Armstrong®

VINYL SHEET FLOORING

BLENDING STYLE, COMFORT AND FLEXIBILITY

CushionStep™ from Armstrong brings you a floor with beautiful style, easy care and durability. Warm and soft underfoot, CushionStep adds an unexpected level of comfort to your floor. And, with so many realistic designs and simple installation, you have the freedom to change your floor as easily as you change your mind.

SHOW YOUR STYLE

Three distinct collections – Stone, Impressions and Wood – give you dozens of choices, realistically rendered with authentic color, texture and detail. Choose looks from slate and stone to leather and exotic hardwood, and capture the perfect look for your room. A durable, easy-care urethane surface protects your floor from stains, fading and wear so it stays beautiful for years.

INDULGE IN COMFORT

Underneath its stunning surface, CushionStep™ offers something no other floor can: Armstrong's revolutionary CushionCore™ technology. This innovative backing makes CushionStep softer, quieter, and more comfortable. For the ultimate in comfort, our Best products feature extra-thick CushionCore High Density backing.

ENJOY THE FLEXIBILITY

With CushionStep, you have the freedom to change your décor whenever the mood strikes. Easy in, easy out loose-lay installation lets you remove and replace your floor whenever you like, making redecorating easier than ever. And CushionStep works beautifully in places that are off limits to other hard-surface flooring, including high-moisture spots like bathrooms, kitchens and basements.

CARE, PROTECTION AND INSTALLATION

FLOOR CARE PRODUCTS

The Armstrong® family of floor care products is designed to keep your Armstrong floor looking as beautiful as the day it was installed.

Ask your Armstrong flooring retailer about:

- Once 'n Done® Resilient & Ceramic Floor Cleaner
- New Beginning® Resilient Deep Cleaning Floor Stripper
- Satinkeeper® Resilient Floor Finish

For additional information about specific floor care products and where to purchase, please go to www.armstrong.com/floorcare.

FLOOR PROTECTORS

With Armstrong's residential floor protectors, chairs slide quietly and easily, and abrasion is reduced or eliminated. As a general rule of thumb, the heavier the item, the wider the floor protector should be.

INSTALLATION

Use acrylic double-face flooring tape for a modified loose-lay installation, or Armstrong S-288 Residential Flooring Adhesive for a traditional fully adhered installation.

Armstrong has been providing beautiful, long-lasting flooring for more than a century. Our name is known and trusted the world over for consistent quality, innovative designs and incredibly satisfied customers. Most important to today's shoppers, Armstrong has an exciting array of flooring for every home and every personality. We offer everything from vinyl sheet to laminate, from linoleum to ceramic, and from vinyl tile to hardwood. Let us help you find the perfect flooring that will turn your ideas into reality.
