

#### Permanent Supportive Housing (PSH) Program Application Project Based Voucher (PBV)

### What is PSH?

PSH is a program offering subsidized rental apartments and supportive services for people with long term disabilities who have experienced difficulty living successfully in the community and are at risk of homelessness or institutionalization without supports. Housing supports include things like reminders to pay rent, help arranging medical appointments, and other support services. Only people with disabilities who need these types of supports are eligible for PSH.

### What are the PSH PBV Requirements?

To be eligible for PSH PBV, your household must: (1) include a person who has a long-term disability and is currently receiving eligible Medicaid services or Ryan White Services, (2) need housing supports offered by PSH PBV, and (3) be very low- income.

### How do I apply if I think I am eligible?

Complete the attached application; please note:

- Reasonable accommodations will be made in completing applications. For assistance in completing an application please call 1-844-698-9075. TTY users should call 1-800-220-5404.

- You cannot be found eligible for PSH PBV or offered a housing unit until we have a completed application. Although income verifying documents are not required to submit this application, applicable income documentation is required for all household members to receive a unit referral and will be requested at a later date.
- It must be verified that you are in need of the supports offered through PSH PBV. Please complete the "Permanent Supportive Housing PBV Eligibility" section (pages 5 & 6).
