You can also join my little Facebook-group HITS-100. There you will get the new lists or videos first:

<https://www.facebook.com/groups/1022217931320225/>

On the next page you can see a list with all these artists whose chronology is already finished.

I create these chronologies just as a part of my hobby. I try to be as correct as possible. If you see an error or think, something is missing, please let me know. I would also like to get some feedback, if you have any questions, suggestions or critics.

Stay healthy!
