ABOUT THE HOME BUILDERS ASSOCIATION OF THE SIOUX EMPIRE

There are more than 750 companies that make up the fabric of today's Home Builders Association of the Sioux Empire.

What binds the Association is a desire to improve the building industry through public relations, legislative activities and community involvement.

The association hosts the Sioux Empire Home Show™, Spring & Fall Parade of Homes™, Showcase of Remodeled

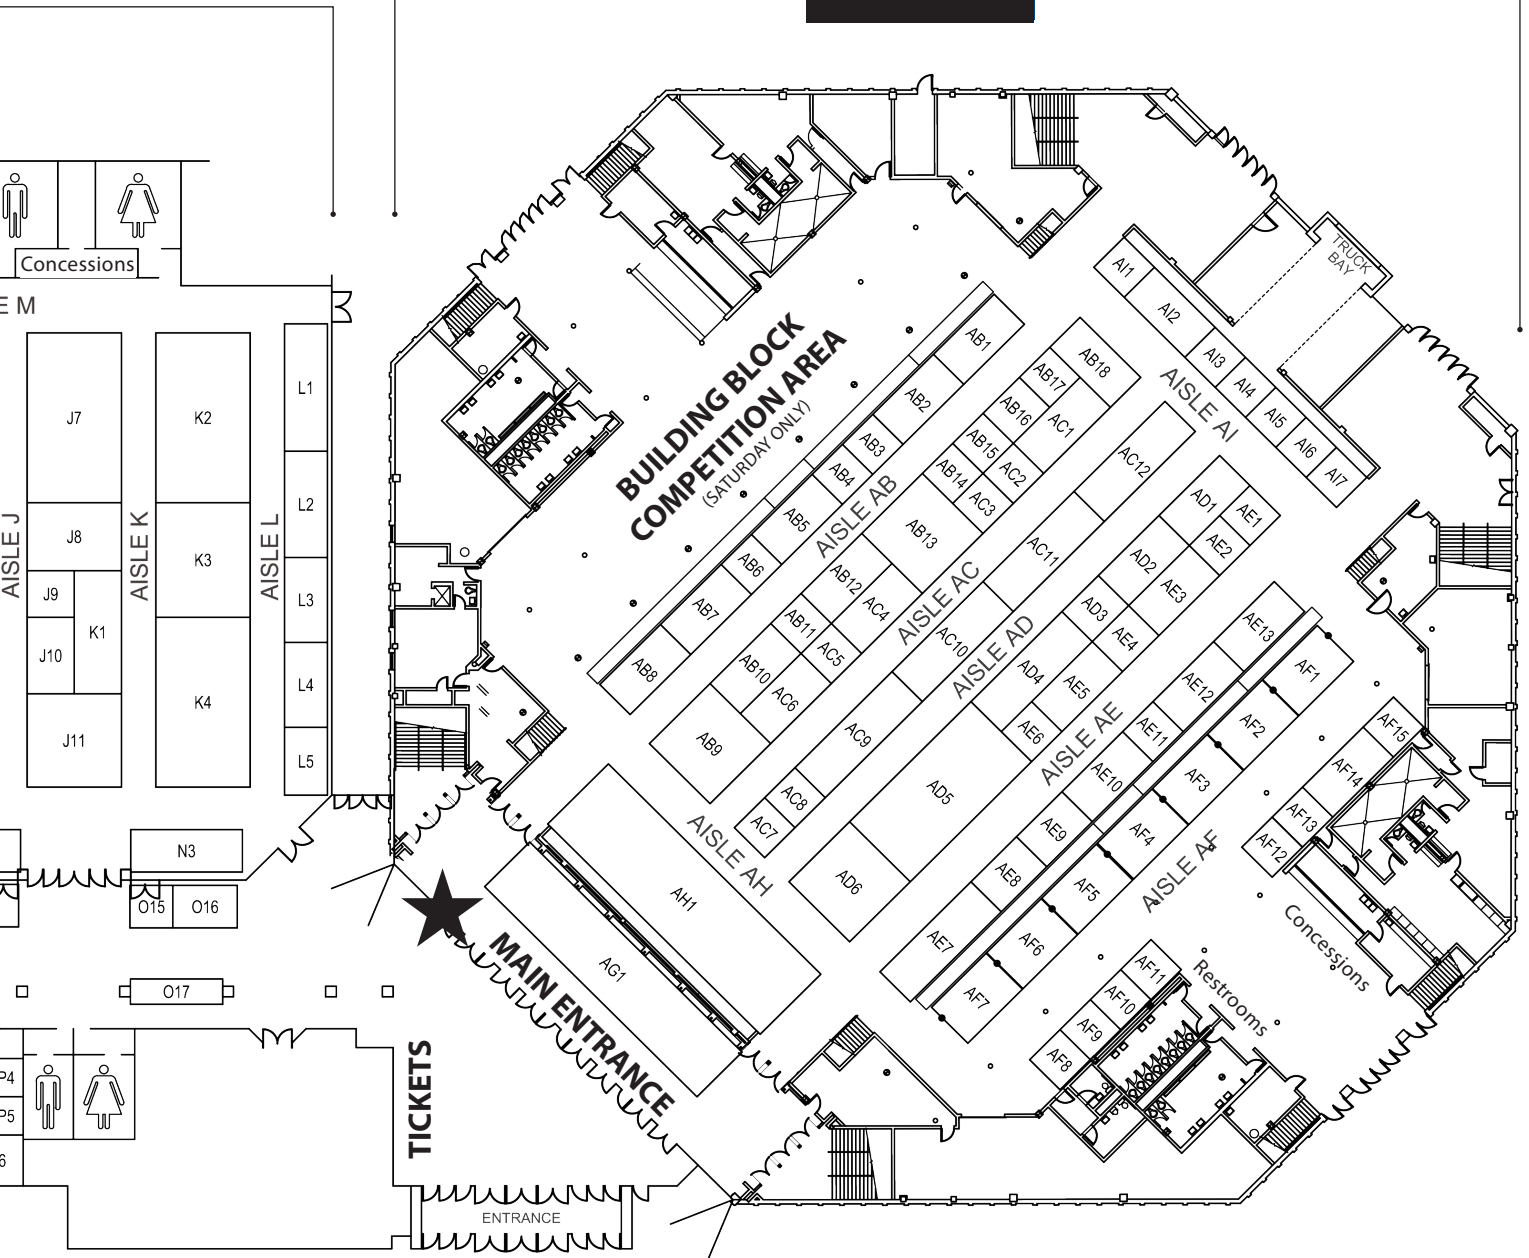

Homes™ and Outdoor Living Showcase™.

These events introduce consumers to products and trends in the construction industry.

Members of the association believe that it is important that the consumer is made aware of products, trends and building techniques that are going to affect or improve their present and/or future home.

ARENA

FREE TOOLBOX BUILDING STATION FOR KIDS SATURDAY & SUNDAY (NOON-4PM) • BOOTH O24

All kids are invited to build a wooden toolbox for free while supplies last (first 75 kids per day). Students from Mitchell Technical Institute and Southeast Tech will be on hand to help assist in building. Parents must be present.

Toolbox station presented by the Home Builders Association of the Sioux Empire

OVER 230 EXHIBITORS TO VISIT
