Amity University Haryana, a place very close to my heart. My five-year journey with amity was joyful and full of learning and adventure. I've participated in a lot of activities, be it Sports meet, Annual fest, workshops, or competitions. Amity has been a great contributor to the development of my personality. The most important thing I've learned here is not to give up and believe in myself. The faculty, Students, and Staff were very helpful. Amity Corporate Resource Centre (CRC) Gurgaon provided a lot of placement opportunities during this pandemic and helped me to get my placement that matched my expectations and skills. I will treasure these memories for the rest of my life. Proud to be an Amitian.
