OCTOBER & NOVEMBER 2019

MIDDLETON, NORTH RUNCTON & EAST WINCH

## PARISH NEWS DISTRIBUTORS NEEDED IN MIDDLETON

The Parish News is delivered free to households by a dedicated group of volunteers, many of whom have performed this service to our community over a long period. Inevitably, there comes a time when they are no longer able to continue and new recruits are needed.

This is such a time and your support would be much appreciated to help sustain the Parish News as a viable community newsletter.

There are currently two routes without distributors. One covers the **Hall Orchards** area distributing 42 copies, although it would be possible to split this into two routes if we could find two volunteers. The other covers **Walter Howes Crescent** distributing 34 copies.

We also expect soon to lose the services of a distributor covering the **Hill Road** area with a circulation of 80 copies. Again, if there were two or more volunteers from that area the duties could be shared.

If you live in these areas of the village and would be willing give an hour or so six times a year to distribute the Parish News to your neighbours, please call Gill Boon on 01553 840320 for more details. Please help if you can.

## HELP - PLEASE! NORFOLK CHURCHES GUIDE BOOKS

A few weeks ago, Ken Matthews, Churchwarden at All Saints' North Runcton, was delighted to find, in a carrier bag on his front doorstep, three wonderful guide books on Norfolk Churches.

Having asked many folk if they have any idea who the kind person is who left the books, Ken has yet to find him or her so he can thank them for the loan or gift of the books.

If you are that kind person, please will you phone Ken on 01553 842265.

## WEST WINCH BOWLS CLUB

Sadly, our bowling season ended when the Albert Victor players played their last game at Runcton Holme on the 6th September. However, we finished on a high, beating them 6-2. Not all of the final league positions have been received, hopefully these will be available in the next edition of your parish magazine.

The end of season Roll Up and Fish 'n Chip supper took place on Saturday 7th September. Club chairman David Bull welcomed members to the event, and the President Ken Manning arranged the bowling protocols.

Thirty ends were played over 5 rinks in teams of two bowling 3 woods each. A well deserved break was taken at the half way stage when members enjoyed tea and biscuits served by Wendy Bull and Janet Nunn.

After the fish supper, Ken and David presented the prizes to the winners of the annual cup Singles competition. The winner was David Bull

and Runner Up was Bryan Parker. The winners of the afternoon Roll Up, obtaining the highest score was Jim Grant and Arthur Massingham.

A special prize, slightly less in stature, was awarded to Geoff Nunn and Sandra Allen! Wendy Bull organised the raffle whose proceeds were for club funds; she also kindly donated the prize of a basket containing four bottles of wine. The lucky winner was Arthur Massingham.

Our next event will be the Annual General Meeting which will take place in the club pavilion on **Monday 7th October** commencing at 7.45pm.

Members, prospective members and anyone interested in bowls or joining our club are warmly invited to attend. A list is on the club notice board for any member wishing to be nominated to serve on the committee. During this meeting, plans put forward by the committee will be up for discussion by the membership.

The club annual dinner will be held at The Heron, Stowbridge on **Friday 25th October, 7 for 7.30pm**. Social Secretary, Wendy Bull will have menus available at the AGM and is already taking bookings.

# Middleton Parish Council Chairman's Report

By Mick Porter

The Parish Council (PC) has agreed to proceed with a defibrillator, the funding for its purchase is being arranged. The PC has agreed to fund the installation costs and as previously stated, the defibrillator will be installed at the Village Hall.

The PC have been informed that the defibrillator at the Golf Club would also be available to the general public.

The PC agreed to the cost of the Risk Assessment for this year but will be looking at alternative ways of carrying out these assessments.

As in previous years the PC will purchase a wreath for Remembrance Day. Councillor R Smith will attend the ceremony on behalf of the PC.

The PC considered the letter from Highways England which asked if the PC could suggest any improvements to the A47 between Pentney and the Hardwick Roundabout. Apart from duelling the road, the only practical suggestion was to install LED lighting, this would improve the lighting and cast less shadows.

It was agreed the PC would support a garage/yard sale next year if there was sufficient interest. Anyone who would be interested in taking part is asked to contact the Parish Clerk by email to:  
middletonparishcouncil14@gmail.com.

The PC discussed setting up a Facebook page for the PC, this would give up-to-date information and give parishioners a chance to have their say. It was agreed to investigate the possibility of going ahead with the Facebook or a similar system.

The PC was formally informed of the resignation of Councillor Trevor Hewitt and thereby creating a vacancy on the PC. Any person interested should contact the Parish Clerk on the email address above.

It was agreed to move the planters from the playing field to other locations within the Parish. The reason being that on previous occasions when the planters had been planted up the plants have been removed. It is hoped that in their new locations the planters will not be vandalized.

Several parishioners have complained to the PC about the amount of straw being deposited on the roads and pavements in the Parish, unfortunately the PC have no powers to enforce the clean up.

## CAMEO CAFE CLOSSES

After 10 years of bringing local people together, the Cameo Cafe is now closed.

The cafe's name reflected its purpose: "Come And Meet Each Other" and the first session was in May 2009.

It was started by members of the Mothers' Union to provide a meeting point for villagers especially young mums who might feel isolated at home with young children. It was hoped that they might call into the cafe for a drink and a chat before collecting children from school. At first they struggled to meet the cost of hiring the hall but the MU diocesan office gave a start up grant which was repaid in 2017.

In August 2010 we started to share the session with the short mat bowlers and donations from the bowling club paid half of the rent. At this time visitors numbered between 15 and 20 not including the bowlers.

Over the years many of our regular visitors moved to live with family or sheltered accommodation and we all became more frail. Numbers of helpers and visitors dwindled. We are most grateful for all the help we have had most especially from Eileen Howell who has faithfully baked every month for the cafe. Over the last year or so the bowlers have paid all the rent for the hall and without this help the CAMEO cafe would have closed long ago. Thanks to our regular helpers Hilary Hickman, Carol Knights and Beryl Roberts and Jean Wright.

# East Winch Parish Council Meeting 2nd September

By Nell Steele

This meeting was attended by representatives of Friends of East Winch and West Bilney, a group fundraising to buy updated play equipment for the Town Close playground. They wanted to know whether the Council would help with funding. The chairman said that she thought it likely the council would try to help if there was a shortfall, but it depended on other circumstances too, and at present no firm assurances could be given.

The meeting was attended by Borough Councillor Colin Manning, who informed us that the new Chief Executive of the council is Lorraine Gore.

Speedwatch volunteers are awaiting a training date.

The go-ahead was given to purchase and install the case for the defibrillator which is being bought by the RSPCA. The heated box has since been installed on the outside of the Village Hall, and it was agreed that training sessions would be arranged there in the afternoon or evening.

The Parish Clerk had been sent a consultation about paths for cyclists, horse riders and walkers along the A47 from Pentney to the Hardwick roundabout. Comments to be returned to Highways England include the need for a continuous footpath along the A47 in Bilney; that on the north side of the road in East Winch the footpath should be continuous or at least one should run from Burman Mews to Gayton Rd; that the footpath on the south side should be improved and extended the short distance to the Blackborough Road; and that a path was needed from the bridleway which comes out onto the A47 opposite the reservoir into Middleton.

Councillors complained that a right of way was blocked at the old garage in Bilney and that the people working there had shown no inclination to restore it. The clerk informed NCC and a representative from them visited and was

assured it would be restored. The removal of the hedge at the entrance to the path seems to be something we have no power to remedy.

# Trinity Rotary Club King's Lynn Giving Shelter When Disaster Strikes

Rotary

Club of King's Lynn Trinity

Each year, the Trinity Rotary Club of King's Lynn have raised funds for the charity Shelterbox to buy boxes to be sent out to areas devastated by natural disasters.

Earlier this year, volunteers for Trinity carried out a collection at the Asda store at South Wootton. Over two days, the generosity of local people raised nearly £1,000 which, with a small top-up from Trinity funds, was enough to purchase two boxes.

So what are Shelter boxes? ShelterBox delivers the essentials people need to begin rebuilding their lives. Each box is tailored to a disaster but typically contains:

- A relief tent for a family
- Thermal blankets and groundsheets
- Water storage and purification equipment
- Solar lamps
- Cooking utensils
- A basic tool kit
- Children's activity pack.

In one recent example, ShelterBox helped Enoch and Mary who live on a homestead in the village of Kadewere in the Zomba district of Malawi with their four children. Enoch is totally blind and just before Christmas, torrential rains and devastating gales destroyed their house. All of their precious belongings were lost. They were left to sleep in the remains of the house, with no protection from the elements.

Mary had to leave Enoch and the children and brave a long, frightening journey alone to find help from the nearest emergency camp. Many miles and hours later she arrived and came across a ShelterBox team. They took Mary home to her village, helped to put up a tent and gave the family a ShelterBox. From warm blankets and a cooking set to solar lights and a tool kit, it contained everything they needed to

survive. Not just survive, but to start picking up the threads of daily life, to start looking to the future.

Trinity Rotary Club will continue with their annual collections for Shelterbox, but would welcome any contributions for readers of the Parish News.

If you would like to contribute, please contact Malcolm Wood on 07710 762588 or by email at [malcolmwood1945@gmail.com](mailto:malcolmwood1945@gmail.com). Further information about the charity Shelterbox is available on their website [www.shelterbox.org](http://www.shelterbox.org).

We meet every 3rd Tuesday of the month from **2pm - 4pm at Leziate Village Hall** and welcome guests and new members.

At our meetings we have guest speakers who inform and entertain us on a variety of interesting topics. We also have social activities such as games, quizzes, competitions and lunch outings.

At our last meeting we listened to Charlie Cushing relating the history of Thursford and how his grandfather, George, founded the family run enterprise when he developed his childhood fascination of steam engines and bought a roller to set up his own sub-contracting business. Over the years redundant steam engines were brought and restored and eventually a series of old farm sheds housed the Thursford collection for enthusiasts to view. The CEO of the collection today, is John Cushing, George's son, and includes a Mighty Wurlitzer and fairground attractions. Apart from The Collection Thursford attracts over 130,000 people to its annual Christmas Spectacular with John being the Director and Producer. Attractions also include Santa's Magical Journey leading to Santa's Grotto and The Thursford Garden Pavilion, a venue for weddings and other special occasions.

Refreshments were then served by Roz, Ady and Val. Members had provided a variety of over 100 buns to earmark the Federation's centenary year.

The competition for an item beginning with Q was won by Lin for her quilt.

Members' prizes were presented to Margarita, Anne & Ady.

We held our Harvest Tea in September. As well as recognising 100years of Norfolk Federation we celebrated the centenary of our member, Betty. A very special milestone.

Future events:

**15th October** – Tricia McCarron – 'Famous Historical Crimes in King's Lynn'

**19th November** – Annual Meeting

For further information or if you like to join our friendly and informal group for future meetings please phone Ali on 01553 841267.

## AUTUMN EVENTS

Now that the students have returned to school or college and parents take a well-earned breather, it's time to start thinking about autumn activities.

Once again, you'll need to put your thinking caps on for the Quiz with Hog Roast supper, (or vegetarian option) scheduled for **Saturday, 19 October** at Stowbridge Village Hall, Downham Road, Stowbridge PE34 3PE. All proceeds from this will go to the Magpie Centre, home of West Norfolk Riding for the Disabled Association.

Doors, and the licensed cash bar, selling wine, beer, cider and soft drinks, open at 7.00 pm for a 7.30 pm start. Tickets are £11 each and include the Hog Roast, plus a full menu of salads and delicious desserts, plus of course a hugely convivial and thought-provoking evening with friends old and new.

Teams of 4 to 8 are usual, but singles and couples are welcome to compete individually or make up teams on the night. Pre-booking is essential, so call 01553 828935 or email [c.dudley@success-in-english.co.uk](mailto:c.dudley@success-in-english.co.uk) to secure your places.

### CAN YOU HELP?

And now a call for help: as you can imagine, with an organization comprising horses, riders, grounds and facilities, which need to be maintained, we are always on the lookout for volunteers.

Our most urgent requirement, currently, is for able-bodied people to help with paddock maintenance. This might suit keen gardeners who want to remain active over the winter months.

We also need people able or willing to train to lead a quiet pony during lessons, or walk beside a rider, to help them maintain balance and interpret the instructor's directions. This is known as 'sidewalking' and is an important role in helping riders to improve their communication

skills. To find out more about joining our friendly team, call the Magpie Centre on 01553 810202.

### NEW RIDERS

At the time of writing, the Magpie Centre has vacancies for some new riders. We cater for people of all ages and with a wide variety of physical and learning disabilities, and in the winter, most lessons take place in our indoor school.

To find out more, call the Magpie Centre on 01553 810202. You will be sent a form to complete, followed by an invitation to an assessment, free of charge, and if satisfactory, you will be slotted into a suitable group.
