PALM BEACH STATE COLLEGE CURRICULUM COMMITTEE MINUTES

FEBRUARY 25, 2021 r1

1. Revised Courses - BSN

Effective: Fall 2021

Presenter: Dr. Louise Aurelien

Cluster Approved: 1/7/2021

Assigned Curriculum Reviewers: Carrie Thompson, Juliett Tracey

CC Discipline Representative: Dr. Nadine Sirota; Julia Steff

Justification: This revision is to ensure proper curriculum alignment and delivery for the BSN students regardless of the course sequence/track they choose (4 courses, 3 courses or 2 courses a semester) to complete the BSN program of study.

Current Course Number	Current Title	Proposed Changes
a. NUR3164	Nursing Research and Informatics	Change corequisites from: NUR3678, NUR4636C and NUR4827C with a grade of C or higher to NUR3125 and NUR 4827C with a grade of C or higher.
b. NUR3678	Nursing Care for The Geriatric Patient and other Vulnerable Populations	Change prerequisites from NUR3069, NUR3119 and NUR3825 with a grade of C or higher to NUR3069, NUR3119, NUR3825, NUR3125 with a grade of C or higher. Change corequisites from NUR3125 and NUR4827C to NUR 3164, NUR4636C, NUR4827C
c. NUR4827C	Leadership and Management in Professional Nursing	Change corequisites from NUR3125 and NUR3678 to NUR3125 and NUR3164.
d. NUR4847	Clinical Decision Making/ Critical Thinking	Change in corequisites from NUR3164 and NUR4636C to NUR3678 and NUR4636C

Approved by SCNS

Discussion: L. Aurelien and J. Tracey discussed pre and corequisites and the sequence and came to the conclusion that with the special designators assigned to the courses, the students stay within the assigned track.

J. Steff also asked how students stay on the indicated track instead of switching between 4, 3 and 2 courses per semester. L. Aurelien responded that there are special designators and it is submitted through the Registrar's Office.

C. Thompson noted that the in NUR4827C and NUR3678 the Course Learning outcomes are not necessarily measurable as number two begins with "Develop and understanding of" and number 3 begins with "Discuss" The same with CLO number four on NUR3678.

Data sources consulted: Curriculum Support Documents

Action: Motion to approve with revision of CLO's on NUR4827C and NUR3678 and revised justification: J. Steff; 2nd A. Mullenax; Approved 82%; Abstain 18%; Motion passes.

C. ASSOCIATE IN SCIENCE (A.S.)

EDUCATION

1. Revised Course - EDG 1315 Education Practicum 2

Effective: Fall 2021

Presenter: Susan Caldwell - **ABSENT**

Cluster Approved: 1/8/2021

Assigned Curriculum Reviewers: Eligio Marquez, Nadine Sirota

Programs Affected: AS2358

CC Representative: Angela Adame-Smith

Justification: These prerequisite courses had been required at one time for EDG 1315 but were eliminated in error when eliminating other prerequisites—courses which no longer existed. These four prerequisite courses are part of the Childcare Center Management CCC and contain the content required to be successful in EDG 1315 which is taken by students who complete the Childcare Center Management CCC.

The reason for the change in the course description is to remove the reference to the 8-week term in which the course is offered—as this is inappropriate for the course description AND the course is now being offered in a 15-week term. Also, this action changes 225 to 240 hours in the

PALM BEACH STATE COLLEGE CURRICULUM COMMITTEE MINUTES

FEBRUARY 25, 2021 r1

course description as the hours under “lab” in the course outline and in PantherNet are shown as 240. This will also keep it consistent with EDG 1314 which is 240 hours as well.

Current Course Number	Current Title	Proposed Changes
a. EDG1315	Education Practicum 2	Change in course description; course prerequisites from none to EEC1523, EEC2002, EEC2202 and EEC2521 ; change in contact hours from 225 to 240 . Correct PLO #5: Develop and maintain anecdotal records for three children for the course of the semester -- minimum 2 entries per child per week.

Approved by SCNS

Discussion: The Curriculum Committee reviewed the revision. Neither **E. Marquez** nor **N. Sirota** had any issues with the curriculum action. It was reviewed in advance by Academic Services.

Data sources consulted: Curriculum Support Documents

Action: Motion to approve: J. Johnson; 2nd A. Adame-Smith; Approved 87%, Abstain 13%; **Motion passes.**

PROGRAM LEARNING OUTCOMES

	New, Replace or Edit Measures	PLOs	Target Measures

PALM BEACH STATE COLLEGE CURRICULUM COMMITTEE MINUTES

FEBRUARY 25, 2021 r1

1.	Replace	Synthesize and apply clinical skills and knowledge. Understand and identify the importance of professional ethics in a dental environment.	Measure 1.1: Mock Dental Assisting National Board (DANB) exams at the beginning and end of DEA0850 (2 nd 8-week spring term) Target 1.1.: All students will demonstrate improved scores on second exam at the end of the course. Measure 1.2: Dental Assisting National Board (DANB) certification exam. Target: 1.2: 85% of the students who take the DANB certification exam will pass all three components on the first attempt.
2.	Replace	Demonstrate proper procedure and protocol required for the care and treatment of patients. (General Chairside) Adhere to state and federal laws, recommendations and regulations in the provision of dental assisting care	Measure 2.1: General Chairside component of the Dental Assisting National Board (DANB) Target 2.1: 85% of the students will meet or exceed the national average on the General Chairside component of the DANB certification exam on the first attempt.
3.	Replace	Evaluate and utilize methods to ensure the health and safety of patients, clients, operators, faculty, and related staff in delivery of oral health care (Infection Control) Advance the profession through service activities and affiliations with professional organizations.	Measure 3.1: Infection Control component of the Dental Assisting National Board (DANB) Target 3.1: 85% of the students will meet or exceed the national average on the Infection Control component of the DANB certification exam on the first attempt. Measure 3.2: Students will practice industry-specific safety measures in the delivery of oral health care. Target 3.2: 85% of the students will meet or exceed clinical scores.
4.	Replace	Adhere to state and federal laws, regulations, and safety factors regarding the utilization of ionized radiation (Radiology) Promote the values of oral and general health and wellness to the public and organization within and outside the profession.	Measure 4.1: Radiology Component of Dental Assisting National Board (DANB) certification exam Target 4.1: 85% of the students will meet or exceed the national average on the Radiology Component of the DANB certification exam on the first attempt.
5.	Delete	Evaluate factors that can be used to promote patient/client adherence to disease prevention and/or health maintenance strategies	
6.	Delete		
7.	Delete	Collect, maintains, and organizes data in a dental environment	

PALM BEACH STATE COLLEGE CURRICULUM COMMITTEE MINUTES

FEBRUARY 25, 2021 r1

8.	Delete	Understand and utilize proper procedures and protocol for patient safety risk factors by demonstrating knowledge and understanding of medical/dental social histories	
9.	Delete	Demonstrate the ability to handle multi-tasks simultaneously and to operate in a logical, sequential, and orderly manner	
10.	Delete	The program graduate will pass the state of board licensure/certification exam.	

Discussion: Revised LO’s from 10 to 4 and linked to Dental Assisting National Board where it was used as a guide.

T. Sellars asked what the rationale was behind putting the 85% of students will pass Boards. **C. Bradshaw** responded that **K.Pain** recommended that number. **C. White** added, that 85% is pretty standard measure of assessment. **J. Sivigny** asked if it is in alignment with the accrediting body requirements and benchmarks. **J. Steff** asked about target 1.1 as it indicates “All students will demonstrate improved scores on second exam at the end of the course.”, so that is 100% of students. **C. White** clarified that 1.1 is indicating that 100% of students will improve their scores from the first exam to the second exam.

Data sources consulted: Curriculum Support Documents

Action: Motion to approve: E. Marquez; 2nd N. Sirota; 93% Approved, Abstain 7%, **Motion Passes.**

UPDATE:

SACSCOC Reaffirmation – V. Albertini

V. MOTION TO DISMISS ADMINISTRATIVE MEMBERS AND GUESTS

Discussion: NA

Action: Motion to dismiss: J. Johnson; 2nd C. Alexandre; Approve 86%; Abstain 14%; **Motion passes.**

VI. CURRICULUM COMMITTEE BUSINESS

A. Follow-Up – Attendance and Proxys – Juliett Tracey and Trineshia Sellars

Discussion: Information was sent out to the committee to review and report back. **T. Sellars** reported suggestions to the committee regarding absence policies and proxies/alternates. **J. Steff** indicated that there was a lot of overlapping information. **J. Sivigny** responded that the report

PALM BEACH STATE COLLEGE CURRICULUM COMMITTEE MINUTES

FEBRUARY 25, 2021 r1

was a collection of best practices from many institutions, so there was overlap. We have to pick what will best fit our institution. We do not have anything in writing about how to handle absences. **C. Alexandre** stated that for our situation, three absences, is excessive as we only meet 6-7 times per year. *Two absences* without notice to the Chair or Curriculum Coordinator were proposed and discussed. *Alternate pools* were discussed with the idea of members rotating off the committee or members who had previously served on the committee be available to fill-in for members as an alternate. Proxies/alternates: create an alternate pool to serve to provide proxies or replacements for committee members who can no longer fulfill their duties

Action: Number of absences – 2 per academic year without notice to Chair or Curriculum Coordinator; Approved 90%; Abstain 10%; Motion passes.

Action: Draft language for approval at next meeting

B. Committee Membership – Trineshia Sellars

Discussion: Committee discussed what the downside would be. Found none. Decided having an odd number of members is better than having an even number of members. The representation of the committee for the college would be better represented if we were to add an additional member.

Action: Motion to approve N. Sirota; 2nd T. Sellars; passed unanimously.

C. SACSCOC Substantive Change Procedures and Policies – Julie Sivigny

Discussion:

Action: Tabled until next meeting. Meeting time 5:02pm.

VII. MOTION TO ADJOURN

Discussion: Add annual report and meeting minutes template from Cyndie to next agenda.

Action: Unanimously approved.

Curriculum Development Session immediately following adjournment if time permits.
