" TESTIMONIALS "

2012 OLQE HEAD I TO IV SELF-STUDY

The LexOmnibus course was fantastic in assisting me to prepare for the OLQE exams. I don't think I could have passed without it. As a candidate based overseas I really appreciated the fact that I could watch the lectures online and at my own pace. It was also great that I could email the lecturers with any questions that might arise. This was essential as I obviously couldn't ask questions during the class. I found the Lexomnibus staff to be really helpful when I had technical or logistical questions along the way.
