The poster features a blue and yellow background with silhouettes of three runners (red, blue, green) and a purple dog. A small Rotary logo is in the top left corner.

Mike Harrowell, will provide a briefing on the arrangements and organisation of matters for the Club's Annual Family Fun Run, including the duties of members and friends for any set up and collection of any signage on the Saturday afternoon, and Sunday morning, for the three fun run routes.

If you, your family or friends have previously indicated to Mike that you will be available on the Sunday, but for some reason, will not be available, please let Mike know ASAP. Its critical that the need for personnel on the day is fully covered.

Rhett Gibson, a relative of Norm's, will also be in attendance at the meeting to offer some advice to the Club. (Continued next page)

Rhett is an avid runner and finished 2nd in our Rotary run a few years ago. He has experience running a range of distances from 5km to ultra marathons, and these days he prefers bush trails to road. Some of his better performances have included:

- o running a 2:41 marathon
- o finishing 6th in the 2016 Six Foot Track Marathon
- o finishing 8th in the 2016 UTA 100km race in the Blue Mountains.

Outside racing, Rhett has been an official pacer for a number of races, including the Sydney Half Marathon and the Canberra Half Marathon. His claim to fame is pacing both of these groups to within 10 seconds of the promised finish time.

These days Rhett doesn't race much but still enjoys getting out for a social run with friends.

Rhett is an economist working in the NSW Premier's Department. For additional relaxation, he sometimes runs to work from Bondi and presumably back again.

## ERMERA, EAST TIMOR; WATER & SANITATION PROJECT UPDATE

A progress report on the above from Northbridge Rotary Club;

"Liz Grey, Luke Keighery and I are booked to fly to Timor Leste on Monday 1 October, returning on Saturday 6 October to define the scope, design and costing of the project.

Liz is experienced with international projects and lodged our Global Grant application for our recently completed water project in Lete-Foho which is about an hour drive further from Dili than Ermera. Luke was recently inducted into RC Northbridge and has visited Timor Leste many times for projects on behalf of several organisations. My role has been to push the Lete-Foho project which involved two visits there.

The team will be preparing shortly for the visit, firming up meetings and visits. When our schedule has firmed, I will send you a copy.

We would like to visit your club at some point: Certainly when we have firmed the details - say a couple of weeks after we return, if that suits. If you would like me to make a brief visit before we leave, I would be happy to do so - this might give your members to have some input early on.

Please let me know what would suit you.

Best wishes,

Barry Anderson (PP)"

# PRESIDENT RICHARD GREEN'S REPORT

## THE YEAR AHEAD

This is a brief summary of my speech I made at the change over.

Thank you Peter and Janette and the board of 2017/2018 for your leadership, guidance and effort during the year.

Last year was a year of difficult decisions and the coming year will continue to require some difficult discussions and decisions.

The board for next year is as follows;

Past President	Peter McKeown
Secretary	Peter Lefmann
Treasurer	Arthur Marshall
Administration/ Public Relations	Greg Muldoon
Foundation/Fundraising	Neil Howie
Youth Services	David Brand
Vocational/International/Community	Peter Lewis
Social / Membership	Sue Ward

There are of course other people who will have a critical role in the club, in particular the Programme Chairman, Norm Gibson and the Bulletin Editor, Ross Symons.

We have a number of goals for this year;

- Assist the RNSH to purchase a critical piece of equipment. We will do this with the help of a number of other North Shore clubs
- We will purchase a second hand van for Carevan. Once again we will seek the assistance of a number of clubs in the north west of Sydney
- We will assist Northbridge Rotary Club provide water equipment in East Timor
- We have also been asked to help Chatswood Rotary Club with another project in East Timor
- Peter McKeown wants to investigate sending hay to farmers in the drought areas
- We will contribute to the Rotary Foundation and polio plus
- We will undertake the Tree of Joy, Father's day Breakfast, Graffiti Busters and a number of other local projects.

The funding of these projects sets us a challenge.

For youth we will support the normal activities but in addition we hope to send a student to Rotary Activities in Citizenship in Canberra during the budget session. Sue Ward will organise a number of social events, mainly on the off Tuesday. Some of these events will be combined with a visit to a local organization.

Norm has lined up a number of interesting speakers for the first half of the year. Chatswood Rotary Club will visit our club meetings on a number of occasions.

The most important discussion will be about the future of the club. To make the next year successful we will need the full participation of all members.

### **FUN RUN**

Nearly all the members and their partners are assisting with the Fun Run on the 29 July. This is an important activity

### **BUNNINGS BBQS**

We have two Bunnings lined up. We will initially be relying on these to provide some cash flow.

### **CHATSWOOD AREA ROTARY CLUBS TRIVIA NIGHT**

We have committed to take at least one table at this event. All funds go to a women's refuge

This will form the basis of what will be a busy but enjoyable year.  
President Richard Green

2018/19 Board. (L to R) Greg Muldoon, Peter McKeown, Richard Green, Peter Lefmann, Neil Howie, Peter Lewis and Sue Ward.  
Absent, Arthur Marshall and David Brand.

### MICHAEL WERE -OPEN HEART INTERNATIONAL

**Michael Were** was appointed as General Manager in 2009. He was the first full-time staff member for the organisation. Prior to joining Open Heart International, he spent 13 years in the insurance industry in various sales and relationship management roles. At the same time, he was volunteering with a number of not-for-profit organisations focused on supporting at risk children in developing countries.

He is responsible for the coordination of all our activities in Australia including fundraising, marketing, relationship management, inventory, planning, reporting and governance.

#### **Our Story - Open Heart International**

Open Heart International is a volunteer driven organisation. It was established in 1985 by Mr. Russell Lee, Mr. Rudi Morgan and Dr. John Wallace as volunteers, who all worked for Sydney Adventist Hospital at the time.

The genesis of Open Heart International was in an Intensive Care Nurse's visit to Tonga to see his missionary parents. After witnessing the lack of surgical options for those dying of rheumatic heart disease in Tonga, Russell returned to Australia determined to make a difference.

It was from this desire to make a difference in Tonga that led to the initiation of "Operation Open Heart for Tonga" by the three men, and was strongly supported by many others.

By 1986, they had succeeded in fundraising, secured the acquisition of equipment, and had coordinated a small group of Sydney Adventist Hospital medical and nursing staff.

Well organised, the team travelled to Tonga aiming to provide life saving cardiac surgery to those in need. The trip was deemed a success after saving the lives of many Tongans while at the same time instilling a hope for more similar successes in the future.

Today, hundreds of volunteers with extraordinary passion and commitment, give freely of their time and expertise in multiple surgical specialties to provide hope to thousands living in developing countries. These patients dream of the quality healthcare that we sometimes take for granted here in Australia.

## RESPONSE TO DROUGHT RELIEF IN COUNTRY NSW

District 9685 has responded to the drought crisis in the rural areas of our state by appointing Rotarian Barry EDMUNDSON of the Rotary Club of Wahroonga to be the District Coordinator for Drought Relief.

Barry has been and will continue to be in touch with the Districts most affected by the drought in NSW. Barry will be able to advise clubs that don't have rural contacts just where their relief can be sent.

There are many ways we can support the rural communities and Barry will also have that information. We must remember that along with the farmers and their families, the businesses and schools in the drought affected regions also need support and relief.

I have been in contact with the District Governors in country NSW and 2 have responded with information and suggestions on how we can help.

It is important to remember that often times money is the best sort of assistance that we can send. The money can be converted into grocery cards administered by agencies such as The Salvation Army or local Councils.

The Rotary Club of Sydney is coordinating the sending of semitrailer loads of stock feed to areas of need.

Rotary District 9650 has set up a RAWCS project. That project will be matched dollar for dollar up to \$15,000.00.

The project is listed on the RAWCS website as "Drought Relief NSW" project number 2-2018-19.

Barry Edmundson is contactable via email [jbedmundson@gmail.com](mailto:jbedmundson@gmail.com)  
Please think about how you and your club or cluster of clubs can help our country communities.

DG Susan Wakefield

## NEWS FROM CAROLINE VIOTTO, EXCHANGE STUDENT FROM BRAZIL, 2014

Dear Rotarians,

It has been a long time right?

I have been well, on uni holidays at the moment (only got two weeks tho).

I heard you are having the Fun Run on July 29th, still remember when I did that and almost died running (cause I was a 10kg heavier exchange student), it was fun anyway (specially the barbecue at the end). I hope you have a good one this year.

I am writing cause I have something SO SO nice to tell you. It is with pleasure that I announce that: (trying to make some suspense) ..... I am coming to Australia by the end of this year!!!!!!!!!!!!!!

I am so happy and so excited, I think about it literally every day and cannot wait to go back.

I will arrive in Sydney on December 7th and then I am going to Bombah Eco Point where I will stay with Suzie and Duncan Campbell for a month. After that, probably on January 2nd or 3rd I will go to Sydney and stay there until February 2nd , and then I will return to Brazil.

I am hoping I can meet up with you people, hopefully you will be back from Rotary Holidays by then so I will be able to remember some of those lovely days around you. Please let me know.

We gotta keep in touch. I will write an email again when it gets closer.

Miss you all.

Stay safe.

With heaps of love,

Caroline T. Viotto – Exchange Student from Brazil 2014.

Caroline participates successfully in a Splenectomy and Cholecystectomy procedure.

## GRAFFITI BUSTERS ON THE JOB

The Roseville Chase Graffiti Busters Team was out on the roads again on Thursday 19th July. This was after a long break (just a few jobs in early May). However, the school holidays tend to bring the vandals out. Solution? Ban the school holidays?

On Thursday, Peter Lefmann and Peter Lewis were delighted to be joined by Rotary Friend PP John Hammond. We were pleased to see John fully recovered after his fall down a cliff a few weeks ago !!!

The Team, with trailer in tow, covered the Roseville Chase and Roseville shops area – Babbage Road, Pacific Highway, Hill St etc.

They did 11 individual sites – including adding a couple to the original job-list. The photo below is of John Hammond and Peter Lefmann hard at work. Plus the before/after of the infamous Hill Street 'Bike Shed' – a regular target for graffiti.

Thanks John and the two Peters for another productive Rotary Community day.

After setting up his law practice in Chicago, Paul Harris gathered several business associates to discuss the idea of forming an organisation for local professionals.

On 23 February 1905, Harris, Gustavus Loeb, Sylvester Schiele and Hiram Shorey gathered at Loeb's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting.

"I was sure that there must be many other young men who had come from farms and small villages to establish themselves in Chicago... Why not bring them together? If others were longing for fellowship as I was, something would come of it."

In February 1907, Harris was elected the third president of the Rotary Club of Chicago, a position he held until the fall of 1908. Toward the end of his club presidency, Harris worked to expand Rotary beyond Chicago. Some club members resisted, not wanting to take on the additional financial burden. But Harris persisted and by 1910 Rotary had expanded to several other major U.S. cities.

Harris died on 27 January 1947 in Chicago at age 78 after a prolonged illness.

His death prompted an outpouring of contributions from around the world and his name continues to evoke the passion and support of Rotarians and friends of Rotary.

## ROTARY LEADERSHIP INSTITUTE - NEW COURSE

The Rotary Leadership Institute is a great way to fill gaps in Rotary knowledge with interactive learning and workshops that get down to practical advice and guidance. Going beyond PETS and District Assembly, RLI enthuses Rotarians and is a proven retention booster. I recommend it to all Rotarians, but especially Club leaders on the Board and Committee chairs.

A new Courses for 2018-19 is now open:

### **RLI 48 - Saturday 4 and 25 August 2018**

Register at [rli.rotarydistrict9685.org.au](http://rli.rotarydistrict9685.org.au)

The cost for the full course is \$75.

The benefits of doing RLI are many, so boost your knowledge and skills, and share your experience by joining in.

The two part course is held at our District Office, Thornleigh. Morning tea and lunch are provided. Each day starts at 8:00 for 8.15am and finishes around 4.00pm.

Here is what recent graduates had to say about the two day Rotary Leadership Institute Course;

Highly recommend RLI to all Rotarians whether new or old. The Rotary experience will be better for all of those trained in RLI.

Why did I wait so long? No nodding off, interest held all the time and thoughts provoked. As a result of attendance I will be more effective in my Club and I intend to invest more of my activities and talents in Rotary.

The better understanding of [course content] I hope will assist me with becoming a better President. I feel more confident that I will be able to plan the future of our Club and add additional value to Rotary.

Regards,  
Ian Scott

## ABOUT ROTARY

*Paul Harris*

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

## ***OBJECT OF ROTARY***

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ***ADVANCE AUSTRALIA FAIR***

Australians all, let us rejoice,  
For we are young and free,  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing  
Advance Australia Fair.
