### INITIATIVE 42 VOTER GUIDE

We all know that turning over our schools and billions in taxpayer dollars to an unaccountable judge is bad for our kids, our economy and our state.

**But how do we defeat 42 at the ballot box?**

Voters will be presented with two questions on Initiative 42 and its legislative alternative, 42A. The first question can be best summarized as the **“do you want to amend the Constitution”** question:

VOTE FOR APPROVAL OF EITHER, OR AGAINST BOTH:  <input type="radio"/> FOR APPROVAL OF EITHER Initiative Measure No. 42 OR Alternative Measure No. 42 A <input checked="" type="radio"/> AGAINST BOTH Initiative Measure No. 42 AND Alternative Measure No. 42 A
--

The most likely way to defeat 42 is to vote against amending the Constitution by selecting **“AGAINST BOTH”** on this first question (as shown above).

The second question on the ballot will ask you to select a preference between Initiative 42 and the legislative alternative, 42A. **EVEN IF YOU VOTED “AGAINST BOTH,”** you can express a preference between 42 & 42A.

AND VOTE FOR ONE:  <input checked="" type="radio"/> FOR Initiative Measure No. 42 <input type="radio"/> FOR Alternative Measure No. 42 A
--

On this, select 42A. Think of it as a safety net—a second chance to beat 42 if we lose on the first question.

**THE SIMPLEST THING TO REMEMBER IS TO FILL IN THE BOTTOM BUBBLE ON BOTH THE FIRST & SECOND QUESTION TO DEFEAT 42.**

VOTE FOR APPROVAL OF EITHER, OR AGAINST BOTH:  <input checked="" type="radio"/> FOR APPROVAL OF EITHER Initiative Measure No. 42 OR Alternative Measure No. 42 A <input type="radio"/> AGAINST BOTH Initiative Measure No. 42 AND Alternative Measure No. 42 A
AND VOTE FOR ONE:  <input checked="" type="radio"/> FOR Initiative Measure No. 42 <input type="radio"/> FOR Alternative Measure No. 42 A
