ATTENTION COLLEGE STUDENTS

It's that time of year again. Students are heading off to college for the first time or returning to continue their education. The Florida Georgia District has a form that churches, students and parents can use to help our campus ministries get in touch with these students. Simply go to this web link -

<http://flqadistrict.org/campus-ministries/> and scroll to the bottom of the page.

This form will allow you to provide helpful information that will put your college students in touch with one of these wonderful campus ministries or a nearby church. Please take a few minutes to help connect these students to Jesus on campus!

THRIVENT CELEBRATES GENEROSITY

A Thrivent Member Network is a regional network that brings members together-Christians who value being wise with money and living generously. The Thrivent member Network-Florida & Georgia Region will be hosting a Generosity Event featuring Hope Haven, and we would love to have you join us.

Omar Aleman, a former special agent with the DEA, will share his inspiring story of generosity with us. Come prepared to share your generosity with Hope Haven International, an organization that manufactures and distributes wheelchairs to children and adults worldwide. We'll have drinks for donations, raffle baskets and hors d' oeuvres. Please wear your Live Generously t-shirt. If you don't have one, we will provide one at the door. Entry is free! Please feel free to bring a guest.
