PATHFINDER SOCIETY

PATHFINDER BEGINNER BOX

Pathfinder Beginner Box: Menace Under Otari can be run or played to gain specific benefits for the Pathfinder Society Organized Play campaign.

KEY DIFFERENCES FROM SCENARIOS

The *Pathfinder Beginner Box* uses a streamlined version of the Pathfinder ruleset. The *Pathfinder Beginner Box* has variable playtimes. It doesn't contain specific faction-related elements, nor is it designed for play by characters over a wide range of levels. Sometimes they include pregenerated characters tailored and themed to the adventure. While not required, we recommend using the provided characters, as they strengthen players' immersion in the story.

Thematically, the *Pathfinder Beginner Box* doesn't assume the characters are members of the Pathfinder Society. *Menace Under Otari* is therefore offered outside of the standard Organized Play environment; characters don't need to conform to the standard Organized Play requirements laid out in the *Guide to Organized Play: Pathfinder Society*, and they do not receive the school benefits from Pathfinder Training listed in the Additional Character Options section of the Guide.

RUNNING THE ADVENTURE

The *Pathfinder Beginner Box Game Master's Guide* outlines how to run the adventure *Menace Under Otari*. GMs should use the adventure as a framework and make adjustments for their table, focusing on the goal of providing an enjoyable, engaging experience for all participants. Players earn one set of rewards after completing the upper floor and again after finishing the adventure.

The *Beginner Box Heroes Handbook* describes the rules for character creation. Alternatively, players can use the four pregenerated characters included in the *Pathfinder Beginner Box*.

APPLYING CREDIT

Players who play through *Menace Under Otari*, as well as GMs who run the adventure, can apply the adventure's Chronicle Sheet to any first level Pathfinder Society Organized Play characters. Players and GMs must decide which character to apply credit to when they receive the Chronicle Sheet. Each Chronicle Sheet gives 4 Experience Point(s), 4 Reputation with one faction, and 14 gold pieces. It also grants 8 days of Downtime. This adventure is repeatable, therefore an individual may earn a chronicle each time they play or GM the adventure.

Players earn access to the items and options listed on the Chronicle Sheet through their actions during the adventure. If the PCs don't discover an item or fulfill the conditions described in the adventure to gain access to an option, cross that option off of each player's Chronicle Sheet. If a PC gains access to an option presented on the Chronicle Sheet that can only be obtained by one member of the party, they earn that option on the Chronicle Sheet for all members of their group.

ABOUT THE PATHFINDER SOCIETY

The Pathfinder Society is a worldwide fantasy living campaign that puts you in the role of an agent of the Pathfinder Society, a legendary league of explorers, archaeologists, and adventurers dedicated to discovering and chronicling the greatest mysteries and wonders of an ancient world beset by magic and evil. A Pathfinder's adventures explore the dark alleys and political intrigues of Absalom between far-flung travels to the most interesting and remote locales in the world of Pathfinder.

In an organized play campaign, characters exist in a common setting shared by tens of thousands of other gamers from around the world. Paizo's Organized Play programs, including Pathfinder Society and Starfinder Society, are campaigns produced by Paizo and used by a volunteer community of organizers and GMs in more than 36 countries on six continents.

Participants in the Pathfinder Society can take their characters to any public Pathfinder Society event

PATHFINDER SOCIETY ADVENTURE

anywhere in the world, and any Game Master can gather a group of players to run through dozens of different pre-made adventures. It's a great way to get in touch with other local gamers, meet new people, and play regularly without all the prep work and scheduling of a traditional campaign.

Players and GMs both earn special Achievement Points for participating, which they can use to buy special options for their characters on paizo.com. GMs earn double Achievement Points rewards for the games they run. For more information on the Pathfinder Society, on how to read the attached Chronicle Sheet, and to find games in your area, check out the campaign's homepage at pathfindersociety.club.
