VINELAND K8

A GROOVY message from your Vineland K8 PTA Crew

Dear Vineland K8 Families,

First of all, thank you for being such enthusiastic supporters of our wonderful school. Your PTA has worked hard this year to bridge the gap between students, parents, teachers, and administration. Your PTA publishes a weekly e-newsletter that is designed to keep parents informed. We decided to make our last newsletter a paper copy congratulating the children on a successful and productive school year, praising our teachers and staff for their tireless efforts, thanking our generous sponsors, and wishing everyone a safe and fun summer.

Your PTA is proud of the accomplishments we achieved and hope you enjoyed the fun activities we were able to bring to Vineland K8 this year such as: the PTA Store, Trunk-Or-Treat, Social Night, Fun Run, Book Fair and the Friendship Dance among many others. With our efforts, we were able to raise over \$25,000! The more money we can raise, the more exciting events and experiences we can offer. Our main goal is to provide even MORE next year!

Another goal we have is to continue updating classroom furniture. So far we have updated eight classrooms, but many more remain. So please contribute to fund raisers, donate what you can, and consider becoming a community sponsor. Any amount, no matter how small, helps.

Your PTA also greatly appreciates all the parents that have donated their time volunteering at events and behind the scenes to make everything happen! It takes a village, and in our case we have a great one. Please contact us if you are interested in volunteering. We look forward to working with all of you next year! Please remember, without you, our Vineland K8 Families, we cannot make this happen, so thank you!
