## GOING TO MOVE?

Don't forget the house you're  
leaving behind.

Here are some helpful hints.

1. See that all utilities have been disconnected or shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.

Advertising in the Yellow Pages of  
 the Telephone Directory is a direct  
 way to keep your products before  
 buyers. More and more people  
 "Look inside the Yellow Pages"  
 before buying. To direct more bu-  
 siness their way, many establish-
