Commonly Asked Questions

Q: Can I return a product?

A: Due to the personal nature of the products, returns are not accepted. If an item is damaged during shipping, it will be exchanged or replaced for an identical item, at no cost, within 30 days of purchase.

Q: When can I expect to receive my products?

A: You can expect to receive your items within 2 to 5 business days after an order is placed, unless a change must be made to the order or for any reason.

Q: How can I track my shipment?

A: Members receive an order number along with a tracking ID when placing an order through **NationsOTC.com** or over the phone. This information can be viewed under My Account > My Orders. The tracking ID is populated within 24-48 hours after the order is processed and can be used to track shipments and view all tracking history.

Q: What if I order more than my allotted allowance?

A: If an order exceeds the benefit amount, you must include a credit card number or enclose a check along with your order form. Cash is not accepted. If you do not include a payment method when your total balance due is more than your available benefit allowance, some items may be removed from your order. If that is the case, our team will contact you to discuss the changes to your order.

Q: Who do I contact with questions?

A: If you have questions about your OTC order, please call NationsOTC at **833-746-7682 (TTY: 711)**. Member Experience Advisors are available Monday through Friday, 8:00 a.m. to 8:00 p.m. ET. For all other questions, please contact your health plan member service team for support.
