# BALANCE YOUR LIFESTYLE

As a Laurentian student, you'll find plenty to do and experience.

## At Laurentian, we care about your well-being.

We understand that a healthy lifestyle supports and strengthens academic success. Our world-class recreation centre and surrounding outdoor tracks, trails, and fields provide the perfect setting for all your wellness goals. Beyond the busy life on campus, you'll find plenty to do and enjoy in your host city. Leisure activities run the full gamut from adventure and arts, all the way to yoga and paddle boarding. There's something here for every aspect of your personality, interest, and energy level.

- ▶ 4 well-appointed multi-use gyms
- ▶ 35 km of multi-use trails

# LA FRANCOPHONIE

 **38.7%**  
of the Greater Sudbury  
community is fluent  
in both official languages

**33**  **480**  
programs in French courses in French

**At Laurentian, 21% of the student population pursues studies in French.**

As such, the learning environment is ideal for Francophones, Francophiles and Anglophones to improve and enhance their language skills in Canada's two official languages.

- ▶ Scholarships and awards
- ▶ Cultural events and activities
- ▶ Research hubs
- ▶ Political engagement
- ▶ Networking and cultural engagement opportunities

## Certificate of Bilingualism

**A valuable asset for your job search and career progression!**

Laurentian offers you the unique opportunity to complement your degree with a Certificate of Bilingualism which highlights your language competencies and demonstrates that you are officially bilingual. To do so, you need to ensure that you acquire a minimum of 15 credits in courses offered in English or French – whichever is not your language of study – during your program at Laurentian.

# ANISHINAABE CULTURE

Celebrating Anishinaabe culture and the sharing of traditions and knowledge are part of everyday life on campus.

250+ activities, workshops, events

## Experience. Learn. Share.

**As a Laurentian student, participation is easy and one of the best ways to create a wide network of friends.**

Some of the favourite ISA events and activities include: *Biidaabin*, Orange Shirt Day, ISLC All-Nighter, Indigenous Student Celebration, Métis Cultural Day, *Nakiwin Tek*, Red Dress Campaign, Moose Hide Campaign, Ceremony, cultural teachings, and workshops, academic workshops and mental health awareness.

Ongoing engagement opportunities include traditional ceremonies, language learning, storytelling, cultural workshops, lecture series, student project fairs, which are hosted by the Indigenous Student Affairs office and the Indigenous Students Circle.

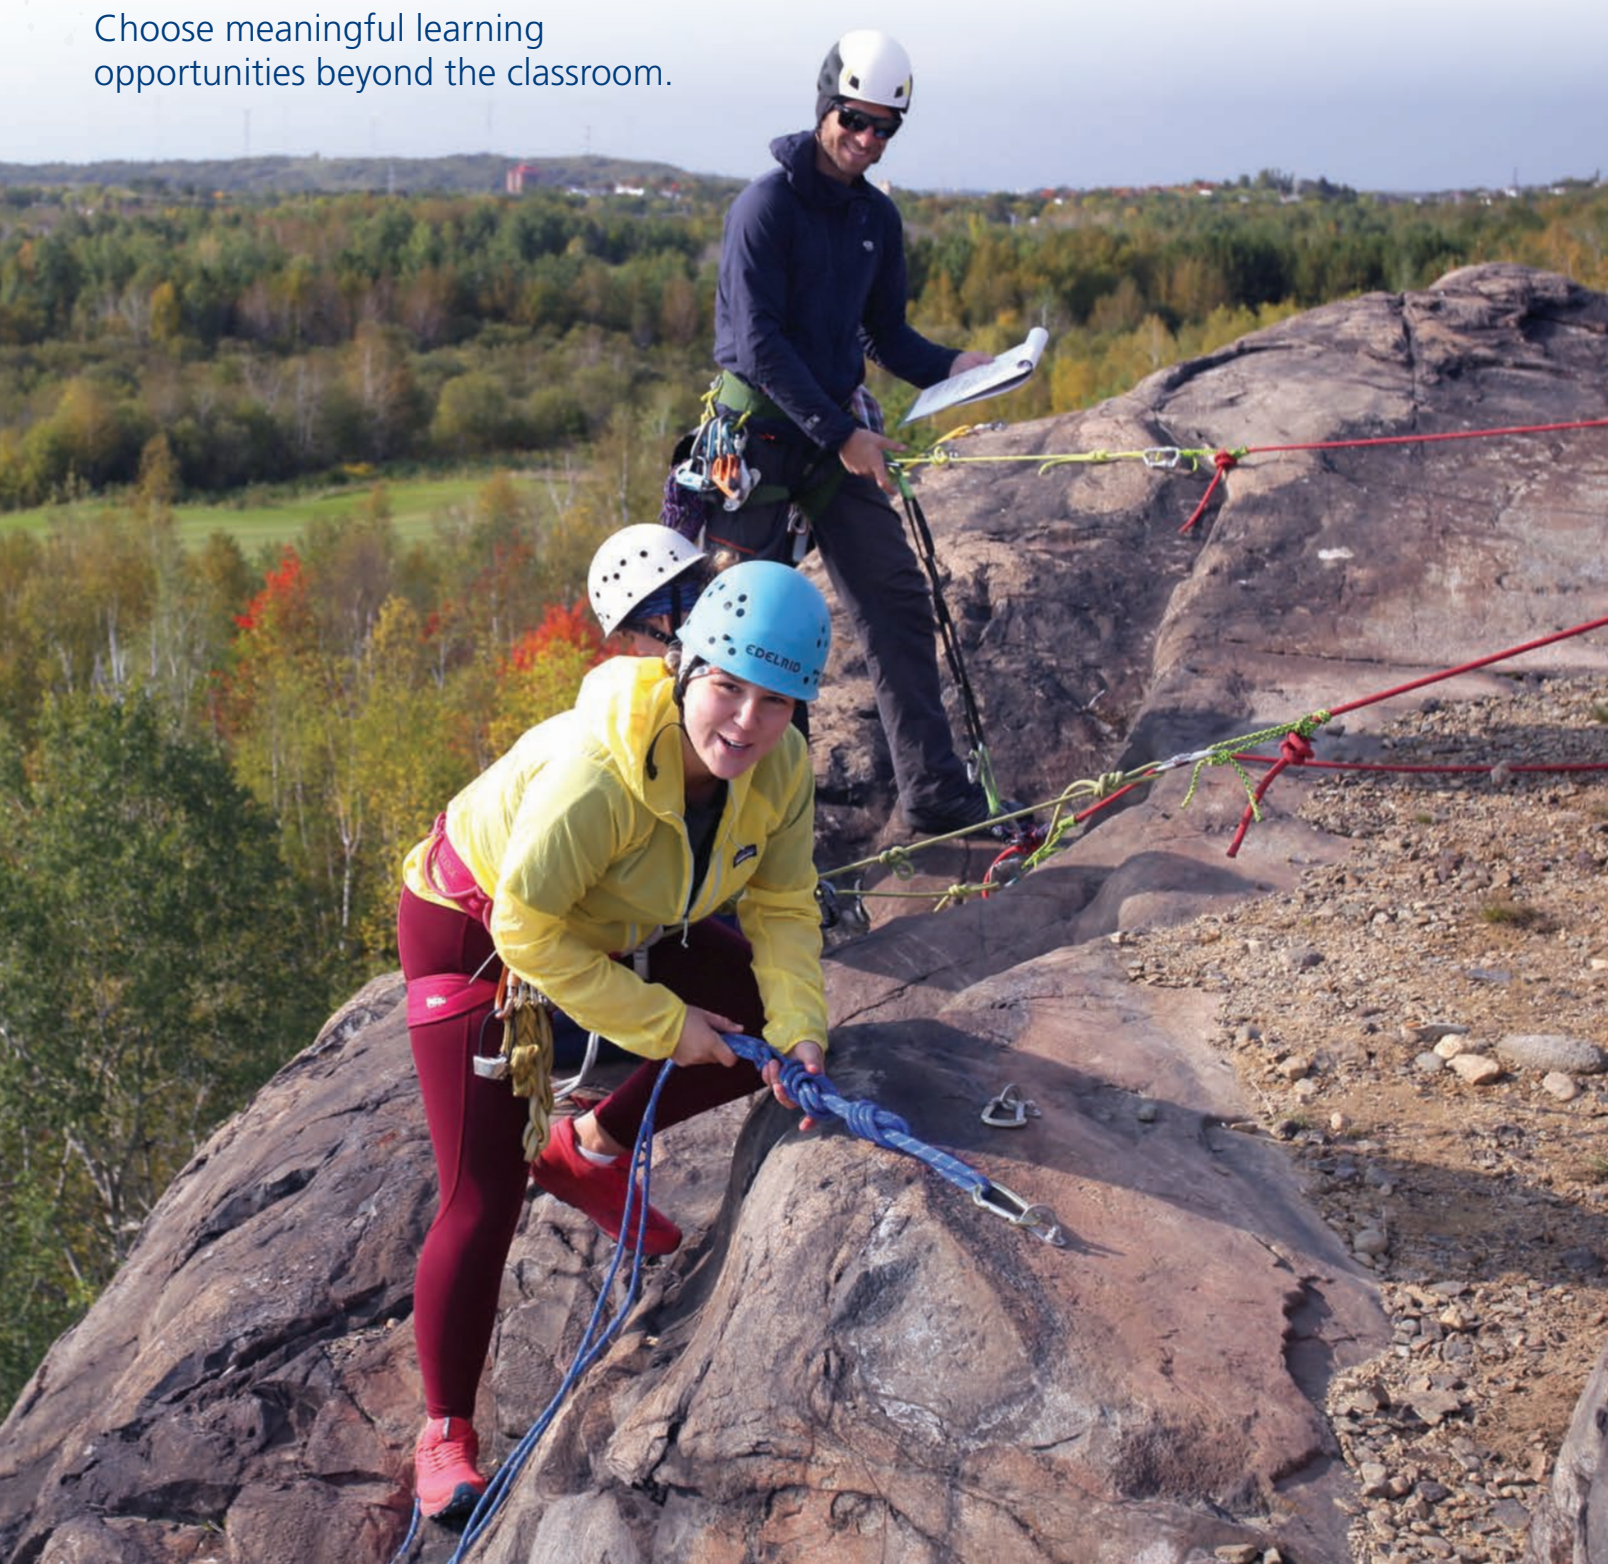

Our campus is greatly enriched by an active and engaged Indigenous community and the shared learning approach of the Indigenous Student Affairs Office.

# EXPERIENTIAL LEARNING

Choose meaningful learning opportunities beyond the classroom.

At Laurentian, we recognize that experience is essential to the success of our graduates entering the workforce. Experiential learning opportunities for our students are available in the form of enhanced leadership development, entrepreneurship and applied learning in varied settings to enhance their skill sets.

**The Foundry** – The Foundry is an innovation, entrepreneurship and leadership development program located within the spacious Jim Fielding Innovation and Commercialization Space at Laurentian. The centre aims to support Laurentian students, staff, faculty, and alumni as they strive to develop entrepreneurial, creative, and professional skill sets and launch entrepreneurial ventures on campus. In addition to open collaborative spaces and dedicated meeting rooms, users also have access to a Makerspace facility with 3D printers, SOLIDWORKS® as well as other design software, a CNC Mill and laser cutter for training and product development purposes. Stop by the Fielding Innovation Space or check out our calendar of events at [foundry.laurentian.ca](http://foundry.laurentian.ca).

**Co-op Experience** – This extensive work-integrated learning experience offers students a chance to gain a full year of paid employment to complement their academic studies. Programs offering co-ops include: Architecture, Sports Administration, Computer Science, Engineering (Chemical, Mining and Mechanical streams), Sciences (Specializations in Chemistry, Biochemistry, Pharmaceutical Chemistry and Biochimie).

**Internships** – Internship electives pair students with employers to complete a 14- to 16-week placement. The format provides students with a chance to work in a professional environment and gain valuable experience while often leading to full-time employment opportunities following graduation.

**Research** – Laurentian offers many of its undergraduate students opportunities for research, thanks to small class sizes and outstanding professor to student ratio. Having a chance to learn with leading experts in the field in the early stages of your postsecondary journey is one of the unique, and powerful advantages of studying at Laurentian.

- ▶ Applied research
- ▶ Field placements
- ▶ Professional practicums
- ▶ Case studies
- ▶ Co-op experience
- ▶ Labs
- ▶ Travel
- ▶ Events and competitions
- ▶ Study abroad
- ▶ Community volunteering
- ▶ Internships
- ▶ Workplace projects

## How does experiential learning enhance your in-class education?

- Gain professional work experience prior to graduation, resulting in enhanced career clarity and employability.
- Earn academic credit, and in some cases, wages while applying what you've learned.
- Strengthen interpersonal skills, self-confidence, and leadership abilities.
- Forge new relationships and create a network of professional and personal contacts.
- Connect and engage with prospective employers.

Discover additional opportunities for experiential learning at Laurentian including Work Study employment on campus, clubs, student associations, and more!

# CUSTOMIZE YOUR DEGREE

**Building and customizing your degree to include unique and/or complementary subject combinations can give you an advantage in the workforce.**

We make it easy for you to pair subjects you are passionate about while setting you off on a path to a rewarding and fulfilling career. Embarking on a journey that combines your aptitudes and interests is the best way to ensure you are passionate about your future career. Loving what you do is how you will live your life to the fullest.

Each program has a certain number of required specialized courses that must be taken in order to successfully complete the program of study. Electives are courses that allow you to explore other areas of interest that can expand your career options. You can group electives into one field of study to enhance and/or complement your degree, thus creating minors, concentrations, and majors.

## Sample degree combinations\* in BA and B.Sc. programs:

4 years					
1 Specialization (60 cr.)	+	---	+	60 elective credits	= 120 credits / 4-year
1 Major (42 cr.)	+	1 Minor (24 cr.)	+	54 elective credits	= 120 credits / 4-year
1 Major (42 cr.)	+	1 Major (42 cr.)	+	36 elective credits	= 120 credits / 4-year
3 years					
1 Concentration (36 cr.)	+	---	+	54 elective credits	= 90 credits / 3-year
1 Minor (24 cr.)	+	1 Minor (24 cr.)	+	42 elective credits	= 90 credits / 3-year

\* Minors can be added to any 3- or 4-year baccalaureat program. In order to graduate with a four-year degree, you must complete a minimum of 120 credits. The chart above reflects the average number of credits required to complete the customized degree option. Other combinations are possible. Please refer to each program for specific program requirements. Note: Laurentian typically offers 3-credit (semester long) and 6-credit (fall and winter semesters) courses.

**Consider your options and how your study path can allow you to create a niche for yourself in the workforce or take you exactly where you want to go. This path starts at the undergraduate level and can lead to graduate studies or professional schools.**

# Financial Assistance

Financial assistance can come in the form of scholarships, bursaries, loans as well as on-campus jobs. Our team is here to assist you in navigating these opportunities.

## Financial Aid Hotline

The Financial Aid Hotline is a new service that provides all students with a direct line to our financial aid specialists. Let our team of experts answer your questions and assist you with your inquiries regarding OSAP applications, other provincial/federal student loan applications, Laurentian awards (bursaries and scholarships), and alternate funding options.

**Wednesday**  
**9 a.m. – 4 p.m.**

**Please call 1-866-387-3879**  
**to reach a financial aid specialist directly.**

## Applying for bursaries and financial aid really does pay off!

With Laurentian awards, campus jobs, and government funding options available, we can help you set a comfortable and manageable budget as you pursue your educational goals. The following is a sampling of the scholarships and bursaries available at Laurentian:

### Academic Pathways Scholarships (\$1,000)

– Awarded to qualifying students who have transferred directly from a Canadian university or who are graduating from an Ontario college. Students with an Ontario College two- or three-year Diploma, with a minimum GPA of 80%, who were registered full-time from September to April at the previous post-secondary institution and who are registering in a full-time first degree undergraduate program are eligible. Enquire when submitting your application.

**Band Funding** – Students who are sponsored by an agency (e.g. EI, Band, or other) are eligible for financial support. To expedite processing, all required documentation should be provided at the time of registration.

### Jim Fielding Memorial Bursary (\$15,000/year)

– Awarded to students who may have struggled academically because of financial and personal challenges that limit their ability to concentrate on their studies. This award is renewable for three subsequent years. To be eligible, applicants must be registered as full-time students and

must demonstrate a financial need. In addition, they must be nominated by a teacher, guidance counsellor, or professional speaking on their potential and background.

**Youth in Care** – Former or current youth in the care of the Children's Aid Society who are pursuing their first postsecondary degree are eligible for a bursary of 2,000 dollars. This bursary is available to current and former youth in the care of the children's aid society (minimum of one year in care), who are pursuing their first post-secondary degree, studying full-time or part-time (prorated).

In order to qualify for the bursary, students must self-identify through the OSAP application process. Priority will be given to first degree, first-time applicants.

# ADMISSIONS

## Mature Students

As a mature student, you may be working toward a degree after being away from formal education for a number of years or expanding your knowledge in a certain field. We're here to help.

The admission status of "mature student" recognizes those adults without the previous academic performance required for admission yet have interests and work experience that suggests anticipated success in university studies.

**A mature student is someone who:**

- is 19 years of age or older by the end of the academic year to which they have applied;
- has not attended a secondary or postsecondary institution for at least one calendar year prior to the beginning of their university studies;
- is not eligible for admission on any other basis.

Please note the completion of the minimum requirements above does not guarantee admission to any course, program or department at Laurentian. For detailed instructions on how to apply, visit [laurentian.ca/admissions/undergraduate](https://www.laurentian.ca/admissions/undergraduate).

Laurentian offers a number of services to support you while you complete your studies. These include academic advising, writing assistance, childcare services, financial support and so much more:

**Online Courses/Programs** – Laurentian Online offers online degree programs, in both English and French. Our offerings include undergraduate, master's and certificate programs. For more information consult page 25.

**Student Success Centre** – The Student Success Centre helps students transition to university and stay on track throughout their studies. Our friendly staff, tutors, and coaches are here to help all Laurentian students reach their full potential.

**Childcare Services** – There are two daycare providers right here on campus:

- Garderie Touche-à-Tout: Provides childcare (en français) for children from birth to 6 years of age.
- Laurentian Child and Family Centre: Provides full-time care for children from birth to 4 years of age. They also provide before/after school care along with a special summer program for children 4-12 years of age.

Laurentian students are prioritized for the on-campus childcare services. For more information, visit the following website: [daycaresudbury.ca](https://www.daycaresudbury.ca).

*"Laurentian University has provided me the opportunity to return to school as a mature student and work towards my undergraduate degree online. As a single parent, having the option to learn remotely has allowed me to focus on a full course load with their D2L portal in a schedule that compliments my busy life. It's been a wonderful experience thus far."*

# College to University Pathways

At Laurentian, your hard-earned college credits will be evaluated to determine compatibility with the learning outcomes of your new program.

Consult the general transfer credit allocations and the specific college program pathways that may apply in your case. Once we receive your official transcripts, we will review your individual academic records to determine how we can expedite your postsecondary journey. Please note that conditional transfer credits may be granted, but are not guaranteed, using unofficial transcripts while we await official transcripts.

Students who have successfully completed a college diploma or courses at a recognized university may be eligible for transfer credits to programs offered at Laurentian.

Students who have completed one year of college studies are eligible for consideration for admission without eligibility for transfer credits.

Transfer credits may be awarded based on prior studies and can be determined once you apply for admission and submit official transcripts. Laurentian offers equitable credit value for previous studies, with special considerations based on grades and program affinity. To help you make the most of your previous educational experience, these pathway options include a full roster of program articulations between Ontario colleges and Laurentian University.

If a pathway agreement has been established between your former college and Laurentian University, the transfer credits are already determined based on your cumulative program GPA. For up-to-date pathway agreements between Laurentian and Ontario colleges, visit [laurentian.ca/admissions/undergraduate/college-transfer-applicants](http://laurentian.ca/admissions/undergraduate/college-transfer-applicants).

"After graduating from college in 2019 with a 3-year advanced diploma in Public Relations, I decided to pursue a lifelong dream of working in the field of Psychology and applied to the online Bachelor of Arts in Psychology program at Laurentian. I was surprised at the number of transfer credits I received and was able to complete the program in 2 years. The application process was straightforward and before I knew it, I was registered for my first semester of classes. As a student with accessibility needs, I didn't know what to expect or how it would differ from my college experience, but the transition was seamless, and I quickly became accustomed to the pace. The help I received from the Accessibility Services team guided me through to the successful completion of my degree!"
