New Drive-Thru Testing Sites Open

On Saturday a drive-thru testing site opened at the American Airlines Center. Today, an additional drive-thru testing site opened at the Ellis Davis Field House at 9191 S. Polk St. Both sites are open daily from 8 a.m. to 8 p.m.

Criteria for testing sites is as followed:

- Must be 65+ years-old; or
- Must be a first responder; or
- Must be a healthcare worker; or
- Must be a DART driver; AND
- Must show a temperature of 99.6 or higher

Anyone who does not meet the criteria above will not be tested at the testing sites and should contact their healthcare provider. If you believe you may have the virus, but you feel well enough to isolate at home, please do so. There simply are not enough tests to go around, and the CDC guidelines still prioritize high risk patients, medical workers, and first responders.
