Significance of Panchanga Sravana

It is customary to take part in Panchanga Sravanam.

Panchanga includes five elements of time, namely: Tithi, Vaara, Nakshatra, Yoga and Karana (half-tithi).

Tithi tell us about wealth.

Vaara tells us about life.

Nakshatra gives us deliverance from sins.

Yoga helps us in eradicating disease,

Karana tells us about good omens.

Panchanga Sravanam gives benefits equal to that of donating land, gold, cattle, grain, daughter (Kanya daanam) and bestows peace and prosperity for the upcoming year.

Predictions USA

There are two beliefs for USA's sign, one believes Mithuna, whereas others like Dr. K.N.Rao believes it is simha.

Per Mithuna Saturn transiting 8th house and per Simha lagna Saturn transiting 6th house. Death among elderly people, as well as important personality, agitation in labor and working class, state loans and increase epidemic.

Per simha lagna current dasa is Rahu and it will end in oct 2036.

Predictions USA

Rahu dasa will start. Rahu is placed in the 12th house (Simha lagna chart). Rahu in the 12th house brings chaos, war, epidemics, typhoons, more death, foreign spies and terrorists flourish. This clearly means tug of war between two major political parties, no matter who will be in power.

The country needs to do more to stop spies and terrorists, make health care more affordable. USA's foreign intervention will increase due to Rahu's placement in the 12th house.

Predictions USA

The king Mars is in lagna

Varsha pravesha lord Saturn is also in Lagna

In Jagat lagna in the 8th house.

- Thieves will be active, strikes, accidents, murders, anarchy will happen.
- Distress, discontentment, loss of work.
- Epidemic.

Predictions USA

Death of army or military personals, deaths by fire, accidents, crime.

Notables in Iron and Steel industry need to be more careful.

Mining accidents possible.

Predictions USA

Deaths to people in legal, religious, banks, magistrates, and financiers.

Certain deaths are due to explosions, and mysterious deaths.

Gain in Trade and commerce, also gain through foreign trade mainly due to IT and arms.

Trouble in area of communications, rail, transport

Predictions USA

Some writers will have disrepute,

There may be strike in postal or rail, discontent among railway, telephones, postal, communications.

Government related contracts will be lucrative in above mentioned fields.

New advancements in telecom, new railway lines will be approved.

Predictions USA

Good for higher
education
institutes

Nation's assets will
increase

Good for farmers

Earthquakes in
some areas

Bad for property
market, it will
improve later.

Things will improve
after May in
property market

Predictions USA

Losses for entertainment industries

Foreign stocks will do well in later part of the year

Death of noted artist

Some long term investment stocks may take a dip but improve over long period of time.

Predictions USA

Accidents in Military installations, especially Navy related accidents.

Foreign spies will increase.

Heavy machinery industry will suffer.

Viral diseases will increase

Expenditure on armed forces will increase.

Working class will suffer to some extent

Predictions USA

Country may involve in war outside.

Dealings with China would be tough.

Crime against women will increase

Alliances with foreign countries will not be that great in the beginning part of the year till October.

However more communication is required in foreign affairs.

Predictions USA

Notable people in Iron and Steel and those connected to fire will have accidents.

Death of people in religious, bankers, and legal fraternity.

Natural resources will help nation in treasury, wealth etc.

There may be accident in communication infrastructure or some big research and success possible.

Predictions USA

Inventions will bring money to nation

Boeing and other USA Aviation companies will gain good business. However they need to be proactive about certain things.

Foreign diplomacy will revolve around trade

Foreign stocks investment will bring money.

Predictions USA

Lord of 4th house – Opposition is debilitated in 10th house and in Navamansha in 8th house in Jagat lagna.

In the Tula sankramana chart the 4th lord mercury is with lunation in the 5th house.

This year's presidential election will be competitive and there will be tough fight for the most coveted office.

Predictions USA

President Trump is in Jupiter mahadasa and Saturn Antara.
Saturn is 7th and 8th Lord in lagna with 11th lord venus,
weak with 0 degrees.

Saturn transiting through his 7th house from lagna and the 3rd
house from Moon.

However venus being 11th and 4th lord, and Saturn being 7th and
8th lord, and at present writing of this we don't have exact name of
democrat's presidential candidate so hard to predict but it seems
like opposition will have a tough time to win this battle.

Predictions USA

The 10th lord is in the 8th house in Jagat lagna and in Varsha lagna in the 4th house, so till October it will appear that opposition will have upper hand.

In the Lunation chart of October 2020, The 10th house energy is being deposited in the 8th house and the 8th house energy is being deposited in 9th house and 9th house energy being deposited in the 10th house. This circle of energy will help the current President after October 2020.

Predictions USA

The Tula ingress chart 10th lord Jupiter is in the 7th house, in own sign, however in the papa-kartari so this won't be easy election to win for Mr.President.

The Rahu will be transiting over his Janma Rahu in 11th house, so transit may favor him, with Jupiter transiting 2nd position from moon, Saturn transiting 3rd position from moon. President's mental outlook will be positive.

Predictions USA

The sun in 11th house in jagat lagna will bring gainful agreements with foreign countries.

The sun will also help rulers to achieve smooth relations with states.

USA ambassadors will get good name.

There may be a plot to assassinate top leader (after October 2020).

Predictions USA

Good for Charities,
reforms for Hospitals
and Prisons.

Religious people may
suffer.

High dignitaries or well
placed people will
suffer.

Some ambassadors will
be involved in
subversive activities.

Rashiphalam Mesha / Aries

- The Jupiter was helping you from beginning of year for increased income and protecting you from unexpected things will move into 10th house till June 29th this will cause struggle at work, you may think your position in jeopardy during this period. You will get some extra energy for your career. But arguments with your boss or a parent, because you are taking orders makes you more irritated at this time, this may cause you feel losing position. It would be better to ignore any enemies but at the same time stay alert and away from any weaponry. You are likely to get involved in bad company during this time, which could backfire. Some financial struggles would also persist. But After May 5th till June 19 is good period, you'll have more income opportunities but due to jupiter's transit take advises from seniors seriously.

Rashiphalam Mesha / Aries

- After June 19th till June end you may undergo some surgery, hospitalization, unseen expenses, After June 29th your Jupiter will be retrograde back into Dhanush, if you avoid being lazy this time can bring some good results till Nov 20th. During August 17th -- keep tabs on your expenditure, work hard, avoid enemies. From august 17 till October 5 -- will cause some unwanted expenses. Health-wise, you'll have some fever or blood related ailments. ups and downs could also be there in career. Your relationship with mother may not be as cordial either during this time. But after that till end of December you'll have increased expenditure. The Saturn remains in your 10th house from January 26th will add struggle in work during whole year, increased difference with spouse, but if you pay attention to your work this will help you to overcome troubles.

Rashiphalam Vrishabha / Taurus

- Saturn in your 9th house from January 26th, this will cause health trouble to your father, some gains will be delayed, differences with siblings, you'll have tiresome long-distance travel, spiritual path meditation is advised. The year begins with difference with your spouse and partners, you need to keep cool, increased mental distress, family feuds will be increased. After March 23rd you'll have some roadblocks in your way to success but thanks to Jupiter will help you overcome them with help of right advise at the right time. You'll have some arguments with your teachers, father, or some father like figure, try to avoid it, avoid confrontation with them.

Rashiphalam Vrishabha / Taurus

- After May 5th try to be less aggressive with everyone, especially work-related places. This is the time for some self-restrictions temper and avoid entering in fights. Pay attention to health. After June 19 this is good time for success but it will require extra efforts, more efforts and being diligent will help you become successful. Some sudden issue in business will crop up. Try to be careful in litigation matters too. After August 17th you need to be very careful about health, sleep disorders will increase, stomach related issue, hospitalization can occur, you may travel abroad but results may not be satisfactory as you would expect. After October 5 things will slowly turn into your favors and more positive results after November 20th. Just keep working hard and take things slowly don't rush into things and into decisions.

Rashiphalam Mithuna / Gemini

- Shani transiting in your 8th house from January 26th, this will have an effect throughout the year, in the areas of health – surgery or hospitalization could come for some. Lower back troubles. Social Support – not much support from friends, conflicts could arise, Work – Minor hiccups, try to work harder. From the beginning of the year you'll have good time, success over enemies. Judgement of court case in your favor. Try to file your taxes early to get benefits. After March 23rd you really need to pay attention to your health, piles, colon health, stomach problems. Drive safely. Don't borrow money till May 5th. After May 5th you'll have some legal issues but nothing that can be sorted out easily.

Rashiphalam Mithuna / Gemini

- You'll feel less energetic, Your work life requires you to work hard to maintain your position and image in front of senior, so stop browsing social network at work and pay attention to work. Your father may undergo some health-related issues. After June 19th try to avoid bad company of friends else it could backfire, don't be aggressive with your seniors, However if you follow right advise from someone after June 30th then things will be better in your favor if you follow senior's advises, just don't rush into things and decisions. Things will be better after August 17th but after November 20th some change in higher management could effect you or your position, hence pay attention to your work from beginning. Also After September 22nd Rahu will give you mental stress.

Rashiphalam Karka / Cancer

- Shani remains in your 7th house from January 26th. This will cause trouble with your co-workers, partners, boring tiresome long travels. Just develop good listening abilities to sail through. Beginning of year things will be good, It will be in your favor, but work hard to keep more profits, you can take loan during this period, This is a good time to participate in some competition and win challenges. From May 29th your relationship with spouse will require some work as there will be conflicts but nothing that can be handled properly. You'll have differences at work with co-workers and partners, but this can be solved easily. This is medium period, you'll have growth but restricted with some troubles, if your communication skills are good and you don't be aggressive things will be better for you.

Rashiphalam Karka / Cancer

- From June 19th careful about your health, drive safely, avoid taking loans. Blood and bones related issues, avoid any addictions if you have. After August 17th you'll experience struggles, road-blocks, obstacles at work. You need to listen to what your seniors say, work harder to maintain your image and position at work. After October 5th avoid bad companies and influence to maintain your reputation and image. Avoid confrontation with your seniors and mother, if you are a manager avoid micro-managing. Government contractors need to pay more attentions to the contracts and work quality. Overall pay more attention to work till year end. Listen to others and things will be slightly better, work hard during year end from October onwards.

Rashiphalam Simha / Leo

- Shani remains in your 6th house from January 26th onwards so you'll have success over enemy, financial gain, good health. Jupiter in your 6th house from March 29th till June 29th. Things you need to be careful during this period (March 29th till June 29th) is eat well, reduce expenditures, avoid taking debts, avoid heated opinionated discussions with coworkers and employees. You should also be careful of theft. Competitors may try to affect you adversely during this time. It would be better to stay away from any shady activities & arguments as some legal issues could crop up.
- After March 23rd combination of Mars and Jupiter it is the medium time frame, you'll tend to be come harsh with your enemies but don't engage into heated debates, just engage in fruitful discussions and you'll be fine. After May 5, you'll need to be more polite and listen to others. Your spouse may undergo some surgery, your business partners may betray you. Be careful about problems related to your eyes, stomach and chest. After June 19th avoid lending or borrowing money, take care of your health, expenses will increase, drive safely. Avoid using sharp objects or use it with extreme caution.

Rashiphalam Simha / Leo

- You can take a pleasure travel with family and this could be rewarding. After August 17, Father's health needs special attention, don't engage into heated debates with your father or father figure or a teacher. You'll experience roadblocks but if you listen to some guru or senior person, you'll be fine. After October 5th till year end take a pleasure trip, avoid negligence at work, be proactive and be a good listener, these things will help you to sail through the year. Although Shani is favorable to you, but it can reward you only if you work hard and proactively not reactively.

Rashiphalam Kanya / Virgo

- Shani transiting over your 5th house from January 26th. You start experiencing issues with spouse and business partner, but this can be handled being a good listener. This year may not be good for children. If you are in love, you'll have rough times. Avoid any investment or speculation in stock market. Students should also work hard. However, some relief you'll have between March 29th and June 29th. After March 23rd medium time frame, but still need to pay attention to your children and their health, still avoid speculation. After May 5 things will be fine, major relief, you'll have temporary success all over, health benefits, recognition, victory over enemies.

Rashiphalam Kanya / Virgo

- After June 19, you need to pay more attention to your health stomach troubles etc can cause issues. Try to work nicely with your spouse and business partners. After August 17th, avoid taking loans or giving loans to others, Higher expenditure, work proactively, drive carefully, you should work out and be physically active during this time frame. After October 5th till year end, you again work nicely with your partner, co-workers and spouse. You may have some family issues during this time, some travels also indicated, However, after November 20th Guru maharaj will bestow blessing to sail through year end.

Rashiphalam Tula / Libra

- Shani Maharaj will be in your 4th house from January 25th, you'll be paying more attention to your mother's health if you are planning to buy a property try to avoid unless it is a very good deal and for staying purposes rather than for short term gain. Litigation issues may also crop up during this time, you'll need to pay more attention to work proactively otherwise you may not be successful at work. This is the period to be patient. This year upto March 29 and After November 20th there is a good chance to have a transfer at work or home, change of job or home is indicated.
- From March 23rd careful about your mother's health as well as your own since you could be susceptible to fever, stomach pain, blood related issues. Avoid engaging in property issues. Try avoid being harsh and rude. After May 5th, you'll worry about child front, long term investment, avoid investments into speculations or short-term gain, you may need to work hard on children education Change dietary habits.

Rashiphalam Tula / Libra

- After June 19th, you'll again ride on success, health issues will be resolved, if you are planning to adopt a child you will be able to do it, business gain, increased income. After August 17th, you'll make some travel plans but make sure not to fight with your spouse or business partner, or co-worker, pay attention to what you eat, avoid eating spicy fried food. Little fall in income, eye surgery or stomach surgery possible. After October 5th again you'll succeed and enjoy rewards till end of the year.

Rashiphalam Vrischika / Scorpio

- This year Shani transits in your 3rd house from January 26th, giving you financial gain in terms of long standing issues, property, court cases. Your sade sati is over now. You may start a new business or job. Enemies struggle to bring harm to you. However between March 29th till June 29th you'll feel there is slowness around you, you may have some trouble with your employer/manager. You'll make religious trips. After March 23rd, your health will improve, you'll have success all over, you may move into new house, change of job will bring good results, your family coordination will increase, you'll be proud of your children's achievements. After May 5th your enemies who didn't succeed before will be successful, avoid making some comments on social networks else it will bring down also no matter what good or bad opinion you have on the issue. Work hard and be proactive, avoid dealing in property matters for now. Drive safely, vehicle accidents possible.

Rashiphalam Vrischika / Scorpio

- After June 19th avoid any speculations and/or short time investment, however your stock investments will make you worry but it will be for short time, don't try to do fire sell else you'll lose a lot. Improve your eating habits. Your relationship with children may also suffer. After August 17th, you'll have good results in your investment, your enemies will not be successful, you can borrow money this is the good time, you'll hear good news about any court cases. You'll have promotion and will increase your reputation and image. After October 5th, you will need to stop worry about stock market investments, watch out eating habits, and your children health will worry you. Overall shani maharaj will try to protect you if you work hard proactively.

Rashiphalam Dhanush / Sagittarius

- You will be in the last phase of your sadesati after January 26th. Your mind will keep wandering and be careful in your relationship with spouse.
