle under Your order.

B. Your Obligations and Project Assumptions. You acknowledge that Your timely provision of and access to assistance, cooperation, complete and accurate information and data from Your officers, agents, and employees (collectively, "cooperation") are essential to the performance of any ACS Monitor Support Services as set forth in Your order. Oracle will not be responsible for any deficiency in performing ACS Monitor Support Services if such deficiency results from Your failure to provide full cooperation.

You acknowledge that Oracle's ability to perform the ACS Monitor Support Services depends upon Your fulfillment of the following obligations and the following project assumptions:

1. Your Obligations

- a. Obtain Oracle NetSuite Cloud Services prior to the commencement of ACS Monitor Support Services under Your order and maintain such Oracle NetSuite Cloud Services and for the duration of the ACS Monitor Support Services provided under Your applicable order.
- b. Provide Oracle with full access to relevant functional, technical, and business resources with adequate skills and knowledge to support the performance of ACS Monitor Support Services.
- c. Provide any notices, and obtain any consents, required for Oracle to perform ACS Monitor Support Services.
- d. Limit Oracle's access to any production environments or shared development environments to the extent necessary for Oracle to perform ACS Monitor Support Services.
- e. As required by U.S. Department of Labor regulations (20 CFR 655.734), You will allow Oracle to post a Notice regarding Oracle H-1B employee(s) at the work site prior to the employee's arrival on site.
- f. Be responsible for any sandbox and/or development instances required by Oracle.

- g. Be responsible for UAT.
- h. Be responsible for Your organizational change enablement and communication activities.
- i. Do not film or record Oracle's delivery of ACSMonitor Support Services, Oracle resources, or any Oracle materials.
- j. Use commercially reasonable efforts to attend all scheduled meetings. The repeated cancellation of meetings may result in delay and inefficient use of the maximum number of Service hours per quarter allowed for the performance of ACS Monitor Support Services.
- k. Provide Oracle with dedicated user access to Your systems necessary for the performance of ACS Monitor Support Services.
- l. Comply with the terms of access and use of required third-party services, including without limitation payment of any fees associated with Your use of such third-party services.
- m. Procure, if required, a Google Analytics account and provide Oracle with authorized access to Your Google Analytics account to facilitate the collection of website data, and enable Oracle to access Your Google Analytics account, if required, via the use of a third-party API agreed to by Oracle.
- n. Provide all images (to include product items, shipping items, information items and categories), materials or other content that Oracle will integrate into Your website as part of the ACS Monitor Support Services described above and obtain all proper licenses for any such images, materials and content.
- o. If the hours required for Oracle to perform the ACS Review described in the Description of Support Services above exceeds the total quantity of Service hours allocated for the quarter as specified in Your order, You will purchase Extended Hours (as defined below) necessary for Oracle to complete such ACS Review.

2. Project Assumptions

- a. Oracle will solely determine if any ACS Monitor Support Services involving configuration, development and/or testing should be conducted in a sandbox/development environment prior to being applied to a production instance.
- b. Oracle reserves the right to object to and decline a service request if Oracle believes, in its sole determination, that completion of such service request may result in potentially unfavorable outcome(s) to Your system or if the service request is outside of the scope of ACS Monitor Support Services.
- c. All ACS Monitor Support Services including the ACS Review will be performed remotely.
- d. The ACS Review of Your Oracle NetSuite instance must occur within the first calendar month of the commencement of ACS Monitor Support Services.
- e. All ACS Monitor Support Services communication are in English.
- f. You do not require Oracle NetSuite consultants to work outside standard local country workday hours.
- g. You do not require Oracle Bronto consultants to work outside Oracle's standard workday hours defined as 9:00 AM to 5:00 PM Eastern Standard Time.
- h. Remediation services identified in section A.2.a (under, "ACS Monitor Support Services") are available 24 hours per day, 7 days a week, 365 days a year.

- i. The ACS Monitor Support Services described above will be limited to supported browsers. Oracle's updated published list of supported browsers can be found on SuiteAnswers within Your Oracle NetSuite instance by searching for "supported browsers" in the search tool and clicking on the resulting document. Notwithstanding the foregoing, Oracle may in its sole discretion de-support or refuse to perform ACS Monitor Support Services on any supported web browsers or mobile device operating system that it believes to be vulnerable or otherwise lacks adequate security and will inform You as early as possible of such decision.
- j. Oracle will utilize responsive design techniques for mobile websites. Responsive design will apply only to the currently popular commercial tablets (iOS and Android) that utilize standard screen ratios.
- k. Your primary form of communication with Oracle outside of meetings described as a part of the ACS Monitor Support Services described in section A (Description of Support Services) above will be by email and the Oracle NetSuite case management tool.
- l. If the last quarter of the Term of Your order is less than three (3) months, then the quarterly Service hours for the last quarter will be pro-rated by Oracle.

C. Unused Support Services. The maximum number of allowable ACS Monitor Support Service hours per quarter (including any Extended Services Hours purchased for such quarter) identified in Your order must be used by You in that quarter. Any portion of the ACS Monitor Support Services unused in such quarter will be automatically forfeited by You with no further action required of either party. You will not be entitled to a refund, or any credit toward additional or other services.

Additionally, regarding the ACS Review as set out in section A.1 above, any hours that are deemed by Oracle to be unnecessary to complete the performance of an ACS Review, are likewise automatically forfeited and do not entitle You to any refund, or any credit toward additional or other services.

D. Extended Hours. During the Term of Your order, the parties may mutually agree in writing to increase the quantity of ACS Monitor Support Service hours per quarter indicated in Your order for any given quarter. Oracle will invoice You for any such Extended Hours at the Extended Hourly Rate set out in Your order.

E. Primary Point of Contact. You agree to designate one (1) primary contact and one (1) secondary contact who will work together with Oracle to facilitate an efficient delivery of ACS Monitor Support Services. Additional designated contacts authorized by You may contact Oracle, and You agree that any such contact will utilize Service hours.

NetSuite ACS Optimize

Note to Customers: You hereby acknowledge that (a) Section A.2.m below is no longer applicable to ACS Optimize Support Services orders placed by You after March 1, 2021, and (b) Section A.2.l below is no longer applicable to ACS Optimize Support Services orders placed by You on or after September 27, 2021.

A. Description of ACS Optimize Support Services

1. **ACS Review.** In addition to the Service hours specified in Your order to perform the ACS Optimize Support Services as set out in section A.2 (ACS Optimize Support Services) directly below, Oracle will perform an initial ACS Review of Your Oracle NetSuite instance within the ACS Review Period of the commencement of ACS Optimize Support Services, and annually thereafter during the Term of Your order, with the determination of hours necessary to perform each ACS Review being solely within the discretion of Oracle but in no event exceeding twenty-five (25) additional hours per month during the ACS Review Period.
2. **ACS Optimize Support Services.** During the Term of Your order, Oracle will provide You with up to the quantity of ACS Support Service hours per month specified in Your order for any of the following ACS Optimize Support Services related to Your Oracle NetSuite Cloud Services:
 - a. Remediate issues You have encountered with any of the following:
 1. Oracle NetSuite SuiteCloud workflows, scripts and integrations.
 2. Oracle NetSuite Ecommerce websites and Point of Sale.
 - b. Provide guidance on development activities.
 - c. Provide guidance on application usage and configuration.
 - d. Provide assistance with release management support consisting of any of the following:
 1. Providing awareness of upcoming releases with possible impacts to Your Oracle NetSuite instance.
 2. Guidance on additional capabilities that You could leverage.
 3. Performance, scalability, and regression testing of Your Oracle NetSuite instance against the targeted release.
 - e. Provide performance and scalability guidance and execution consisting of assistance with any of the following:
 1. Quarterly reporting of KPI's.
 2. Recommending changes in areas of performance or scalability.
 3. Managing, maintaining, and modifying Your Oracle NetSuite instance to support development, integrations, data importing, testing and release activities.
 - f. Provide optimization and sustainment guidance and execution consisting of assistance with any of the following:
 1. Making changes to Your business process flows.
 2. Making requested integration(s).
 3. Data importing activities
 - g. Provide Bronto Marketing Platform assistance with any of the following:

1. Strategic engagement and deliverability recommendations.
2. Bronto account and integration settings.
3. Email messages, content tag templates, webforms and pop-ups.
4. Digital creative assets for Your marketing campaigns.
5. Test email messages for proper content rendering across the latest supported email client versions.
6. Schedule delivery of email messages per Your direction.
7. Email performance reports and strategic initiative documents.
- h. Provide platform and systems architecture guidance that may consist of assisting You with any of the following:
 1. Defining the role of Oracle NetSuite in a multi-vendor business solutions environment including master data management and data transaction architecture.
 2. Work with You to help identify possible impacts of Oracle NetSuite Cloud Services product releases.
 3. Providing strategies to support, maintain and manage Your Oracle NetSuite instance to optimize development, testing and release activities.
 4. Performing migrations between development, testing, and production environments.
- i. Provide website maintenance by assisting You with any of the following:
 1. Creating new ecommerce functionality.
 2. Performing website instance updates.
 3. Providing web store scripting.
 4. Providing landing or other new pages, templates, or layouts.
 5. Providing performance-related assistance.
 6. Providing SEO reviews
 7. Providing KPI reviews
 8. Providing design reviews.
- j. Create website analysis reports reflecting a rolling cumulative analysis of KPIs for Your NSE website instances, including:
 1. Traffic.
 2. Transactions.
 3. Revenue; and
 4. Conversion rate.
- k. Produce performance reports that describe Your website's performance of page load times. Website pages covered in this report are:
 1. Homepage.
 2. Search.
 3. Category.
 4. Item (Product Detail Page).
 5. Proceed to Checkout; and
 6. Login.
- l. Subject to Your purchase of one or more of the Oracle NetSuite Cloud Services listed below, Oracle will provide up to an additional eighteen (18) hours of ACS Onboarding. ACS Onboarding hours must be consumed by You within twelve (12) months of the purchase of the following Oracle NetSuite Cloud Services, but in no event beyond the Term of Your order:

1. Oracle NetSuite Planning and Budgeting.
 2. Oracle NetSuite SuiteSuccess for Commerce.
- m. If You purchase more than one (1) NetSuite ACS Optimize Support Service over the course of the Term of Your order, then for each additional quantity purchased, Oracle will provide You with up to an additional forty (40) Service hours to activate an approved add-on module, provided the activation services are requested by You and approved by Oracle in writing.
 - n. Assign a named optimizing team to provide optimization and sustainment guidance.
 - o. Oracle will assign an Oracle customer success manager that will provide overall coordination and management of, and execution by, Oracle's resources related to requests received from You for any ACS Optimize Support Services described above; provided however, if any individual request from You for any ACS Optimize Support Services set out above exceeds an estimated duration (as determined solely by Oracle) of forty (40) Service hours, such individual request shall not be considered eligible for delivery by Oracle under Your order.

B. Your Obligations and Project Assumptions. You acknowledge that Your timely provision of and access to assistance, cooperation, complete and accurate information and data from Your officers, agents, and employees (collectively, "cooperation") are essential to the performance of any ACS Optimize Support Services as set forth in Your order. Oracle will not be responsible for any deficiency in performing ACS Optimize Support Services if such deficiency results from Your failure to provide full cooperation.

You acknowledge that Oracle's ability to perform the ACS Optimize Support Services depends upon Your fulfillment of the following obligations and the following project assumptions:

1. Your Obligations

- a. Obtain Oracle NetSuite Cloud Services and NetSuite Support under a separate contract prior to the commencement of ACS Optimize Support Services under Your order and maintain such Oracle NetSuite Cloud Services and NetSuite Support for the duration of the ACS Optimize Support Services provided under Your applicable order for the ACS Optimize Support Services.
- b. Provide Oracle with full access to relevant functional, technical, and business resources with adequate skills and knowledge to support the performance of ACS Optimize Support Services.
- c. Provide any notices, and obtain any consents, required for Oracle to perform ACS Optimize Support Services.
- d. Limit Oracle's access to any production environments or shared development environments to the extent necessary for Oracle to perform ACS Optimize Support Services.
- e. As required by U.S. Department of Labor regulations (20 CFR 655.734), You will allow Oracle to post a Notice regarding Oracle H-1B employee(s) at the work site prior to the employee's arrival on site.
- f. Be responsible for any sandbox and/or development instances required by Oracle.
- g. Be responsible for UAT.

- h. Be responsible for Your organizational change enablement and communication activities.
- i. Do not film or record Oracle's delivery of ACS Optimize Support Services, Oracle resources, or any Oracle materials.
- j. Use commercially reasonable efforts to attend all scheduled meetings. The repeated cancellation of meetings may result in delay and inefficient use of the maximum number of Service hours per month allowed for the performance of ACS Optimize Support Services.
- k. Provide Oracle with dedicated user access to Your systems necessary for the performance of ACS Optimize Support Services.
- l. Comply with the terms of access and use of required third-party services, including without limitation payment of any fees associated with Your use of such third-party services.
- m. Procure, if required, a Google Analytics account and provide Oracle with authorized access to Your Google Analytics account to facilitate the collection of website data, and enable Oracle to access Your Google Analytics account, if required, via the use of a third-party API agreed to by Oracle.
- n. Provide all images (to include product items, shipping items, information items and categories), materials or other content that Oracle will integrate into Your website as part of the ACS Optimize Support Services described above and obtain all proper licenses for any such images, materials and content.
- o. If the hours required for Oracle to perform the ACS Review described in Section A.1 above exceeds the total quantity of Service hours allocated for the month as specified in Your order, You will purchase Extended Hours (as defined below) necessary for Oracle to complete such ACS Review.

2. Project Assumptions

- a. Oracle will determine, in its sole discretion, if any ACS Optimize Support Services involving configuration, development and/or testing should be conducted in a sandbox/development environment prior to being applied to a production instance.
- b. Oracle reserves the right to object to and decline a service request if Oracle believes, in its sole determination, that such service request, if performed, may result in potentially unfavorable outcome(s) for Your system or if the service request is outside of the scope of ACS Optimize Support Services.
- c. All ACS Optimize Support Services including the ACS Review will be performed remotely.
- d. All ACS Optimize Support Services communication are in English.
- e. All enablement content is designed, developed, delivered, and presented in English, or other languages that may be made available by Oracle at its sole discretion.
- f. You do not require Oracle NetSuite consultants to work outside standard local country workday hours.
- g. You do not require Oracle Bronto consultants to work outside Oracle's standard workday hours defined as 9:00 AM to 5:00 PM Eastern Standard Time.
- h. Remediation services identified in section A.2.a (under "ACS Optimize Support Services") are available 24 hours per day, 7 days a week, 365 days a year.

- i. The ACS Optimize Support Services described above will be limited to supported browsers. Oracle's updated published list of supported browsers can be found on SuiteAnswers within Your Oracle NetSuite instance by searching for "supported browsers" in the search tool and clicking on the resulting document. Notwithstanding the foregoing, Oracle may in its sole determination de-support or refuse to perform ACS Optimize Support Services on any supported web browsers or mobile device operating system that it believes to be vulnerable or otherwise lacks adequate security and will inform You as early as possible of such decision.
- j. Oracle will utilize responsive design techniques for mobile websites. Responsive design will apply only to the currently popular commercial tablets (iOS and Android) that utilize standard screen ratios.
- k. Your primary form of communication with Oracle outside of meetings described as a part of the ACS Optimize Support Services described in section A (Description of ACS Optimize Support Services) above will be by email and the Oracle NetSuite case management tool.

C. Unused Support Services. The maximum number of allowable Service hours per month (including any Extended Services Hours purchased for such month) identified in Your order must be used by You in that month. Any portion of the ACS Optimize Support Services unused in such month will be automatically forfeited by You with no further action required of either party. You will not be entitled to a refund, or any credit toward additional or other services.

Additionally, regarding the ACS Review as set out in section A.1 above, any hours that are deemed by Oracle to be unnecessary to complete the performance of an ACS Review, are likewise automatically forfeited and do not entitle You to any refund, or any credit toward additional or other services.

D. Extended Hours. During the Term of Your order, the parties may mutually agree in writing to increase the quantity of ACS Optimize Support Service hours per month indicated in Your order for any given month. Oracle will invoice You for any such Extended Hours at the Extended Hourly Rate set out in Your order.

E. Primary Point of Contact. You agree to designate one (1) primary contact and two (2) secondary contacts, who will work together with Oracle to facilitate an efficient delivery of ACS Optimize Support Services. Additional designated contacts authorized by You may contact Oracle, and You agree that Oracle's communication and interaction with any such contact(s) will be applied to Your ACS Optimize Support Service hours.

NetSuite ACS Architect

Note to Customers: You hereby acknowledge that (a) Section A.2.m below is no longer applicable to ACS Architect Support Services orders placed by You after March 1, 2021, and (b) Section A.2.l below is no longer applicable to ACS Architect Support Services orders placed by You on or after September 27, 2021.

A. Description of ACS Architect Support Services

1. **ACS Review.** In addition to the Service hours set out in Your order to perform the ACS Architect Support Services as set out in section A.2 (ACS Support Services) directly below, Oracle will perform an ACS Review of Your Oracle NetSuite instance within the ACS Review Period of the commencement of ACS Architect Support Services, and annually thereafter during the Term of Your order, with the determination of hours necessary to perform each ACS Review being solely within the discretion of Oracle but in no event will Oracle provide additional hours exceeding fifty (50) per month during the ACS Review Period.

ACS Review hours can be used for any of the ACS Architect Support Services outlined in Section A.2 below if You purchase ACS Architect Support Services within the first 12 months after Your initial purchase of an Oracle NetSuite Cloud Service. ACS Review hours for Your order of ACS Architect Support Services will expire the earlier of (i) twelve (12) months after Your order for NetSuite ACS Optimize Support Services or (ii) upon expiration or termination of Your Oracle NetSuite Cloud Service.

2. **ACS Architect Support Services.** During the Term of Your order, Oracle will provide You with up to the quantity of ACS Service hours per month specified in Your order for any of the following ACS Architect Support Services related to Your Oracle NetSuite Cloud Services.
 - a. Remediate issues You have encountered with any of the following:
 1. Oracle NetSuite SuiteCloud workflows, scripts and integrations.
 2. Oracle NetSuite Ecommerce websites and Point of Sale.
 - b. Provide guidance on development activities.
 - c. Provide guidance on application usage and configuration.
 - d. Provide assistance with release management support consisting of any of the following:
 1. Providing awareness of upcoming releases with possible impacts to Your Oracle NetSuite instance.
 2. Guidance on additional capabilities that You could leverage.
 3. Performance, scalability, and regression testing of Your Oracle NetSuite instance against the targeted release.
 - e. Provide performance and scalability guidance and execution consisting of assistance with any of the following:
 1. Quarterly reporting of KPI's.
 2. Recommend changes in areas of performance or scalability.
 3. Managing, maintaining and modifying Your Oracle NetSuite instance to support development, integrations, data importing, testing and release activities.

- f. Provide optimization and sustainment guidance and execution consisting of assistance with any of the following:
 - 1. Making changes to Your business process flows.
 - 2. Making requested integration(s).
 - 3. Data importing activities
- g. Provide Bronto Marketing Platform assistance with any of the following:
 - 1. Strategic engagement and deliverability recommendations.
 - 2. Bronto account and integration settings.
 - 3. Email messages, content tag templates, webforms and pop-ups.
 - 4. Digital creative assets for Your marketing campaigns.
 - 5. Test email messages for proper content rendering across the latest supported email client versions.
 - 6. Schedule delivery of email messages per Your direction.
 - 7. Email performance reports and strategic initiative documents.
- h. Provide platform and systems architecture guidance that may consist of assistance with any of the following:
 - 1. Defining the role of Oracle in a multi-vendor business solutions environment including master data management and data transaction architecture.
 - 2. Work with You to help identify possible impacts of Oracle NetSuite Cloud Services product releases.
 - 3. Providing strategies to support, maintain and manage Your Oracle NetSuite instance that support development, testing and release activities.
 - 4. Performing migrations between development, testing, and production environments.
- i. Provide website maintenance consisting of assistance with any of the following:
 - 1. Creating new ecommerce functionality.
 - 2. Performing website instance updates.
 - 3. Providing web store scripting.
 - 4. Providing landing or other new pages, templates, or layouts.
 - 5. Providing performance-related assistance.
 - 6. Providing SEO reviews.
 - 7. Providing KPI reviews.
 - 8. Providing design reviews.
- j. Create website analysis reports reflecting a rolling cumulative analysis of KPIs for Your NSE website instances, including:
 - 1. Traffic.
 - 2. Transactions.
 - 3. Revenue; and
 - 4. Conversion rate.
- k. Produce performance reports that describe Your website's performance of page load times. Website pages covered in this report are:
 - 1. Homepage.
 - 2. Search.
 - 3. Category.
 - 4. Item (Product Detail Page).
 - 5. Proceed to Checkout; and

6. Login.
 - l. Subject to Your purchase of one or more of the Oracle NetSuite Cloud Services listed below, Oracle will provide up to an additional eighteen (18) hours of ACS Onboarding. ACS Onboarding hours must be consumed by You within twelve (12) months of the purchase of the following Oracle NetSuite Cloud Services, but in no event beyond the Term of Your order:
 1. Oracle NetSuite Planning and Budgeting;
 2. Oracle NetSuite SuiteSuccess for Commerce
 - m. If You purchase more than one (1) NetSuite ACS Architect Support Service over the course of the Term of Your order, then for each additional quantity purchased, Oracle will provide You with up to an additional forty (40) Service hours to activate an approved add-on module, provided the activation services are requested by You and approved by Oracle in writing.
 - n. Assign a named support team to provide overall coordination and management of support-related cases submitted by You for any Oracle NetSuite Cloud Services.
 - o. Assign a named optimizing team to provide optimization and sustainment guidance.
 - p. Oracle will assign an Oracle customer success manager that will provide overall coordination and management of, and execution by, Oracle's resources related to requests received from You for any ACS Architect Support Services set out above; provided however, if any individual request from You for any ACS Architect Support Services set out above exceeds an estimated duration (as determined solely by Oracle) of eighty (80) Service hours, such individual request shall not be considered eligible for delivery by Oracle under Your order.

B. Your Obligations and Project Assumptions. You acknowledge that Your timely provision of and access to assistance, cooperation, complete and accurate information and data from Your officers, agents, and employees (collectively, "cooperation") are essential to the performance of any ACS Architect Support Services as set forth in Your order. Oracle will not be responsible for any deficiency in performing ACS Architect Support Services if such deficiency results from Your failure to provide full cooperation.

You acknowledge that Oracle's ability to perform the ACS Architect Support Services depends upon Your fulfillment of the following obligations and the following project assumptions:

1. Your Obligations

- a. Obtain Oracle NetSuite Cloud Services and NetSuite Support under separate contract prior to the commencement of ACS Architect Support Services under Your order and maintain such Oracle NetSuite Cloud Services and NetSuite Support for the duration of the ACS Architect Support Services provided under Your applicable order for the ACS Architect Support Services.
- b. Provide Oracle with full access to relevant functional, technical, and business resources with adequate skills and knowledge to support the performance of ACS Architect Support Services.
- c. Provide any notices, and obtain any consents, required for Oracle to perform ACS Architect Support Services.

- d. Limit Oracle's access to any production environments or shared development environments to the extent necessary for Oracle to perform ACS Architect Support Services.
- e. As required by U.S. Department of Labor regulations (20 CFR 655.734), You will allow Oracle to post a Notice regarding Oracle H-1B employee(s) at the work site prior to the employee's arrival on site.
- f. Be responsible for any sandbox and/or development instances required by Oracle.
- g. Be responsible for UAT.
- h. Be responsible for Your organizational change enablement and communication activities.
- i. Do not film or record Oracle's delivery of ACS Architect Support Services, Oracle resources, or any Oracle materials.
- j. Use commercially reasonable efforts to attend all scheduled meetings. The repeated cancellation of meetings may result in delay and inefficient use of the maximum number of Service hours per month allowed for the performance of ACS Architect Support Services.
- k. Provide Oracle with dedicated user access to Your systems necessary for the performance of ACS Architect Support Services.
- l. Comply with the terms of access and use of required third-party services, including without limitation payment of any fees associated with Your use of such third-party services.
- m. Procure, if required, a Google Analytics account and provide Oracle with authorized access to Your Google Analytics account to facilitate the collection of website data, and enable Oracle to access Your Google Analytics account, if required, via the use of a third-party API agreed to by Oracle.
- n. Provide all images (to include product items, shipping items, information items and categories), materials or other content that Oracle will integrate into Your website as part of the ACS Architect Support Services described above and obtain all proper licenses for any such images, materials and content.
- o. If the hours required for Oracle to perform the ACS Review described in the Description of Support Services above exceeds the total quantity of Service hours allocated for the month as specified in Your order, You will purchase Extended Hours (as defined below) necessary for Oracle to complete such ACS Review.

2. Project Assumptions

- a. Oracle will solely determine if any ACS Architect Support Services involving configuration, development and/or testing should be conducted in a sandbox/development environment prior to being applied to a production instance.
- b. Oracle reserves the right to object to and decline a service request if Oracle believes, in its sole determination, that completion of such service request may result in potentially unfavorable outcome(s) to Your system, or if the service request is outside of the scope of ACS Architect Support Services.
- c. All ACS Architect Support Services including the ACS Review will be performed remotely.
- d. All ACS Support Services communication are in English.

- e. All enablement content is designed, developed, delivered, and presented in English, or other languages that may be made available by Oracle at its sole discretion.
- f. You do not require Oracle NetSuite consultants to work outside standard local country workday hours.
- g. You do not require Oracle Bronto consultants to work outside Oracle's standard workday hours defined as 9:00 AM to 5:00 PM Eastern Standard Time.
- h. Remediation services identified in section A.2.a (under "ACS Architect Support Services") are available 24 hours per day, 7 days a week, 365 days a year.
- i. The ACS Support Services described above will be limited to supported browsers. Oracle's updated published list of supported browsers can be found on SuiteAnswers within Your Oracle NetSuite instance by searching for "supported browsers" in the search tool and clicking on the resulting document. Notwithstanding the foregoing, Oracle may in its sole discretion de-support or refuse to perform ACS Architect Support Services on any supported web browsers or mobile device operating system that it believes to be vulnerable or otherwise lacks adequate security and will inform You as early as possible of such decision.
- j. Oracle will utilize responsive design techniques for mobile websites. Responsive design will apply only to the currently popular commercial tablets (iOS and Android) that utilize standard screen ratios.
- k. Your primary form of communication with Oracle outside of meetings described as a part of the ACS Architect Support Services described in section A (Description of Support Services) above will be by email and the Oracle NetSuite case management tool.

C. Unused Support Services. The maximum number of allowable Service hours per month (including any Extended Services Hours purchased for such month) identified in Your order must be used by You in that month. Any portion of the ACS Architect Support Services unused in such month will be automatically forfeited by You with no further action required of either party. You will not be entitled to a refund, or any credit toward additional or other services.

Additionally, regarding the ACS Review as set out in section A.1 above, any hours that are deemed by Oracle to be unnecessary to complete the performance of an ACS Review, are likewise automatically forfeited and do not entitle You to any refund, or any credit toward additional or other services.

D. Extended Hours. During the Term of Your order, the parties may mutually agree in writing to increase the quantity of ACS Architect Support Service hours per month indicated in Your order for any given month. Oracle will invoice You for any such Extended Hours at the Extended Hourly Rate set out in Your order.

E. Primary Point of Contact. You agree to designate one (1) primary contact and three (3) secondary contacts, who will work together with Oracle to facilitate an efficient delivery of ACS Architect Support Services. Additional designated contacts authorized by You may contact Oracle, and You agree that any such contact will utilize Service hours.

NetSuite ACS Bronto

A. Description of ACS Bronto Support Services. During the Term of Your order, Oracle will provide You with up to the quantity of ACS Bronto Support Service hours per month specified in Your order, to provide any of the following ACS Bronto Support Services related to Your Oracle NetSuite Bronto Cloud Services:

Deliver Bronto Marketing assistance with any of the following:

1. Strategic engagement and deliverability inbox placement recommendations.
2. Bronto account and integration settings.
3. Email messages, content tag templates, webforms and pop-ups.
4. Digital creative assets for Your marketing campaigns.
5. Test email messages for proper content rendering across the latest supported email client versions.
6. Schedule email message deliveries at Your scheduled discretion.
7. Email performance reports and strategic initiative documents.
8. Create and maintain basic data export processes.

B. Your Obligations and Project Assumptions. You acknowledge that Your timely provision of and access to assistance, cooperation, complete and accurate information and data from Your officers, agents, and employees (collectively, “cooperation”) are essential to the performance of any ACS Bronto Support Services as set forth in Your order. Oracle will not be responsible for any deficiency in performing ACS Bronto Support Services if such deficiency results from Your failure to provide full cooperation.

You acknowledge that Oracle’s ability to perform the ACS Bronto Support Services depends upon Your fulfillment of the following obligations and the following project assumptions.

1. Your Obligations.

- a. Obtain Oracle NetSuite Bronto Cloud Services under separate contract prior to the commencement of ACS Bronto Support Services under Your order and maintain such Oracle NetSuite Bronto Cloud Services for the duration of the ACS Bronto Support Services provided under Your applicable order for the ACS Bronto Support Services.
- b. Provide Oracle with full access to relevant functional, technical, and business resources with adequate skills and knowledge to support the performance of ACS Bronto Support Services.
- c. Provide any notices, and obtain any consents, required for Oracle to perform ACS Bronto Support Services.
- d. Limit Oracle’s access to any production environments or shared development environments to the extent necessary for Oracle to perform ACS Support Services.
- e. As required by U.S. Department of Labor regulations (20 CFR 655.734), You will allow Oracle to post a Notice regarding Oracle H-1B employee(s) at the work site prior to the employee’s arrival on site.
- f. Be responsible for any sandbox and/or development instances required by Oracle.
- g. Be responsible for UAT.

- h. Be responsible for Your organizational change enablement and communication activities.
- i. Do not film or record Oracle's delivery of ACS Bronto Support Services, Oracle resources, or any Oracle materials.
- j. Use commercially reasonable efforts to attend all scheduled meetings. The repeated cancellation of meetings may result in delay and inefficient use of the maximum number of Service hours per month allowed for the performance of ACS Bronto Support Services.
- k. Provide Oracle with dedicated user access to Your systems necessary for the performance of ACS Bronto Support Services.
- l. Comply with the terms of access and use of required third-party services, including without limitation payment of any fees associated with Your use of such third-party services.
- m. Procure, if required, a Google Analytics account and provide Oracle with authorized access to Your Google Analytics account to facilitate the collection of website data, and enable Oracle to access Your Google Analytics account, if required, via the use of a third-party API agreed to by Oracle.
- n. If while performing ACS Bronto Support Services Oracle requires access to other vendor's products that are part of Your system. You will be responsible for acquiring all such products and the appropriate license rights necessary for Oracle to access such products on Your behalf.
- o. Provide all images (to include product items, shipping items, information items and categories), materials or other content that Oracle will integrate into Your website as part of the ACS Bronto Support Services described above and obtain all proper licenses for any such images, materials and content.
- p. Your Bronto account must utilize a dedicated IP address to execute inbox testing.

2. Project Assumptions.

- a. Oracle will solely determine if any ACS Bronto Support Services involving configuration, development and/or testing should be conducted in a sandbox/development environment prior to being applied to a production instance.
- b. Oracle reserves the right to object to and decline a service request if Oracle believes, in its sole determination, that completion of such service request may result in potentially unfavorable outcome(s) to Your system, or if the service request is outside of the scope of ACS Bronto Support Services.
- c. All ACS Bronto Support Services will be performed remotely.
- d. All ACS Bronto Support Services communication are in English.
- e. All enablement content is designed, developed, delivered, and presented in English, or other languages that may be made available by Oracle at its sole discretion.
- f. You do not require Oracle consultants to work outside Oracle's standard workday hours defined as 9:00 AM to 5:00 PM Eastern Standard Time.
- g. Provide Oracle a minimum of five (5) business days advance notice for the scheduling of any meetings.
- h. Provide Oracle a minimum of forty-eight (48) hours advance notice for designing, creating, or scheduling any campaigns before the proposed delivery date.

- i. Oracle will use commercially reasonable efforts to staff recurring requests with the same resource, but You acknowledge that some requests will be staffed by a pool of Oracle resources with no guarantee that a specific requested resource will be assigned to perform the ACS Bronto Support Services.
- j. Any timelines or expected completion dates discussed with You are estimated dates and are intended for planning purposes only. As such Oracle does not guarantee that any such timelines or expected completion dates will be met and failure to meet such timelines shall not constitute a breach of contract or abrogate Your obligation to pay for ACS Bronto Support Services performed.
- k. The ACS Bronto Support Services described above will be limited to supported browsers. Oracle's updated published list of supported browsers can be found in the Knowledge Base within Your Oracle NetSuite Bronto Cloud Service by searching for "browser compatibility" in the search tool and clicking on the resulting document. Notwithstanding the foregoing, Oracle may in its sole discretion de-support or refuse to perform ACS Bronto Support Services on any supported web browsers or mobile device operating system that it believes to be vulnerable or otherwise lacks adequate security and will inform You as early as possible of such decision.
- l. Oracle will utilize responsive design techniques for mobile websites. Responsive design will apply only to the currently popular commercial tablets (iOS and Android) that utilize standard screen ratios.
- m. Your primary form of communication with Oracle outside of meetings described as a part of the ACS Bronto Support Services described in section A (Description of ACS Bronto Support Services) above will be by email and the Oracle NetSuite case management tool.

C. Unused Support Services. The maximum number of allowable Service hours as specified per month in Your order must be used by You in such month. Any portion of the ACS Bronto Support Services unused in such month will be automatically forfeited by You with no further action required of either party. You will not be entitled to a refund, or any credit toward additional or other services.

D. Extended Hours. During the Term of Your order, the parties may mutually agree in writing to increase the quantity of ACS Bronto Support Service hours per month indicated in Your order for any given month. Oracle will invoice You for any such Extended Hours at the Extended Hourly Rate set out in Your order.

E. Primary Point of Contact. You agree to designate primary contacts, not to exceed three (3), who will work together with Oracle to facilitate an efficient delivery of ACS Bronto Support Services. Additional designated contacts authorized by You may contact Oracle, and You agree that any such contact will utilize Service hours.

NetSuite ACS Bronto Data Export

A. Description of ACS Bronto Data Export Support Services. During the Term of Your order, Oracle will provide You the number of ACS Service hours per year specified in Your order, to provide any of the following ACS Bronto Data Export Support Services related to Your Oracle NetSuite Bronto Cloud Services:

1. Activities – Data Export Subscription

- a. Create one (1) data export custom script that reports a daily summary of Your Bronto system data open, click, conversion, bounce, unsubscribe, SMS send and SMS reply activity data attributes as follows:
 - i. Email address.
 - ii. Contact status.
 - iii. Activity date.
 - iv. Activity type.
 - v. Message name.
 - vi. Message ID.
 - vii. Delivery ID.
 - viii. Delivery type.
 - ix. Clicked link name.
 - x. Clicked link URL.
 - xi. Order ID.
 - xii. Bounce type.
 - xiii. Bounce reason.
 - xiv. Unsubscribe method; and
 - xv. SMS keyword.
- b. Activate the data export custom script and collect sample files for Your review.
- c. Generate daily data export CSV files to send to Your secure FTP destination.
- d. Provide data export custom script maintenance consisting of:
 - i. Modifying data export custom script and/or file structure formatting; and
 - ii. Reprocessing daily data export files.

2. Contacts – Data Export Subscription

- a. Create one (1) data export custom script that reports a daily summary of Your Bronto system data contact data attributes as follows:
 - i. Email address.
 - ii. Contact ID.
 - iii. Contact status.
 - iv. Contact source.
 - v. Contact custom source.
 - vi. Contact created date.
 - vii. Contact last modified date.
 - viii. Mobile number.
 - ix. List ID.
 - x. SMS keyword ID.
 - xi. Total number of deliveries.
 - xii. Total number of opens.
 - xiii. Total number of clicks.

- xiv. Total number of conversions.
- xv. Total conversion revenue amount.
- xvi. Total number of bounces.
- xvii. First order date.
- xviii. Last order date.
- xix. Average order value.
- xx. Last delivery date.
- xxi. Last open date.
- xxii. Last click date; and
- xxiii. Up to twenty (20) custom contact fields.
- b. Activate the data export custom script and collect sample files for Your review.
- c. Generate daily data export CSV files to send to Your secure FTP destination.
- d. Provide data export custom script maintenance consisting of:
 - i. Modifying data export custom script and/or file structure formatting; and
 - ii. Reprocessing daily data export files.

B. Your Obligations and Project Assumptions. You acknowledge that Your timely provision of and access to assistance, cooperation, complete and accurate information and data from Your officers, agents, and employees (collectively, “cooperation”) are essential to the performance of any ACS Bronto Data Export Support Services as set forth in Your order. Oracle will not be responsible for any deficiency in performing ACS Bronto Data Export Support Services if such deficiency results from Your failure to provide full cooperation.

You acknowledge that Oracle’s ability to perform the ACS Bronto Data Export Support Services depends upon Your fulfillment of the following obligations and the following project assumptions:

1. Your Obligations.

- a. You must have an active subscription to use the Oracle NetSuite Bronto Cloud Services prior to the commencement of ACS Bronto Data Export Support Services and such subscription must be maintained for us to deliver the ACS Bronto Data Export Support Services to You.
- b. Provide Oracle with full access to relevant functional, technical, and business resources with adequate skills and knowledge to support the performance of ACS Bronto Data Export Support Services.
- c. Provide any notices, and obtain any consents, required for Oracle to perform ACS Bronto Data Export Support Services.
- d. Limit Oracle’s access to any production environments or shared development environments to the extent necessary for Oracle to perform ACS Bronto Data Export Support Services.
- e. As required by U.S. Department of Labor regulations (20 CFR 655.734), You will allow Oracle to post a Notice regarding Oracle H-1B employee(s) at the work site prior to the employee’s arrival on site.
- f. Be responsible for any sandbox and/or development instances required by Oracle.
- g. Be responsible for UAT.
- h. Be responsible for Your organizational change enablement and communication activities.
- i. Do not film or record Oracle’s delivery of ACS Bronto Data Export Support Services, Oracle resources, or any Oracle materials.

- j. Use commercially reasonable efforts to attend all scheduled meetings. The repeated cancellation of meetings may result in delay and inefficient use of the maximum number of Service hours per month allowed for the performance of ACS Bronto Data Export Support Services.
- k. Provide Oracle with dedicated user access to Your systems necessary for the performance of ACS Bronto Data Export Support Services.
- l. Comply with the terms of access and use of required third-party services, including without limitation payment of any fees associated with Your use of such third-party services.
- m. Procure, if required, a Google Analytics account and provide Oracle with authorized access (e.g., set Oracle up as a user) to Your Google Analytics account to facilitate the collection of website data, and enable Oracle to access Your Google Analytics account, if required, via the use of a third-party API agreed to by Oracle.
- n. If while performing ACS Bronto Data Export Support Services Oracle requires access to other vendor's products that are part of Your system. You will be responsible for acquiring all such products and the appropriate license rights necessary for Oracle to access such products on Your behalf.
- o. Provide all images (including product items, shipping items, information items and categories), materials or other content that Oracle will integrate into Your website as part of the ACS Bronto Data Export Support Services described above and obtain all proper licenses for any such images, materials and content.
- p. Confirm that Your Bronto account utilizes a dedicated IP address when running inbox testing.

2. Project Assumptions.

- a. Oracle will solely determine if any ACS Bronto Data Export Support Services involving configuration, development and/or testing should be conducted in a sandbox/development environment prior to being applied to a production instance.
- b. Oracle reserves the right to object to and decline a service request if Oracle believes, in its sole determination, that completion of such service request may result in potentially unfavorable outcome(s) to Your system, or if the service request is outside of the scope of ACS Bronto Data Export Support Services.
- c. All ACS Bronto Data Export Support Services will be performed remotely.
- d. All ACS Bronto Data Export Support Services communications are in English.
- e. All enablement content is designed, developed, delivered, and presented in English, or other languages that may be made available by Oracle at its sole discretion.
- f. Oracle consultants are not required to work outside Oracle's standard workday hours defined as 9:00 AM to 5:00 PM Eastern Standard Time.
- g. Provide Oracle a minimum of five (5) business days advance notice for the scheduling of any meetings.
- h. Provide Oracle a minimum of forty-eight (48) hours advance notice for designing, creating, or scheduling any campaigns before the proposed delivery date.
- i. Oracle will use commercially reasonable efforts to staff recurring requests with the same resource, but You acknowledge that some requests will be staffed by a pool of Oracle resources with no guarantee that a specific requested resource will be assigned to perform the ACS Bronto Data Export Support Services.

- j. Any timelines or expected completion dates discussed with You are estimated dates and are intended for planning purposes only. Oracle does not guarantee that any such timelines or expected completion dates will be met and failure to meet such timelines shall not constitute a breach of the Agreement or abrogate Your obligation to pay for ACS Bronto Data Export Support Services performed.
- k. The ACS Bronto Data Export Support Services described above will be limited to supported browsers. Oracle's updated published list of supported browsers can be found in the Knowledge Base within Your Oracle NetSuite Bronto Cloud Service by searching for "browser compatibility" in the search tool and clicking on the resulting document. Notwithstanding the foregoing, Oracle may in its sole discretion de-support or refuse to perform ACS Bronto Data Export Support Services on any supported web browsers or mobile device operating system that it believes to be vulnerable or otherwise lacks adequate security and will inform You as early as possible of such decision.
- l. Oracle will utilize responsive design techniques for mobile websites. Responsive design will apply only to the currently popular commercial tablets (iOS and Android) that utilize standard screen ratios.
- m. Your primary form of communication with Oracle outside of meetings described as a part of the ACS Bronto Data Export Support Services described in section A (Description of ACS Bronto Data Export Support Services) above will be by email and the Oracle NetSuite case management tool.

C. Unused Support Services. The maximum number of allowable Service hours per year identified in Your order must be used by You in such year. Any portion of the ACS Bronto Data Export Support Services unused in such year will be automatically forfeited by You. You will not be entitled to a refund, or any credit toward additional or other services.

D. Extended Hours. During the Term of Your order, the parties may mutually agree in writing to increase the quantity of ACS Bronto Data Export Service hours per year indicated in Your order for any given year. Oracle will invoice You for any such Extended Hours at the Extended Hourly Rate set out in Your order.

E. Primary Point of Contact. You agree to designate at least one (1) contact, but no more than three (3), to collaborate with Oracle to facilitate an efficient delivery of ACS Bronto Data Export Support Services. Additional designated contacts authorized by You may contact Oracle, and You agree that any such contact will utilize Service hours.

SERVICE DESCRIPTIONS – EXTENDED SUPPORT SERVICES

NetSuite ACS Monitor Extended Services

- A. Description of ACS Monitor Extended Support Services.** During the Term of Your order, Oracle will provide You with the quantity of ACS Monitor Extended Services hours per quarter (with each quarter consisting of 3 months) specified in Your order to apply towards any of the ACS Monitor Support Services set out in Section A.2 (ACS Monitor Support Services) of the NetSuite ACS Monitor service. The ACS Monitor Extended Services require that You have an active order for e ACS Monitor Support Services; the hours provided under this ACS Monitor Extended Services are supplemental to NetSuite ACS Monitor Support Services ordered by You, and shall co-terminate with the end of each quarter established under, and pursuant to the terms of Your order for NetSuite ACS Monitor Support Services.
- B. Other Terms and Conditions.** Except as set forth in section A (Description of ACS Monitor Extended Support Services) above, You agree that all the terms and conditions set out in Your order for NetSuite ACS Monitor are hereby agreed to for Your order for ACS Monitor Extended Services as if fully set forth herein, including section B (Your Obligations and Assumptions), section C (Unused Support Services), section D (Extended Hours) and section E (Primary Point of Contact). The following shall be treated as an additional obligation for Your order for ACS Monitor Support Services only as if added to section B (Your Obligations and Assumptions): You must place, and Oracle must accept Your order for ACS Monitor Support Services prior to the commencement of ACS Monitor Extended Support Services under Your order, and You shall maintain Your order for NetSuite ACS Monitor for the duration of the Term of Your order for NetSuite ACS Monitor Extended Services.

NetSuite ACS Optimize Extended Services

- A. Description of ACS Optimize Extended Support Services.** During the Term of Your order, Oracle will provide You with the quantity of ACS Optimize Extended Services hours per month specified in Your order to apply towards any of the ACS Support Services set out in Section A.2 (ACS Optimize Support Services) of the NetSuite ACS Optimize service. The ACS Optimize Extended Services require that You have an active order for NetSuite ACS Optimize; the hours provided under this ACS Optimize Extended Services are supplemental to the NetSuite ACS Optimize Support Service hours per month provided under Your order for NetSuite ACS Optimize Support Services ordered by You, and shall co-terminate with the end of each month established under, and pursuant to the terms of, Your order for NetSuite ACS Optimize Support Services.
- B. Other Terms and Conditions.** Except as set forth in section A (Description of ACS Optimize Extended Support Services) above, You agree that all the terms and conditions set out in Your order for NetSuite ACS Optimize are hereby agreed to for Your order for ACS Optimize Extended Services as if fully set forth herein, including section B (Your Obligations and Assumptions), section C (Unused Support Services), section D (Extended Hours) and section E (Primary Point of Contact). The following shall be treated as an additional obligation for Your order for NetSuite ACS Optimize Extended Services only as if added to section B (Your Obligations and Assumptions): You must place, and Oracle must accept Your order for NetSuite ACS Optimize Support Services prior to the commencement of ACS Optimize Extended Support Services under Your order, and You shall

maintain Your order for ACS Optimize for the duration of the Term of Your order for NetSuite ACS Optimize Extended Services.

NetSuite ACS Architect Extended Services

- A. Description of ACS Architect Extended Support Services.** During the Term of Your order, Oracle will provide You with the quantity of ACS Architect Extended Services hours per month specified in Your order to apply towards any of the ACS Support Services set out in Section A.2 (ACS Architect Support Services) of the NetSuite ACS Architect service. The ACS Architect Extended Services require that You have an active order for ACS Architect; the hours provided under this ACS Optimize Extended Services are supplemental to the NetSuite ACS Architect Support Service hours per month provided under Your order for NetSuite ACS Architect Support Services ordered by You, and shall co-terminate with the end of each month established under, and pursuant to the terms of, Your order for NetSuite ACS Architect Support Services.
- B. Other Terms and Conditions.** Except as set forth in section A (Description of ACS Architect Extended Support Services) above, You agree that all the terms and conditions set out in Your order for NetSuite ACS Architect are hereby agreed to for Your order for ACS Architect Extended Services as if fully set forth herein, including section B (Your Obligations and Assumptions), section C (Unused Support Services), section D (Extended Hours) and section E (Primary Point of Contact). The following shall be treated as an additional obligation for Your order for NetSuite ACS Architect Extended Services only as if added to section B (Your Obligations and Assumptions): You must place, and Oracle must accept Your order for NetSuite ACS Architect Support Services prior to the commencement of ACS Architect Extended Support Services under Your order, and You shall maintain Your order for NetSuite ACS Architect for the duration of the Term of Your order for NetSuite ACS Architect Extended Services.

SERVICE DESCRIPTIONS – PARTNER SUPPORT SERVICES

NetSuite Advanced Partner Support

A. Description of Support Services. During the Term of Your order, Oracle will provide You, as a third-party implementer of Oracle NetSuite Cloud Services, with the quantity of APS Service hours per quarter (with each quarter consisting of 3 months) specified in Your order to assist You with any of the following Support Services related to Your customers' Oracle NetSuite Cloud Services, Oracle NetSuite SuiteCommerce website instances or Oracle NetSuite Point-of-Sale modules ("Oracle NetSuite Cloud Services"); such Support Services are provided to You for the sole purpose of guiding You with implementing the Oracle NetSuite Cloud Services for Your customers:

1. Guidance remediating issues Your customers have encountered with any of the following:
 - a. Oracle NetSuite SuiteCloud workflows, scripts, integrations.
 - b. Oracle NetSuite Ecommerce websites and Point of Sale.
2. Guidance on development activities.
3. Guidance on application usage and configuration.
4. Guidance with performance and scalability.
5. Guidance with any of the following release management activities:
 - a. Advisement on upcoming releases including Proactive Feature Change Notifications; and
 - b. Advisement regarding regression testing of Your customers' Oracle NetSuite Cloud Service instance against targeted release.
6. Guidance with optimization and sustainment that may consist of assistance with any of the following:
 - a. Your customers' business process flows.
 - b. Integration(s); and
 - c. Data importing activities.
7. Guidance with Bronto Marketing Platform on any of the following:
 - a. Strategic engagement and deliverability recommendations
 - b. Bronto account and integration settings.
 - c. Email messages, content tag templates, webforms and pop-ups.
 - d. Digital creative assets and copy for Your marketing campaigns.
 - e. Test email messages for proper client rendering across the latest supported versions.
 - f. Delivery of email messages per Your direction.
8. Guidance with platform and systems architecture that may consist of assistance with any of the following:
 - a. Defining the role of Oracle NetSuite in a multi-vendor business solutions environment including master data management and data transaction architecture; and
 - b. Strategies to support, maintain and manage adequate development, testing and release activities.
9. Guidance with website maintenance that may consist of assistance with any of the following:
 - a. Introducing new Ecommerce functionality.
 - b. Website instance updates.
 - c. Web store scripting.

- d. Landing or other new pages, templates or layouts.
 - e. Performance-related assistance; and
 - f. SEO reviews.
10. Assign an Oracle partner engagement manager (“engagement manager”) that will provide overall coordination and management of the Support Services set out in this section A; provided however, if any individual request from You for any Support Services set out above exceeds an estimated duration (as determined solely by Oracle) of fifteen (15) Service hours, such individual request shall not be considered eligible for delivery by Oracle under Your order.

B. Your Obligations and Project Assumptions. You acknowledge that Your timely provision of and access to assistance, cooperation, complete and accurate information and data from Your officers, agents, and employees (collectively, “cooperation”) are essential to the performance of any Support Services as set forth in Your order. Oracle will not be responsible for any deficiency in performing Support Services if such deficiency results from Your failure to provide full cooperation.

You acknowledge that Oracle’s ability to perform the Support Services depends upon Your fulfillment of the following obligations and the following project assumptions:

1. Your Obligations.

- a. Prior to providing any Support Services to You, confirm that Your customers obtain Oracle NetSuite Cloud Services under separate contract and maintain such Oracle NetSuite Cloud Services, without interruption, during the period such Support Services are being provided to You.
- b. Provide Oracle with full access to relevant functional, technical, and business resources with adequate skills and knowledge to support the performance of Support Services.
- c. Provide any notices, and obtain any consents, required for Oracle to perform Support Services.
- d. Limit Oracle’s access to any production environments or shared development environments to the extent necessary for Oracle to perform Support Services.
- e. Use commercially reasonable efforts to undertake product enablement prior to engaging Support Services for any specific Oracle NetSuite Cloud Service, where such enablement is available.
- f. As required by U.S. Department of Labor regulations (20 CFR 655.734), You will allow Oracle to post a Notice regarding Oracle H-1B employee(s) at the work site prior to the employee’s arrival on site.
- g. Be responsible for any sandbox and/or development instances required by Oracle.
- h. Be responsible for UAT.
- i. Be responsible for Your organizational change enablement and communication activities.
- j. Do not film or record Oracle’s delivery of Support Services, Oracle resources, or any Oracle materials.
- k. Use commercially reasonable efforts to attend all scheduled meetings. The repeated cancellation of meetings may result in delay and inefficient use of the maximum number of Service hours per quarter allowed for the performance of Support Services.

- l. Provide Oracle with view only access to Your customer's systems necessary for the performance of Support Services.
- m. Procure, if required, a Google Analytics account and provide Oracle with authorized view only access to Your customers' Google Analytics account.

2. Project Assumptions.

- a. Oracle will solely determine if any Support Services involving configuration, development and/or testing should be conducted in a sandbox/development environment prior to being applied to a production instance.
- b. Oracle reserves the right to object to and decline a service request if Oracle believes, in its sole determination, that completion of such service request may result in potentially unfavorable outcome(s) to Your system, or if the service request is outside of the scope of Support Services.
- c. All Support Services are performed remotely.
- d. All Support Services communication are in English.
- e. You do not require Oracle consultants to work outside standard local country workday hours.
- f. The Support Services described above will be limited to supported browsers. Oracle's updated published list of supported browsers can be found on SuiteAnswers within Your Oracle NetSuite Cloud Service instance by searching for "supported browsers" in the search tool and clicking on the resulting document. Notwithstanding the foregoing, Oracle may in its sole discretion de-support or refuse to perform Support Services on any supported web browsers or mobile device operating system that it believes to be vulnerable or otherwise lacks adequate security and will inform You as early as possible of such decision.
- g. Oracle will utilize responsive design techniques for mobile websites. Responsive design will apply only to the currently popular commercial tablets (iOS and Android) that utilize standard screen ratios.
- h. Oracle resources cannot execute, deploy code, or otherwise make changes to customer data within Your customers' Oracle NetSuite Cloud Services.
- i. Your primary form of communication with Oracle outside of meetings described as a part of the Support Services described in section A (Description of Support Services) above will be by email and the Oracle NetSuite case management tool.

C. Unused Support Services. The maximum number of allowable Service hours per quarter (including any Extended Hours purchased for such quarter) identified in Your order must be used by You in that quarter. Any portion of the Support Services unused in such quarter will be automatically forfeited by You in that quarter, with no further action required of either party, and You will not be entitled to a refund, or any credit toward additional or other services, for any unused portion of the fees paid for any unused Service hours in that quarter for the Support Services. For Oracle to provide Support Services set out in the above Description of Support Services after the Term of Your order, Oracle and You must mutually agree upon a separate order for such Support Services.

If the last quarter of the Term of Your order is less than three (3) months, then the quarterly Service hours will be pro-rated accordingly

- 
- D. Extended Hours.** During the Term of Your order, the parties may mutually agree in writing to increase the quantity of Service hours per quarter indicated in Your order for any given quarter. Oracle will invoice You for any such Extended Hours at the Extended Hourly Rate set out in Your order.
- E. Primary Point of Contact.** You agree to designate a primary contact who will work together with Oracle to facilitate an efficient delivery of Support Services. Additional designated contacts authorized by You may contact Oracle, and You agree that any such contact will utilize Service hours.

SERVICE DESCRIPTIONS – RETIRED ACS OFFERINGS

NetSuite ACS Platform

A. Description of Support Services. During the Term of Your order, Oracle will provide You with up to the quantity of ACS Service hours per quarter (with each quarter consisting of 3 months) specified in Your order to assist You with any of the following ACS Support Services related to Your Oracle NetSuite Cloud Service instance.

1. Provide guidance to address technical performance issues You have encountered with workflows, scripts, and integrations.
2. Provide assistance to address technical performance issues with only the following:
 - a. Making changes to Your existing configuration (SuiteBuilder).
 - b. Making changes to Your existing workflows (SuiteFlow).
 - c. Making changes to Your existing scripts (SuiteScript).
 - d. Making changes to Your existing web services (SuiteTalk).
3. Provide assistance with release management support consisting of any of the following:
 - a. Providing awareness of upcoming releases with possible performance impacts.
 - b. Upon request, providing guidance on additional capabilities within a release that You could leverage.
 - c. Providing performance and scalability testing against a targeted release.
4. Provide performance and scalability guidance with any of the following:
 - a. Development activities.
 - b. Application usage and functionality.
 - c. Recommending changes.
 - d. Testing and release activities.
 - e. Integration(s); and
 - f. Data importing activities.
5. Provide platform and systems architecture guidance with any of the following:
 - a. Defining the role of Oracle in a multi-vendor business solutions environment including master data management and data transaction architecture.
 - b. Work with You to help identify possible impacts of Oracle NetSuite Cloud Services product releases.
 - c. Providing strategies to maintain and manage development, testing and release activities.
 - d. Performing migrations between development, testing, and production environments.
6. Assign a named support team to provide overall coordination and management of, support related cases submitted by You for any Oracle NetSuite Cloud Services.
7. Oracle will assign an Oracle named platform team and a platform success manager that will provide overall coordination and management of, and execution by, Oracle's resources related to requests received from You for any ACS Support Services set out above; provided however, if any individual request from You for any ACS Support Services set out above exceeds an estimated duration (as determined solely by Oracle) of eighty (80) Service hours,

such individual request shall not be considered eligible for delivery by Oracle under Your order.

B. Your Obligations and Project Assumptions. You acknowledge that Your timely provision of and access to assistance, cooperation, complete and accurate information and data from Your officers, agents, and employees (collectively, “cooperation”) are essential to the performance of any ACS Support Services as set forth in Your order. Oracle will not be responsible for any deficiency in performing ACS Support Services if such deficiency results from Your failure to provide full cooperation.

You acknowledge that Oracle’s ability to perform the ACS Support Services depends upon Your fulfillment of the following obligations and the following project assumptions

1. Your Obligations.

- a. Obtain Oracle NetSuite Cloud Services and NetSuite Support under separate contract prior to the commencement of ACS Support Services under Your order and maintain such Oracle NetSuite Cloud Services and NetSuite Support for the duration of the ACS Support Services provided under Your applicable order for the ACS Support Services.
- b. Provide Oracle with full access to relevant functional, technical, and business resources with adequate skills and knowledge to support the performance of ACS Support Services.
- c. Provide any notices, and obtain any consents, required for Oracle to perform ACS Support Services.
- d. Limit Oracle’s access to any production environments or shared development environments to the extent necessary for Oracle to perform ACS Support Services.
- e. As required by U.S. Department of Labor regulations (20 CFR 655.734), You will allow Oracle to post a Notice regarding Oracle H-1B employee(s) at the work site prior to the employee’s arrival on site.
- f. Be responsible for any sandbox and/or development instances required by Oracle.
- g. Be responsible for UAT.
- h. Be responsible for ensuring any changes recommended by Oracle are implemented.
- i. Be responsible for Your organizational change enablement and communication activities.
- j. Do not film or record Oracle’s delivery of ACS Support Services, Oracle resources, or any Oracle materials.
- k. Use commercially reasonable efforts to attend all scheduled meetings. The repeated cancellation of meetings may result in delay and inefficient use of the maximum number of Service hours per month allowed for the performance of ACS Support Services.
- l. Provide Oracle with dedicated user access to Your systems necessary for the performance of ACS Support Services.
- m. Comply with the terms of access and use of required third party services, including without limitation payment of any fees associated with Your use of such third party services.

2. Project Assumptions.

- a. Oracle will solely determine if any ACS Support Services involving configuration, development and/or testing should be conducted in a sandbox/development environment prior to being applied to a production instance.
- b. Oracle reserves the right to object to and decline a service request if Oracle believes, in its sole determination, that completion of such service request may result in potentially unfavorable outcome(s) to Your system or if the service request is outside of the scope of ACS Support Services.
- c. All ACS Support Services are performed remotely.
- d. All ACS Support Services communication are in English.
- e. You do not require Oracle consultants to work outside standard local country workday hours.
- f. The ACS Support Services described above will be limited to supported browsers. Oracle's updated published list of supported browsers can be found on SuiteAnswers within Your Oracle NetSuite Cloud Service instance by searching for "supported browsers" in the search tool and clicking on the resulting document. Notwithstanding the foregoing, Oracle may in its sole discretion de-support or refuse to perform ACS Support Services on any supported web browsers or mobile device operating system that it believes to be vulnerable or otherwise lacks adequate security and will inform You as early as possible of such decision.
- g. Oracle will utilize responsive design techniques for mobile websites. Responsive design will apply only to the currently popular commercial tablets (iOS and Android) that utilize standard screen ratios.
- h. Your primary form of communication with Oracle outside of meetings described as a part of the ACS Support Services described in section A (Description of Support Services) above will be by email and the Oracle NetSuite case management tool.
- i. If the last quarter of the Term of Your order is less than three (3) months, then the quarterly Service hours for the last quarter will be pro-rated by Oracle.

C. Unused Support Services. The maximum number of allowable Service hours per quarter specified in Your order must be used by You in that quarter. Any portion of the ACS Support Services or Service hours unused by You in such quarter will be automatically forfeited by You with no further action required of either party. You will not be entitled to a refund, or any credit toward additional or other services.

D. Extended Hours. During the Term of Your order, the parties may mutually agree in writing to increase the quantity of Service hours per month indicated in Your order for any given month. Oracle will invoice You for any such Extended Hours at the Extended Hourly Rate set out in Your order.

E. Primary Point of Contact. You agree to designate primary contacts, not to exceed four (4), who will work together with Oracle to facilitate an efficient delivery of ACS Support Services. Additional designated contacts authorized by You may contact Oracle, and You agree that any such contact will utilize Service hours.
