*Miss Pearl's Country Cookin'*

**Apple Sauce**

original recipe makes 1.5 -2 quarts

- 3 to 4 lbs of apples (about 7 to 10 apples) peeled, cored, and quartered
- 4 strips of lemon peel (zest only)
- 3 to 4 Tbsp lemon juice
- 3 inches of cinnamon stick
- 1/4 cup of dark brown sugar
- Up to 1/4 cup of white sugar
- 1 cup of water
- 1/2 teaspoon of salt

Place apples into a large pot. Add the strips of lemon peel, lemon juice, cinnamon stick, sugars, water and salt. Bring to a boil on high heat, then lower the temperature, cover the pot, and maintain a low simmer for 20-30 minutes, until the apples are completely tender and cooked through. Once the apples are cooked through, remove the pot from the heat. Remove the lemon peels and the cinnamon stick. Use a potato masher to mash the cooked apples in the pot to make a chunky applesauce. For a smoother applesauce you can either run the cooked apples through a food mill, or purée them in a blender. (If you use a blender, do small batches and do not fill the blender bowl more than halfway.) Add more sugar to taste. If too sweet, add more lemon juice.

**Potato Skins**

original recipe makes 4-6 servings

- 6 small to medium sized russet baking potatoes (total 3 lbs)
- Olive oil
- Canola oil or grapeseed oil
- Kosher salt
- Freshly ground pepper
- 6 strips of bacon
- 4 ounces grated cheddar cheese
- 1/2 cup sour cream
- 2 green onions, thinly sliced, including the greens of the onions

Scrub the potatoes clean then rub with olive oil and bake in a 400°F oven for about an hour until the potatoes are cooked through and give a little when pressed. While the potatoes are cooking, cook the bacon strips in a frying pan on medium low heat for 10 to 15 minutes, or until crisp. Drain on paper towels. Let cool. Crumble. Remove the potatoes from the oven and let cool enough to handle. Cut in half horizontally. Use a spoon to carefully scoop out the insides, reserving the scooped potatoes for another use, leaving about 1/4 of an inch of potato on the skin. Increase the heat of the oven to 450°F. Brush or rub grapeseed oil or canola oil all over the potato skins, outside and in. Sprinkle with salt. Place on a baking rack in a roasting pan (don't use a cookie sheet, it will warp, use a roasting pan or broiler pan that can take the heat). Cook for 10 minutes on one side, then flip the skins over and cook for another 10 minutes. Remove from oven and let cool enough to handle. Arrange the potato skins skin-side down on the roasting pan or rack. Sprinkle the insides with freshly ground black pepper, cheddar cheese, and crumbled bacon. Return to the oven. Broil for an additional 2 minutes, or until the cheese is bubbly. Remove from oven. Add a dollop of sour cream to each skin, sprinkle with green onions.

**Apple & Sausage Pie**

Original recipe makes 8 servings

- 1 basic pie dough recipe, chilled
- 3/4 lb sweet Italian sausage (or one frozen pie crust)
- 1 clove garlic, minced
- 2 large Granny Smith apples, peeled and thinly sliced
- 2 cups shredded fontina, provolone, and or asiago cheese
- 1/2 medium onion, chopped
- 1 cup ricotta cheese
- (about half a cup)
- 1/4 cup feta cheese
- 1 teaspoon sugar
- 2 eggs, slightly beaten
- 3 Tbsp butter

Preheat oven to 425°F. Line the inside of a pie shell with heavy aluminum foil, pressing the dough against the side. Bake for 8 minutes. Remove foil, poke the bottom of the pie crust with the tines of a fork to create air vents. Return crust to oven, bake for an additional 4 minutes, or until the crust just begins to brown. Remove from oven and let cool.

Reduce oven temperature to 350°F. Melt butter in a large skillet on medium heat. Add the apples, onions, and sugar, cook, stirring occasionally, until tender, about 5 minutes. In the last 30 seconds or so, add the garlic and cook until fragrant. Transfer mixture to a separate bowl. Increase the heat to medium high and in the same skillet add the Italian sausage. Cook, stirring only infrequently, until sausage is browned on all sides and is cooked through. Remove from heat. Remove the sausage with a slotted spoon to a dish lined with paper towels to absorb the excess fat. In medium sized bowl, mix together the cheeses and beaten eggs. Place sausage on bottom of pre-baked pie crust. Add the cooked apple

onion mixture over the sausage. Pour the cheese egg mixture over the apple mixture and spread it so it evenly covers the pie. Bake at 350°F for 35 to 40 minutes, until a knife inserted in the center comes out clean. Let stand for 10 minutes before serving.
