The Institutional Animal Ethics Committee (IAEC) meeting was held on 7th October 2017 at 10.30 A.M in Principal's cabin at Oriental College of Pharmacy.

Agenda of the IAEC Meeting :

1. Follow up of last IAEC minutes of meeting.
2. Discussion of submitted research protocols.
3. Annual animal house inspection.

• **Review of Project proposals**

- IAEC members critically reviewed the submitted research protocols. They ensured that the animal requirement is properly justified and other relevant information pertaining to the study protocol is provided. Five protocols serial numbered OCP/IAEC/2017-18/01 to OCP/IAEC/2017-18/05 were discussed.
 - Dr. Dhanjit Kumar Das and Dr. Vinita Kulkarni suggested that the title of the research protocol should be mentioned clearly and the thesis title can be written in bracket.
 - Dr. Dhanjit Kumar Das also suggested that every protocol must include abstract of study which must have study plant common name and other information.
 - Dr. Vinita Kulkarni and Dr. Vishnu pointed out that protocol No.05 resembles with protocol No. 2 except the anticonvulsant activity which is additional in protocol No.5.
