Handicap Rules:

- Contestants not bowling a USBC league in the 2020/2021 season must purchase a \$5 Associate Membership prior to bowling.
- Handicaps are 90% of 230, 230 & higher bowls scratch. Players without an accepted average must bowl scratch. Actual league average counts towards the 840 team cap.
- Minimum entering average for maximum handicap is 140 for men and 130 for women. Players with lower averages will get the maximum handicap.
- Players use their handicap for each event. Example: teammates add their handicaps together for a team handicap.
- Each player uses 1/3 of their handicap, dropping fractions, for sidepots and brackets.
- Only 1 PBA member per team. **NO PBA GUESTS.** All PBA members with a military status are eligible and welcome, no restrictions! Sponsors/host employees can bowl only if they have a military background.
- Use your highest USBC average minimum 21 games from 2018/19 or 2019/20. Exceptions: Players receiving an average re-rate/adjustment from our tournament. Re-rates from other tournaments must still be reported for possible adjustment.
- Players without any averages from 2015/16 through 2019/20 can request to use their 2020/21 average
- Players without averages from 2018/19 or 2019/20 can use an average from 2017/18, 2016/17 or 2015/16 season accepting a 10-pin penalty for each year. EXAMPLE: Using an average from 2016/17 would get a 20-pin penalty
- Summer 2020/2021 averages are not accepted.
- Youth averages cannot be used. USBC Rules 319C & 319D apply.

Rating Onsite – Tournament bowlers know that handicap events can attract players that show ability above their entering league average.

The High Roller staff has been very diligent in “watching” the scoring of the event and, when necessary, re-assigning a higher average to those that demonstrate higher ability.

As a protection for the many participants, we will continue to monitor scores and even create a “watchdog committee”.

Gaining a purposeful advantage over our Military attendees who have served our country, by using a league average much lower than ability will not be tolerated.

USBC Rule 319 applies:
Players must report or face disqualification.
17 players assigned higher averages for 2021!

The world is still changing the way they do business. And now leagues are using a multitude of different formats: some bowl on just 1 lane, some bowl on a pair but the team they are bowling against are on a different pair, some must use a mask when making their shot, some not. Some have reduced to only 2 games. Many leagues are shorter in duration and have less teams. And there are many leagues that have already cancelled after starting, with a minimum amount of games that might – or might not ever show up on bowl.com, the official average site of USBC that we use to verify averages for each bowler.

More importantly, we have learned of many leagues not joining USBC for the 2020/2021 season.

For those reasons we have chosen not to use the current 2020/2021 averages. See rules for exceptions. This year's average rules keep it consistent for the entire field.

We will deal with what is in front of us and make the 2021 August Military Classic a great experience for all - as it has been in the past! Hundreds of teams entered for the 2020 tournament rolled their entry fees over to 2021 so many squads are already filled!

Best regards and safe travels!

Brad Edelman, President, High Roller, Inc.
