A MESSAGE FROM MAYOR TENKE

With the warm weather upon us, I would like to highlight some of the amazing things going on in our community this summer. On Friday, July 2nd, we welcome back Downtown Sounds to Village Square. The first of the series of nine concerts brought to us by the Glen Cove Downtown Business Improvement District. The July 4th Children's Bicycle Parade is back this year, and we encourage all to bring their bicycles, scooters, wagons, or strollers for a patriotic ride through our downtown. That evening, Morgan Park Summer Music Festival is sponsoring a concert by Orchestra Long Island at our picturesque Morgan Memorial Park, followed by a grand finale fireworks show by Grucci. Beginning in July, the City of Glen Cove is proud to announce a new summer tradition of "Movies Under the Stars". Please visit www.glencoveny.gov for more details. If you are looking for some activities to enjoy with your family, beach volleyball is now available at Pryibil Beach and Morgan Memorial Park Beach for all to enjoy. Please be sure to check out the great menu and daily specials at Hooked & Battered at the Morgan Park Beach Concession Stand. Also, don't forget to stop by Deep Roots Farmers Market, located at Garvies Point, every Saturday from 9:00 a.m. to 1:00 p.m. The market offers fresh local produce, cheese, fish, baked goods, prepared foods and local crafts. Shop small businesses, buy local! I wish everyone a safe and enjoyable summer!

Volunteers Needed

You may have noticed a burst of pink tulips around our city this Spring. This was due to the effort of the Beautification Commission, Glen Cove C.A.R.E.S., and volunteers last fall, who planted 6,000 bulbs on city property. The Beautification Commission always welcomes volunteers to help with planting and cleanups within the city. For more information, please call **(516) 676-4402**.
