## President's Message

Greetings Palm Beach Branch members, I hope everyone is off to a happy new year! We have kicked 2017 off with a ton of great events and look forward to many more. I would like to thank all of you who donated food for our canned food drive. Some other highlights include Bonnie McLeod and Edward Kent's excellent presentations at our December and January lunch meetings. The EWRI chairs also held a great meeting with Matahel Ansar as the speaker at SFWMD.

I recently attended the ASCE Florida Section quarterly board meeting on behalf of the branch with Marline Daceus at FAU. It was a great opportunity to network with the student chapters and other branches. FAU is still in need of judges for the upcoming Southeast Student Conference March 16-18. If you are interested in helping out, please reach out to Jorge Jaramillo or Richard Gallant. We look forward to holding a joint monthly meeting with FAU and the Broward ASCE branch in April at FAU.

Engineering Family Fun Day (EF2D) was a great event this year that many members and their families attended, as well as volunteered for. I also appreciated the volunteers who helped out at the annual MathCounts competition. The legislative breakfast was a great event with several legislators and lots of great discussion of current issues. Thank you to Susan Coughanour, Todd McLeod and Brent Whitfield for putting the great event together and all of the sponsors who made the event possible and free to attend!

I am thankful to all of you who donated money to FAU and helped us match funds of \$3,000 to help them host the Southeast Student Conference.

I am looking forward to the upcoming E-Week banquet where we have joined FES,

The Engineers Council and Business Development Board of Palm Beach. It is also around the time that the Dream Big Film premiers (February 17). We have put together a day for you and your family to watch the IMAX film at the Museum of Discovery & Science in Fort Lauderdale on March 11<sup>th</sup>. There are also volunteer opportunities at the museum to help run engineering activities. See later in the newsletter for more information.

I hope you will register for the upcoming Bowlathon to be held at Cine Bowl N Grill on March 4<sup>th</sup>. This is one of our biggest fundraisers that makes our scholarship and support of FAU ASCE possible. Also, save the date for Engineers in Government Night on April 6<sup>th</sup> at the Lake Worth Casino. We look forward to celebrating our 65<sup>th</sup> anniversary at the event!

Thank you and please feel free to contact me at any time with questions, ideas or general feedback. I want for all of you to get what you want out of your membership and the branch.

Sincerely,

**Julie Parham, P.E.**

President, ASCE Palm Beach Branch  
[jparham@lakeworth.org](mailto:jparham@lakeworth.org)

### Advertising Opportunities

*Renew your Newsletter & Website Sponsorship: \$75 for 9 months Includes website & 3 newsletters to over 700 professionals*

### Job Posting Opportunities

*Newsletter & Website Sponsorship: \$50 per listing - runs for 6 months Includes website & 2 newsletters to over 700 professionals*

*~See attached forms~*

## PDH Certificates Available on New Website

Please use the link below to access your **PDH certificates** for the ASCE Palm Beach Branch lunch meetings you attended since 2015 where a PDH was offered and you provided proof of your attendance by signing the attendance sheet.

<http://branches.asce.org/palmbeach/resources>

## Upcoming Monthly Meeting

**WHEN:** Tuesday, March 14, 2017 from 12:00 -1:00 P.M.

**SPEAKER:** Ralph Verrastro, P.E. – Bridging Solutions

**TOPIC:** A Bridge By Others?

The presentation will focus on best practices approach to managing the coordination process for the design and construction of a bridge on a land development project. It also provides an overview of the numerous bridge products available in today's bridge market and the governing design specifications. The design of a bridge on a land development project can be a "deal breaker" if the most economical solution is not determined. The attendees of this common sense course will gain knowledge to be better prepared to design and manage their way to the most cost effective bridge project.

**PDH:** Pending Approval

**WHERE:** Vista Center – 2300 N. Jog Road, West Palm Beach, FL 33411 (Room 1E-58)

**LUNCH COST:** Pay at meeting: \$10 cash/check or \$10 by credit card.

Pay using on-line registration at <http://branches.asce.org/palmbeach>

*Please make your reservation prior to 9:30am on the day of the meeting. Contact Vijay Mishra at 561-682-2810 if you need assistance.*

## 2017 Scholarship Announcement

We are offering a \$1,000 scholarship for the academic year of 2017-2018. The intent is to award the scholarship to a graduating high school senior or a college undergraduate civil engineering student. The main criteria for the scholarship is that the student must be a resident of, attended high school in or currently attend an ABET-accredited university in Palm Beach County, Florida, and must be registered or will be in the following semester (either summer or fall) as a full-time student majoring in Civil Engineering, or related engineering field.

Applications are due by March 17, 2017 and the award presentation will take place at the ASCE Palm Beach Branch Engineers in Government Night on April 6, 2017 at the Lake Worth Casino.

Find the application Package at <http://branches.asce.org/palmbeach/>

Please contact Seyed ("Haji") Hajimirzaie at (561) 682-6430 Should you have any questions or require additional information

# ENGINEERING WEEK BANQUET

## **The Engineers' Council & BDB Hosts 2017 National Engineers Week**

**Date:** February 23, 2017

**Time:** 6:00 pm - 9:30 pm

**Location:** [Show map](#)

Palm Beach County Convention Center  
650 Okeechobee Boulevard  
West Palm Beach, FL 33401  
US

**Contact:** Sarah Marcadis

**Phone:** 561-651-4101

**Email:** [smarcadis@bdb.org](mailto:smarcadis@bdb.org)

**Tickets:**

**Individual Price Price:** \$100.00

**Price for Table - seats 10 Price:** \$950.00

**Price for Corporate Table Price:** \$1,500.00

**Click here to generate invoice to pay by check Price:** \$100.00

(Click appropriate link to purchase tickets)

**Dress is business attire**

Corporate Table - includes 10 seats, table top sign with company logo,  
half page color ad, display table in lobby

**For Sponsorship Opportunities, please contact Tim Tracy**

561-651-4117 or by emailing [ttracy@bdb.org](mailto:ttracy@bdb.org)

Register at [E-Week](#)

The banquet is now offering tickets to ASCE members for \$75/pp. To book these tickets with a ASCE or a FES membership, the parties purchasing the tickets must directly contact: Sarah Marcadis or Tim Tracy, Business Development Board of PBC at 561-835-1008 (Main line), 561-651-4117 (Direct line) or by email at [ttracy@bdb.org](mailto:ttracy@bdb.org)

## VOLUNTEERS NEEDED!

**WHO:** Engineers & Future Engineers

**WHAT:** Help facilitate Dream Big themed activity booths at the Museum (choose preference of mapping with lasers, squishy circuits, windy city tower, earthquake resistant structures, rollercoasters, build a bridge, zip lines). Free admittance to the Museum!

**WHEN:** February 18, 19, 20 and April 22, 23 from 11:30 AM – 4:30 PM

**WHERE:** Museum of Discovery & Science, 401 SW 2nd St, Fort Lauderdale, FL 33312

**WHY:** To engage children and teach them about engineering!

**CONTACT:** Julie Parham [jparham@lakeworth.org](mailto:jparham@lakeworth.org) if you'd like to volunteer and what day & activity

## SECME OLYMPIADS

The Palm Beach County SECME Olympiad season is upon us!

Elementary SECME Olympiad  
Saturday, February 25, 2017

Secondary SECME Olympiad  
Saturday, April 1, 2017

Both events will be held at Santaluces Community High School (6880 Lawrence Road, Lantana, FL) from 9:00 am to 3:00 pm. Both events depend upon our volunteers to provide these opportunities for our students and truly appreciate your support. Please consider signing up to volunteer [here](#).

Should you have any questions or concerns, please feel free to reach out to a member of the PBC SECME leadership team:

Brittany Kiser, District SECME Coordinator  
Tom Salinsky, District SECME Co-Coordinator  
Joe Holcombe, District SECME Program Director

[brittany.kiser@palmbeachschools.org](mailto:brittany.kiser@palmbeachschools.org)  
[thomas.salinsky@palmbeachschools.org](mailto:thomas.salinsky@palmbeachschools.org)  
[joseph.holcombe@palmbeachschools.org](mailto:joseph.holcombe@palmbeachschools.org)

## BOWL-A-THON

The ASCE Palm Beach Branch annual scholarship Bowl-A-Thon is taking place this coming **March 4, 2017 from 11:30 AM to 3:30 PM at the Cine Bowl and Grille located at 14775 Lyons Road, Delray Beach, FL 33446**. This event is held annually to raise money for FAU's Concrete Canoe Team and to sponsor other community events. Come show your skills, hit some strikes, laugh and have an exhilarating time with co-workers and colleagues. Prices are listed below, see you there!

**For Questions:** Contact Paula Fonseca/Teresa 561Chapman @ -746-8333

**For details visit:** <http://branches.asce.org/palmbeach/2017-annual-scholarship-bowl-thon>

### **Gold Team Sponsorship - (Only One) \$500.00**

- Food Sponsorship Advertisement (Includes company advertisement and additional signage at each bowling lane)
- Bowling Package

### **Silver Team Sponsorship - (Only Two) \$425.00**

- Drink Sponsorship Advertisement (Includes company advertisement and additional signage at each drink station)
- Bowling Package

### **Bronze Team Sponsorship - \$375.00**

### **Individual Bowler Sponsorship - \$75.00**

- Bowling Package

### **Government Bowler Sponsorship - \$30.00**

- Bowling Package

**We gladly accept donations for gift bags!**

## ASCE Southeast Student Conference

The ASCE Southeast Student Conference is coming to Boca Raton in 2017! Judges are needed for the events!

Every year over 1,000 students from more than 20 universities participate in civil engineering related competitions at the **ASCE Southeast Student Conference**. The conference consists of 2 major competitions, the **Steel Bridge Competition** and **Concrete Canoe Competition**, along with 16 smaller engineering competitions. The conference will be hosted by FAU at the FAU Boca Raton campus from **March 16-18, 2017**.

An event this big needs help from the local engineering community. As a commitment of our support, the **ASCE Palm Beach Branch is proud to have matched \$3,000 in donations** from our membership and local businesses. Special thanks go to all who participated in the pledge. You can further support the event by sponsoring and participating in the **Job Fair at the 2017 ASCE Southeast Student Conference**.

**Donate here:** <https://fauf.fau.edu/ASCEJobFair>

**Questions:** Contact Digna Mejia at [dmejia1@fau.edu](mailto:dmejia1@fau.edu)

For details about the conference go to <http://public.eng.fau.edu/desian/asce2017/index.html>

[Raymond.Sciortino@jacobs.com](mailto:Raymond.Sciortino@jacobs.com) for  
**Sponsorship Opportunities or Awards Nominations**

## Food Drive

With help and support of our ASCE Palm Beach Branch membership we donated 283 lb. of food to Palm Beach County Food Bank in December 2016. Thanks to everyone who participated in this great cause.

## LEGISLATIVE BREAKFAST

Over 200 planners, lawyers and engineers from Palm Beach County were treated to a discussion about the upcoming 2017 Legislative Session in Tallahassee with four of our local elected officials. In attendance were two State Representatives: Erin Grall and Rick Roth and two State Senators: Jeff Clemens and Bobby Powell. Both Representatives Grall and Roth were preparing to serve their first term in the House. Senator Powell was preparing for his first term in the Senate after two terms in the House, and Senator Clemens was preparing for his second term in the Senate.

Topics discussed included CCNA, which Senator Clemens described as a good policy that does not need changing. Representative Roth noted that in his experience qualified professionals are important for any effort, but that he was open to policies that increased competitiveness. Other topics included infrastructure funding, Senator Negron's proposal for a large scale environmental land purchase, and municipal annexation rules. A hot topic turned out to be policies to improve voter turnout. Senators Clemens and Powell argued for approaches to increase voter turnout such as electronic registration and automatic registration. Representative Roth was not as favorable on opening opportunities for voting registration, and discussed ideas such as qualifying tests for voter registration and requiring registration rights to be renewed on a ten-year cycle.

## ASCE-EWRI PALM BEACH BRANCH 1<sup>ST</sup> MEETING!!!

The ASCE-EWRI Palm Beach met for the first time at the South Florida Water Management District on January 24, 2017, where Matahel Ansar, PhD., P.E., Applied Hydraulics Section Administrator at SFWMD presented on the Applications of Computational Fluid Dynamics (CFD) at the SFWMD.

EWRI Chairs: Brent Whitfield,  
Haji Hajimizraie, Tzufit Boyle,  
Vijay Mishra

## ASCE MULTI-REGION LEADERSHIP CONFERENCE (MRLC)

Raymond Sciortino and Marlena Trier as representatives of the Palm Beach Branch, attended the annual ASCE Multi-Region Leadership Conference in Newark, New Jersey on January 20<sup>th</sup> and 21<sup>st</sup>. Representatives from Regions 1, 2, 4 and 5, which includes branches and sections in Florida, Georgia, South Carolina, North Carolina, Virginia, West Virginia, Pennsylvania, Maryland, DC, New Jersey, New York, Louisiana, Alabama, Tennessee, Mississippi, Arkansas, Kentucky, and Indiana attended the conference to network and learn from each other how to improve and grow each branch, as well as learn about all of the resources available from ASCE national. Raymond and Marlena learned about how other sections communicate the results of the ASCE Report Card to legislators and the public, manage their websites, recruit younger members as well as engage with and help student members with their chapters. Additional discussions included the challenge of transitioning student members to become professional members after graduation, the need for more members to become “Key Contacts” so ASCE can communicate more effectively with lawmakers, the need to improve the educational requirements for the profession (i.e. ASCE’s Raise the Bar initiative) as well as the Dream Big I-MAX movie which premieres this month. At the end of the conference, Raymond had a chance to talk with Kristina Swallow, ASCE National President-Elect 2017, who will be our guest speaker at EIGN this year.

## ENGINEERING FAMILY FUN DAY (EF<sup>2</sup>D)

ASCE members from Palm Beach Branch joined members of the Society of Women Engineers (SWE) on January 21 at Dreher Park for the annual EF<sup>2</sup>D where Palm Beach County students enjoyed a fun learning experience with local engineers. To name a few, newspaper tables, ice cream making, coloring robot and gummy domes were all activities that incited excitement about in engineering amongst the young souls.

## MATHCOUNTS

On Saturday February 4th, 2017, members of ASCE joined forces with FES as they volunteered at Gulstream High School for the 2017 Palm Beach County MathCounts Competition. MathCounts is nationwide enrichment, club and competition program geared toward middle school math students.

## JOB POSTING

**Job Title**      **Roadway Engineer**

**Location**      Kimley-Horn and Associates – West Palm Beach, FL

**Description**   Kimley-Horn is looking for a Roadway Engineer for our transportation practice in our West Palm Beach office. The candidate will develop concepts, preliminary engineering and final design for projects including, but not limited to, lighting projects for roadways in south Florida.

Kimley-Horn is one of the nation's most comprehensive and best respected engineering and land planning firms. With over 2,500 employees in more than 70 offices across the country, we offer full services in a wide range of disciplines. **We were recently ranked #7 of FORTUNE'S "100 Best Companies to Work for in America" and #1 in Civil Engineering News "Best Civil Engineering Companies to Work For."**

### Requirements:

- Bachelor's Degree in Civil Engineering
- Professional Engineer
- 6+ years of experience with roadway design
- Ability to effectively communicate with internal and external partners including clients, sub consultants, and utility companies
- Experience preparing final design plans, specifications and construction cost estimates
- Good problem solving and technical writing skills
- Proficiency with Microstation drafting and design
- Proficiency with Microsoft Word and Excel
- Scope and fee preparation experience
- Leadership skills, management experience (project and team)

Interested yet? If so, go to [Requisition # 16-0110](#) and don't forget to stop at <http://www.kimley-horn.com/> to learn about Kimley-Horn and Associates Culture and Philosophy.

## JOB POSTINGS

### SOUTH FLORIDA WATER MANAGEMENT DISTRICT

The South Florida Water Management District (SFWMD) is hiring engineers to play an important role in preserving and restoring Florida's vital natural environment that extends from Central Florida's Upper Chain of Lakes through the Kissimmee River and Lake Okeechobee and south to the Florida Keys.

The SFWMD is currently recruiting for the positions listed below.

- Senior Mechanical Engineer – Job Reference [1734BR](#)
- Engineer Supervisor – Job Reference [1768BR](#)
- Senior Engineer – Job Reference [1773BR](#)
- Electrical Engineer – Job Reference [1785BR](#)
- Senior Engineer – Job Reference [1790BR](#)
- Lead Engineer – Job Reference [1794BR](#)
- Senior Engineer – Job Reference [1797BR](#)
- Staff Engineer – Job Reference [1798BR](#)
- Engineering Specialist 4 – Job Reference [1808BR](#)

Please visit [www.sfwmd.gov/careers](http://www.sfwmd.gov/careers) for more information on these employment opportunities and to apply. Working with us is about managing the water resources of this rare environment. Our working environment is about providing a smooth workflow for our employees, with challenging projects, benefits that provide balance and opportunities for professional development.

#### Employment Guidelines

Typically has a Bachelor's Degree, (Master's Degree preferred), from an ABET/EAC accredited program and 6+ years of experience that demonstrates measurable career progression and increased responsibilities
