INTRODUCTION:

Meet my Book Cover Designer...

Twenty-one years in publishing has taught me a few things. One of them is: "Hire a good designer for your cover. It's a smart investment." George Foster (at left) is now our cover designer — and is a very smart investment. I'm glad to share my new marketing tool with you.

Publishers across North America are enjoying George's excellent service. I'm happy to be one of them. I recommend you call him about your next project.

Sincerely,

Jerry Buchanan
