Thieme

Dear Recipient,

On behalf of everyone at Thieme, we sincerely **thank all the hard-working physicians, nurses, paramedics, medical staff, and others** who are currently doing everything possible to contain the COVID-19 virus and care for the sick.

To support you in the fight against further spread of the virus, we are providing **free access to specialist information on the coronavirus** and other respiratory viruses at www.thieme.com/coronavirus.

As we follow the authorities' latest recommendations by working remotely, the Thieme webshop is **open for business** and we will **continue to ship orders as usual**. We are working hard to keep operating during such uncertain times and are available for your queries via email, social media and phone.

Despite having our 'normal' lives on hold, we would like to share the latest publications in plastic surgery to keep you updated in your specialty. Enter promo code **PSRY20** on **thieme.com** to receive an **immediate 20% discount** on all plastic surgery books, ebooks and personal journal subscriptions (valid until August 31, 2021).

Best regards and stay safe!

Male Aesthetic Plastic Surgery

Steinbrech (Ed.)

2020/614 pp./420 illus./
hardcover & ebook
ISBN 978 1 62623 685 1
eISBN 978 1 62623 880 0
The Americas \$299.99
Europe, Africa, Asia, Australia
274.99 €

ASAPS reports that aesthetic procedures in men are up 43% over the past 5 years (ASAPS 2015 statistics). This exciting new title focuses on the differences in men and the surgical variations needed to get a good result. It also covers marketing to men and how-to photographs and care for the male patient. Chapters are presented in bulleted, high-yield format with abundant artwork and photographs, and supported by high-quality surgical video. A surgical who's who contribute chapters covering all aspects of face, body and minimally-invasive aesthetic surgery.

New!

Emerging Technologies in Face and Body Contouring

Theodorou/Chia (Eds.)

2021/244 pp./353 illus./hardcover & ebook
ISBN 978 1 62623 667 7 | eISBN 978 1 62623 879 4
The Americas \$149.99
Europe, Africa, Asia, Australia 129.99 €

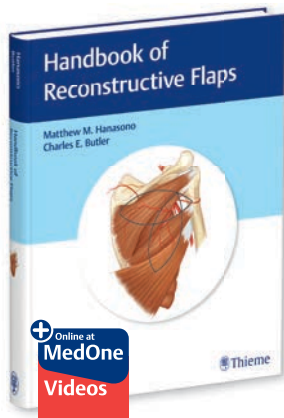

This exciting new title focuses on recent developments in liposuction, which remains the most common aesthetic surgical procedure worldwide. DVDs provide detailed operative footage, together with an accompanying manual which walks readers through the techniques in a stepwise manner and explains the pros and cons of the new modalities with numerous patient examples.

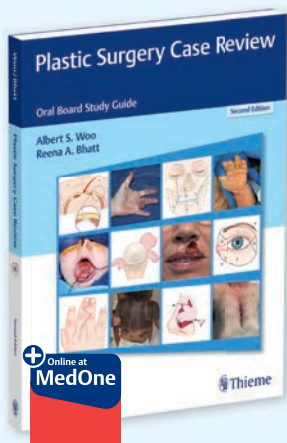

Handbook of Reconstructive Flaps

Hanasono/Butler

2020/378 pp./227 illus./hardcover & ebook
ISBN 978 1 62623 595 3 | eISBN 978 1 62623 860 2
The Americas \$109.99
Europe, Africa, Asia, Australia 99.99 €

This book gathers all the relevant facts about flap anatomy, indications, and potential complications as well as a succinct but practical description of the set-up and operative technique itself. Each flap surgery is well illustrated with line drawings for clarity and select clinical photos, and includes surgical video. The authors are faculty and alumni of the Department of Plastic Surgery at The University of Texas MD Anderson Cancer Center, which is well known for performing one of the largest volumes of reconstructive procedures of any center in the world.

New!

Plastic Surgery Case Review Oral Board Study Guide 2nd Ed.

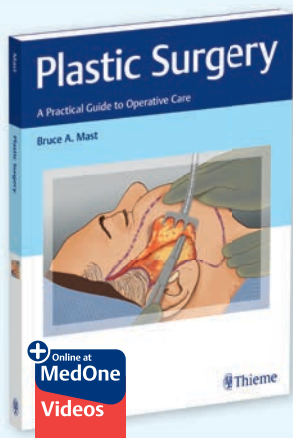

Woo

2020/296 pp./223 illus./softcover & ebook

ISBN 978 1 68420 062 7 / eISBN 978 1 68420 063 4

The Americas \$99.99/Europe, Africa, Asia, Australia 89.99 €

Like the widely acclaimed prior edition, the book is an excellent resource for plastic surgery residents and trainees of all skill levels, highlighting key adult and pediatric cases commonly featured on the plastic surgery oral board examination. The text is written in a „mock oral” format – designed to encourage critical thinking and analysis of case management – from initial workup to preventing key errors in judgment.

New!

Plastic Surgery: A Practical Guide to Operative Care Mast (Ed.)

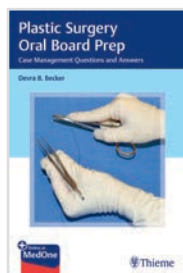

2020/498 pp./782 illus./softcover & ebook

ISBN 978 1 62623 258 7 / eISBN 978 1 62623 259 4

The Americas \$99.99/Europe, Africa, Asia, Australia 84.99 €

The book is geared towards plastic surgeons early in their careers. The focus is on commonly encountered conditions and is not intended to be an all-inclusive resource. All the surgical chapters are uniformly organized, with discussion of goals and objectives, patient presentation, surgery preparation, treatment, postoperative care, outcomes, and questions.

New!

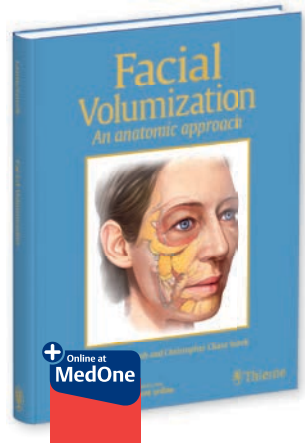

**Complications in Minimally Invasive Facial Rejuvenation
Prevention and Management**

Carniol/Avram/Brauer

2020/244 pp./262 illus./hardcover & ebook
 ISBN 978 1 68420 013 9 / eISBN 978 1 68420 014 6
 The Americas \$149.99 / Europe, Africa, Asia, Australia 134.99 €

KEY HIGHLIGHTS

- Important insights on avoidance and management of adverse complications such as diplopia, ptosis, deformities, and asymmetry, as well as potentially life-threatening cerebrovascular accidents, visual loss, skin loss, and infection
- Extensive detailed illustrations and surgical photographs improve visual understanding of anatomical topography
- High-quality videos enhance knowledge of surgical nuances, potential pitfalls, and preventive measures to avoid problems

**Facial Volumization
An Anatomic Approach**

Lamb/Surek

2017/96 pp./58 illus./hardcover & ebook
 ISBN 978 1 62623 694 3
 eISBN 978 1 62623 864 0
 The Americas \$154.99
 Europe, Africa, Asia, Australia 139.99 €

The face's gliding nature and dynamic planes present great challenges in aesthetic surgery; volume replenishment is a key component of the treatment algorithm. This book, filled with full-color images, masterfully bridges the gap between the anatomy lab and the injection clinic by synthesizing numerous publications on an array of facial procedures.

Hand Surgery

Tricks of the Trade

Beredjikian

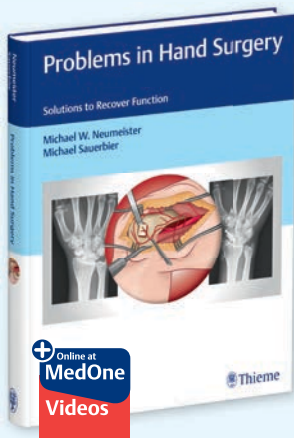

2020/506 pp./976 illus./hardcover & ebook

ISBN 978 1 62623 479 6 / eISBN 978 1 62623 480 2

The Americas \$249.99 / Europe, Africa, Asia, Australia 224.99 €

KEY FEATURES

- Consistent chapter layouts include key principles, indications, contraindications, positioning and anesthesia, important procedural steps, potential complications, and more.
- Nearly 1,000 illustrations and photographs provide greater understanding of impacted anatomy.
- Insightful intraoperative pearls, tips, and tricks provide surgeons with the tools to perform surgeries more effectively and thereby improve patient outcomes.

Problems in Hand Surgery

Solutions to Recover Function

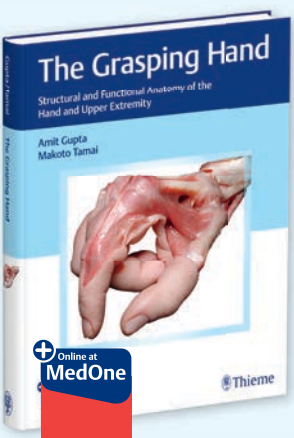

Neumeister/Sauerbier (Eds.)

2020/462 pp./1116 illus./hardcover & ebook

ISBN 978 1 62623 709 4 / eISBN 978 1 62623 865 7

The Americas \$259.99 / Europe, Africa, Asia, Australia 234.99 €

The intricate balance of the intrinsic and extrinsic soft tissue structure and bony scaffold of the hand, coupled with 31 articulating services in the hand and wrist, can lead to significant surgical challenges. Providing surgeons with technical pearls to overcome these challenges is the primary focus of this book.

New!

The Grasping Hand

Structural and Functional Anatomy of the Hand and Upper Extremity

Gupta/Tamai (Eds.)

2021/489 pp./1184 illus./hardcover & ebook

ISBN 978 1 60406 816 0 / eISBN 978 1 60406 817 7

The Americas \$199.99 / Europe, Africa, Asia, Australia 169.99 €

This resource is a contemporary exploration of the ancient Hindu concept of the Karma Indriyas, the action medium through which the body performs tasks. The state-of-the-art book details the functions of the hand to receive, gather, collect, and hold and the complicit role the upper extremity plays in enabling these actions.

Cosmetic Injection Techniques

A Text and Video Guide to Neurotoxins and Fillers

Second Edition

Kontis/Lacombe (Eds.)

2019/226 pp./127 illus./

hardcover & ebook

ISBN 978 1 62623 457 4

eISBN 978 1 62623 458 1

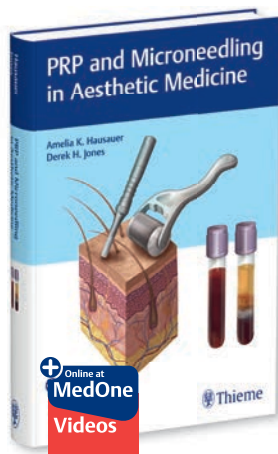

The Americas \$119.99

Europe, Africa, Asia, Australia 104.99 €

Includes a new section on fat-dissolving techniques using Kybella as well as new chapters on choosing the right filler, fine lines and skin boosters, the de Maio technique, the mandibular angle, poly-L-lactic acid for the décolleté, and gender-specific injections.

KEY HIGHLIGHTS

- Precise, full-color illustrations
- 75 superb short videos
- Covers full spectrum of facial augmentation, rejuvenation, and volumization techniques
- Expanded chapters on neurotoxins

New!

PRP and Microneedling in Aesthetic Medicine

Hausauer/Jones

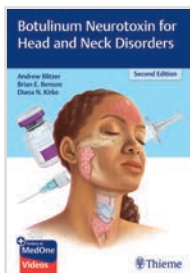

2019/162 pp./62 illus./hardcover & ebook

ISBN 978 1 62623 904 3 / eISBN 978 1 62623 905 0

The Americas \$109.99 / Europe, Africa, Asia, Australia 99.99 €

This book aims to offer more than a “how to” guide. It critically evaluates the evidence behind the therapies and provides solid insight into technical considerations, how to appraise the different systems, how to combine the procedures with other procedures, as well as present technical details and “must know” clinical pearls. It is supported by video material.
