Dear TLW Member:

As a member of the Tavern League of Wisconsin, we represent the interests of your business in both Madison and Washington 365 days a year! Every year the TLW hosts one of the largest Legislative Day events in Madison. It provides our members with a chance to meet with and hear from key lawmakers on issues of concern to the hospitality industry.

I hope you can make time to attend this year's event on March 6th in Madison. We have a large number of issues to discuss with our state legislators including:

- 19-year-old drinking age
- National efforts to lower BAC level to .05%
- Proposal to dismantle the three tier system – AB 492
- TLW SafeRide Program changes

Your attendance and participation have made the TLW Legislative Day a success each year. Please take a few minutes to register for this year's event. Your continued Membership and involvement in the Tavern League of Wisconsin is why we have been successful in representing your interests in Madison and Washington.

**wanna host
a meeting?**

League meetings are usually held the 1st Monday of the month (except holidays & special events) at a member's establishment somewhere in the county, decided by attending members at a previous meeting. Each attending member donates \$10 to the hosting establishment. This money is used for drinks during the meeting, & food that the hosting establishment puts out after the meeting. After the meeting is adjourned, the bar becomes a cash bar. Any ATTENDING member has a chance to host an upcoming meeting. However, the host bar MUST be closed to the public from 2pm until the meeting is adjourned.
