PLAYIIT SONGBOOK

Join the Playiit community and start enjoying playing your guitar. If you enjoy playing your guitar you will play more often, for longer and you will naturally become a better and more confident player. You will have instant access to a database of over 550 play-along videos of well-known and well-loved songs. You can search, filter and sort to find what you are looking for. You can download to your device to play offline. You will have access to exclusive content that is not available on YouTube and new songs are added every day. You can join a community of like-minded guitar learners, discuss music and share your progress. You can request new songs to be added to the database.
