Confirmation Retreat – Segment One

Like most things over the past two pandemic years, we had to creatively restructure the way we present our Confirmation candidates with their Retreat experience. Instead of the usual professionally led 5-hour Saturday afternoon activity, this year's retreat will be divided into multiple segments delivered during regular class time and led by members of our various parish ministries. This has the advantage of communicating a more focused message with each segment. As well, shorter sessions tend to capture the students' attention more fully than longer ones.

Our first retreat segment was held on December 15th. It highlighted Advent/Christmas messages as they relate to the Sacrament of Confirmation. Our co-director of music ministry, Matt, complemented the readings and reflections with an Advent song (O Come, O Come Emmanuel), familiar Christmas hymns, and Confirmation standards (Open My Eyes Lord, Christ Be Our Light, and Here I Am Lord). The gospel story of Christ being the light of the world was read, and we reflected on looking for the light of Christ in our everyday lives, as well as bringing the light of Christ to others. Deacon Sal Marino delivered a dynamic homily that really captured the students' interest. He challenged them to spend 5 minutes a day simply talking to God, and listening to what He is telling you. Setting aside distractions such as electronics for a short time each day was suggested. He also spoke of Christ as our Hope, even when we are feeling overwhelmed or hopeless. The retreat ended with a guided meditation prayer based on the gospel story of the annunciation, which challenges us to think about what God is asking us to do with our lives, and saying "yes" to that as Mary did.

The remaining segments of our Confirmation Retreat will be held during Lent.

PRO LIFE NEWS

SATURDAY JANUARY 22, 2022, FACE THE TRUTH PRO-LIFE EVENT – 2pm-3:30pm – Help restore the right to life for preborn children! Pro-lifers are encouraged to join the Roe v. Wade Anniversary Memorial Face the Truth event. Reaching the public through messages on our signs, this peaceful, lawful presence will be held on the public sidewalk at Nassau University Medical Center, 2201 Hempstead Tpke, East Meadow (near east end of hospital). Be a positive sign for LIFE! Rain or shine. Signs provided. Sponsored by: LI Coalition for Life. 631-243-1435 Email: info@prolifeLI.org
Will you be a witness against the tragedy of abortion? We must not be silent while tiny children are killed.

ABORTION PILLS BY MAIL: The FDA, in response to the abortion industry's demands, announced that it will weaken longstanding safety protocols for the abortion pill, allowing widespread telemedicine abortion and abortion pills-by-mail distribution. The abortion pill is a two-pill process. Mifepristone (RU-486, Mifeprex) cuts off progesterone, the hormone needed to sustain a pregnancy. Misoprostol (Cytotec) causes contractions. It is approved up to 70 days (10 weeks) into pregnancy. Chemical abortions have increased 120% in the last decade. Almost half of all abortions are now chemical rather than surgical abortions. The FDA's safety program, Risk Evaluation and Mitigation (REMS), "ensures that the benefits of a drug... outweigh the risks." Mifepristone is on that list. Under REMS, the drug can only be dispensed by a qualified prescriber who seeks permission from the manufacturer. Abortion providers for the most part "opt in" rather than primary care doctors or OB-GYNs. Mifepristone was also required to be dispensed in a healthcare setting. Since the pandemic, the FDA stopped enforcing the dispensing limits, and the new rule makes that permanent. Without an in-person consultation, there is no way to rule out an ectopic pregnancy or confirm the gestational age. Human traffickers and abusers can force these pills on their victims – removing the possibility of the women asking for help from a doctor or healthcare worker.

DOBBS SUPREME COURT CASE: The Diocese is encouraging all parishioners to join the national movement to pray and fast over the next 9 months (October 2021 to June 2022) for a favorable outcome in the Dobbs court case. Dobbs is a "landmark" case that could potentially overturn the decision of Roe v Wade. The possibility for future laws protecting the unborn hangs in the balance. A decision is expected in June 2022. We are urged to make the 22nd of each month until June a special day of prayer and fasting for the Dobbs case, in the hopes that Roe will finally be overturned. Please try to devote a Mass, the Rosary and, if possible, a Holy Hour for this intention each month.

PRAYER FOR PREGNANT MOTHERS: Blessed Mother, you received the good news of the Incarnation of Christ, your Son, with faith and trust. Grant your protection to all pregnant mothers facing difficulties. Guide us as we strive to make our parish communities places of welcome and assistance for mothers in need. Help us become instruments of God's love and compassion. Mary, Mother of the Church, graciously help us build a culture of life and a civilization of love, together with all people of good will, to the praise and glory of God, the Creator and lover of life. Amen.

Life, what a beautiful choice! Mother and Child, we love you both! If you need help, or if you can help:

2021-2022 Missalette Memorial Opportunity

****Please return form to the Rectory Office****

Each year Our Lady of Lourdes Parish purchases new missalettes which include, the order of Mass texts, readings for Sundays and Holy Days, daily Mass propers, and all the music we sing throughout the year.

This year we are asking you to consider making a donation to help offset the cost of the missalettes. We are asking for \$25 per missalette. For each donation there will be a book plate inscription on the front cover of the missalette.

We hope to offset the cost by having parishioners:

- Make a donation as a gift
- Memorialize a missalette in memory of a deceased friend or relative
- Dedicate a missalette in honor of a friend or relative (living)

We thank you for your consideration of this request. Your generosity and commitment to Our Lady of Lourdes is vital and your participation is greatly appreciated. If you have any questions or need further information, please call the Rectory.

A New Dawn for Catholic Education on Long Island

In January 2020, the *Marianists, Tomorrow's Hope Foundation, and the Department of Education* launched the Morning Star Initiative (MSI) to revitalize Catholic education on Long Island through a robustly Catholic culture, academic excellence, safe and supportive communities, and fiscally sustainable schools.

DONOR IMPACT TO DATE

To date, fellow Catholics and foundations have pledged more than \$3 million to Tomorrow's Hope Foundation for vital MSI programs and local Catholic school needs, including:

- Tuition assistance for underserved students
- New learning devices for thousands of students and teachers
- Internet connectivity for 300 school families
- The launch of iReady, an innovative web-based student benchmarking tool, among all the Catholic elementary schools
- Vital startup investments in two MSI pilot schools

WHY GIVE?

By supporting MSI, donors can invest in a sustainable and robust educational model for our children and for future generations. Please help make that a reality by making a gift today.

"I am very confident in Brother Tom and the Marianist Brothers who are leading this [MSI] effort, and I am hopeful that other individuals and organizations will support this cause to help ensure our Catholic schools have a bright future."
