UTS BALMAIN TIGERS

The oldest sporting club in Australia established in 1884.

CHAIRMAN'S WELCOME

On behalf of UTS Balmain Water Polo we would like to welcome you to Round 3 of 2018 Australian Waterpolo League.

We especially would like to welcome our new tigers, Elle Surber & Allyson Hansen from USA and Marc Tarres Mora from Spain. Welcome back Chloe Wilcox and Pascale Casey who have returned from overseas for part of the season. Chloe from her role as Great Britain Assistant National coach and Pascale playing in Italy.

Our AWL squads have an injection of youth this season who have been working hard with the guidance of our senior players and very experience coaches over the summer. Many thanks to Phil, Taryn, Danielle, Martin and Lance for leading the new initiatives.

We have a great start to the season with some great junior results:

- UTS Balmain U16 girls team winning the State Championships on the Central Coast
- UTS Balmain U18 boys placing 2nd in the State Championships in Sydney
- UTS Balmain U16 boys placing 3rd in the State Championships in Bathurst
- Nioka Thomas, Maeve Ryan, Daniel Munk named in the 16s Tournament 7, Daniel Yoon in the 18s Tournament 7 at their respective State Championships
- Evie Glover-Rylah named as goalkeeper of the tournament at the Under 16 State Championships

We have just held the annual hugely successful U12s Carnival! With 40 Teams entered and 42 Junior referees participating in the mentor program, it was a big 3 days. A huge thank you to all the helpers who made it such a success. In particular, the promotions team, the referee mentors and BBQ organisers – an effort which made this “Australia’s No. 1 U12 Carnival”

Our UTS Balmain junior program continues with our weekly skills clinic proving to be important introduction to our game of water polo.

Many thanks to David Burn and the Belgravia staff at Auburn Ruth Everuss Aquatic Centre for their assistance in moving our home games here. Welcome to the local community members.

We also thank all our sponsors for their continued support.
