## **FACULTY OF MEDICINE AND HEALTH SCIENCES**

### **GUIDELINES FOR THE SELECTION OF MBChB STUDENTS 2022 for the 2023 intake**

#### **A. GENERAL INFORMATION**

1. For admission to the six-year Bachelor of Medicine and Bachelor of Surgery (MBChB) degree programme an applicant shall hold the National Senior Certificate (NSC), endorsed by Umalusi, or an equivalent qualification with an aggregate of at least 70% (level 6) (excluding Life Orientation), and with at least 60% (level 5) for Mathematics, 50% (level 4) for Physical Sciences and Life Sciences.
2. Applicants completing an international curriculum may be subject to additional requirements. Detailed information on Matriculation Exemption is available on the [www.sun.ac.za/international](http://www.sun.ac.za/international) website.

***On account of the outstanding merit of most applicants, meeting the minimum admission requirements is by no means a guarantee for successful selection.***

3. Since approximately 25-30% of the selected applicants do not accept the selection offer, more applicants are selected initially in order to compensate and eventually reach the goal of **290** students in total.
4. During the selection process, an effort is made to ensure that the gender profile of the group of selected applicants is an accurate reflection of the gender profile of applicants who satisfy the minimum admission requirements.
5. The annual revision of the number of students admitted to the programme depends on:
  - Training capacity in terms of human resources, infrastructure and the clinical training platform.
  - Regional and national needs.
  - Enrollment planning of the University.
6. Only applicants who have indicated MBChB as one of the choices on their application, before the relevant application closing date, will be considered for selection into the programme.
8. Only South African citizens, applicants with proof of permanent residency status or those with proof of refugee status will be considered for selection.

9. Candidates cannot defer their selection from one year to another. If an applicant is successful, but does not take up their selection, such an applicant will normally have to apply anew to be considered for selection in future.

## **B. GUIDELINES FOR THE SELECTION OF MBChB STUDENTS**

Applicants are considered in one of the three categories as set out below.

- B1. Current learners (grade 12) and applicants who have completed school (p. 2 – 4);
- B2. Registered Stellenbosch University students (p. 5 – 6);
- B3. Applicants with tertiary qualifications and/or work experience (p. 6 – 7).

### **1. CURRENT LEARNERS (GRADE 12) AND APPLICANTS WHO HAVE COMPLETED SCHOOL**

- 1.1 Selection of this group takes place at the first selection opportunity during the second semester of the preceding year.
- 1.2 Applicants who had matriculated longer than three years ago, cannot be considered within this category and it is recommended that they prepare themselves to be considered within category B2 or B3. Please note that selection within these categories can still not be guaranteed.
- 1.3 Applicants within this category are selected as follows on the basis of a **Selection Factor (SF)** comprising of **academic (Academic performance at school)** and **non-academic merit (Situational Judgement Test)**.

1.3.1 **Academic performance at school**, constitutes **80%** of the selection factor (SF).

1.3.1.1 In the case of Grade 12 learners, the average academic percentage obtained in the final Grade 11 year-end assessment is used (excluding Life Orientation).

1.3.1.1.1 If the impact of COVID-19 compromised your grade 11 assessment, you could submit your grade 12 mid-year assessment results in the space provided for grade 11 results.

1.3.1.1.2 Your school will be have to confirm that learning and teaching could not take place and that a grade 11 assessment was not conducted. You will be required to upload the confirmation that learning and teaching could not take place from the school with your grade 12 mid-year assessment results when you submit your application.

1.3.1.2 In the case of applicants who have completed school, their aggregate in the National Senior Certificate (NSC) examination or equivalent is used (excluding Life Orientation).

1.3.1.3 Preference will be given to applicants who obtained an average of at least 75% (excluding Life Orientation) in the mentioned examination.

1.3.2 **The Situational Judgement Test (SJT's)** constitutes **20%** of the selection factor.

1.3.2.1 Selection into the health professions needs to be based on both academic ability and non-cognitive attributes. SJT's are tests used to assess individuals'

reactions to a number of hypothetical role-relevant scenarios, which reflect situations they are likely to encounter in their target role as health professions students. (Reference DOI: [10.3109/0142159X.2015.1072619](https://doi.org/10.3109/0142159X.2015.1072619))

- 1.3.2.2 The Situational Judgement Test (SJT) is an online assessment that students should take before 15 July. Information is gathered by means of a structured online assessment.
- 1.4 All applicants are then ranked according to their Selection Factor, which forms the basis for the selection of these students.
- 1.5 The **National Benchmark Test (NBT)** will only be used to determine the admission of applicants from the School of Tomorrow. The average percentage obtained in the tests will be used.
- 1.6 **The selection process takes place as follows:**
  - 1.6.1 The top-ranked **120** applicants who are SA citizens, have permanent residency status or refugee status are selected in priority sequence according to the **Selection Factor (SF)**, irrespective of any other considerations.
  - 1.6.2 Then Indian and Asian applicants from the Western Cape and Northern Cape, and Black African and Coloured applicants from all the provinces are selected in priority sequence according to the **Selection Factor**, provided that they meet the minimum admission requirements, until 290 places have been filled.
  - 1.6.3 An additional 40 Black African applicants are selected in priority sequence according to the **Selection Factor**, provided that they meet the minimum admission requirements of an average percentage of 70%.
  - 1.6.4 Approximately 15% of the class is filled according to Selection Factor by applicants with a socio-economic status (SES) factor of 6 or higher.
    - 1.6.4.1 Socio-economic disadvantage is assessed by calculating a SES factor which takes into account the following indicators: educational disadvantage (based on school quintiles and school fees), economic disadvantage (based on social or disability grants) and first-generation status (based on the educational level of the parents). The SES factor ranges from 10 (most disadvantaged) to 0 (least disadvantaged). The cut-off for the SES factor can, however, be adjusted in accordance with the profile of the application pool.
  - 1.6.5 Should two or more applicants with the same Selection Factor vie for one position, the applicant/s with a higher SES factor will be prioritized for selection.
  - 1.6.6 If it is still not possible to distinguish between two or more applicants after considering the SES factor, such applicants may be requested to submit a motivational letter and will be interviewed by a selection panel to determine selection or not.
  - 1.6.7 Applicants who are conditionally selected for more than one programme must formally confirm their acceptance of one offer.

- 1.6.8 When all the available places are filled, approximately **150** of the remaining applicants who meet the minimum admission requirements and any other requirement/s outlined in the Selection Guidelines, are placed on a waiting list according to the Selection Factor, the demographic, SES and gender profile of the conditionally selected first-year intake group.
- 1.6.9 Cancellations are replaced from the waiting list in a further conditional selection round/s in the application year, based on Selection Factor ranking while maintaining the demographic, SES and gender profile of the conditionally selected first-year intake, provided that places are available in the programme.
- 1.6.10 In January of the following year or as soon as the final National Senior Certificate marks (or equivalent) become available, the final Grade 12 average, (excluding Life Orientation) is used to determine a new Selection Factor.
- 1.6.11 Final offers are made to conditionally selected applicants, based on the new Selection Factor using the final National Senior Certificate marks (or equivalent) and any other requirement/s outlined in the Selection Guidelines.
- 1.6.11.1 In this regard, all conditionally selected applicants who have accepted their conditional offer of selection, will receive a final selection offer to the programme if they meet the programme's minimum admission requirements and any other requirement/s outlined in the Selection Guidelines. Such applicants will be required to accept the final selection offer.
- 1.6.11.2 The selection offers, of applicants who do not accept their final selection offer (by the determined date communicated in the final offer letter), will expire.
- 1.6.12 Applicants who have applied with their final National Senior Certificate marks (or equivalent) and who have received a conditional offer of selection, will receive a final selection offer to the programme in the application year. Such applicants will be required to accept the final selection offer.
- 1.6.13 A new waiting list, comprising of all unplaced applicants, will be constructed after the release of the final National Senior Certificate marks (or equivalent). The new waiting list is ranked according to the new Selection Factor.
- 1.6.13.1 Only applicants that have submitted a complete application to the programme in the application year, meet the programme's minimum admission requirements and any other requirement/s outlined in the Selection Guidelines are eligible for the new waiting list and for reconsideration.
- 1.6.14 Programme vacancies are filled from the new waiting list, based on Selection Factor ranking while maintaining the demographic, SES and gender profile of the first-year intake, provided that places are available in the programme.

- 1.6.15 Two weeks after the academic year commences and/or all programme places are filled, the selection process will be concluded for the 2023-intake year. All unplaced applicants will then be considered unsuccessful for the 2023-intake year.

## 2. REGISTERED STELLENBOSCH UNIVERSITY STUDENTS

- 2.1 Approximately **15%** of the first year intake is filled from this group **AND** the category of applicants with tertiary qualifications and/or work experience (see B.3 below).
- 2.2 Places are reserved for **Stellenbosch University students** who are **SA citizens, have permanent residency status or refugee status** and who pursue relevant fields of study (preferably related to the natural sciences). Due to the limited number of places in the programme, no students who are enrolled at another institution at the time of application, can be considered for selection.
- 2.3 The following groupings of registered students are considered in this category:
- First-year Bachelor's students (see 2.7 for exception)
  - Final-year Bachelor's students (in a 3-year Bachelor's degree) (see 2.7 for exceptions)
  - Postgraduate students:
    - Honours students and final year students (in a 4-year Bachelor's degree) (see 2.7 for exception)
    - Final year Master's students
    - Doctoral students completing their doctoral studies in the year in which they are applying.

The selection ratio of the above-mentioned groupings will reflect the ratio of the applicants who meet the requirements for the groupings in this category (see 2.7).

- 2.4 Registered students who follow another selection programme in Health Sciences will not be considered for selection.
- 2.5 Applications close on **30 September** and are considered early in **December**, after the final results have become available. **Students who do not utilise the first examination opportunity, cannot be considered.**
- 2.6 This group is selected on the basis of academic performance, the demographic profile of the first-year intake and also a number of other considerations (see 2.7):

The average academic achievement of registered students is calculated as follows:

- In the case of first-year students (BSc I and other programmes), the weighted average percentage of the first year is calculated.
- In the case of final-year Bachelors students, the weighted average percentage of all the study years is calculated together.
- In the case of postgraduate students (excluding doctoral students), the final mark for the programme will be used.

- 2.7 For this category of applicants the following **additional guidelines** will also apply:
- 2.7.1 In the case of first-year students (mostly BSc I students) only students who pass all their first-year subjects with a weighted average of at least 70% will be considered.
  - 2.7.2 In the case of students who complete the undergraduate qualification in the year concerned, preference will be given to students who complete the degree in the prescribed time with a weighted average of at least 70% for the duration of the programme.
  - 2.7.3 In the case of postgraduate registered students, undergraduate performance is also considered. Preference will be given to students who had completed previous degrees with a weighted average of at least 60% and who obtain at least 70% for the postgraduate qualification enrolled for at the time of application and who have included a **motivational letter** with their application.
- 2.8 Undergraduate students are ranked in order of priority based on the preceding considerations (2.7.1 and 2.7.2), and this serves as point of departure for the selection process.
- 2.9 For undergraduate students in both categories of first- and final year students, 35% of the allocated group size (according to 2.3) will be selected from the top academic performers. For the remaining 65% of the group, the selection committee may select Black African, Coloured, Indian and Asian applicants who meet the minimum selection criteria as set out in 2.7.1 and 2.7.2.
- 2.10 In the case of registered first year and final year undergraduate students, when all the available places are filled, qualifying applicants are placed on a waiting list according to academic merit. Cancellations are filled from the waiting list according to merit, provided that places are available in the programme.
- 2.11 Postgraduate applicants within this category are ranked in order of priority on the basis of the preceding considerations in 2.7.3, after which a shortlist of meritorious applicants is compiled. A final selection is made after applicants on the shortlist have been further assessed by means of a personal interview. Invitation to an interview is by no means a guarantee that an applicant will be selected.
- 3. APPLICANTS WITH TERTIARY QUALIFICATIONS AND/OR WORK EXPERIENCE**
- 3.1 Approximately 15% of the first year intake is filled from this group **AND** the category of registered Stellenbosch University students (see B.2 above).
  - 3.2 Selection of this group of applicants takes place at the first selection opportunity during the second semester of the preceding year.
  - 3.3 Approximately **20 places** will be reserved for persons with tertiary qualifications and/or work experience, and who are not enrolled for a further qualification at the time of application. Applicants who are registered for single modules at tertiary level for non-degree purposes at the time of application, may also be considered within this category.

- 3.4 Preference will be given to applicants who have already obtained a tertiary qualification (NQF level 7 and above) in the normal time with a weighted average of 60% or more and who have included a **motivational letter** with the application.
- 3.5 In the case of applicants who have completed a qualification in health care preference will be given to candidates who have completed their internship and/or community service.
- 3.6 These applicants are short-listed according to academic merit, the demographic profile of the first-year intake and also a number of other considerations (see 3.4 above). A short list of meritorious applicants is then compiled after the consideration of all applications within this category.
- 3.7 A final selection is made after applicants on the shortlist have been further assessed by means of a personal interview.
- 3.8 Invitation to an interview is by no means a guarantee that an applicant will be selected.

## **C. SELECTION OF BLACK AFRICAN, COLOURED, INDIAN AND ASIAN APPLICANTS**

The Faculty of Medicine and Health Sciences, in consultation with the Vice-Rector (Learning and Teaching), annually determines enrollment targets that are aligned with, inter alia, the guidelines of the National Department of Higher Education and Training for the transformation of the higher education sector and the subsequent institutional enrollment planning, as well as the University's commitment to inclusivity and diversity.

## **D. APPLICANTS WHO DO NOT HAVE SOUTH AFRICAN CITIZENSHIP, A PERMANENT RESIDENCE PERMIT OR REFUGEE STATUS FOR SOUTH AFRICA**

1. Such applicants will not be considered.
2. Applicants with official refugee status must be considered according to law. Only SA citizens qualify for institutional bursaries and loans, as well as NSFAS funding. Applicants with refugee status therefore need to keep their financial position in mind when taking up a place in the MBChB programme.

## **E. TAKING THE NATIONAL BENCHMARK TESTS (NBT)**

1. The NBTs do not form part of selection for of category B1 applicants.

2. The exception is for School of Tomorrow (SOT) applicants who in addition to meeting the minimum admission requirements, SOT applicants must meet the below NBT requirements for admission (in order to obtain university exemption from the South African Matriculation Board):

NBT	AL Academic Literacy	QL Quantitative Literacy	MAT Mathematics
NBT minimum requirement: SOT	65%	66%	34%

3. The tests will be conducted countrywide at various centres.
4. All SOT applicants in category B1 must write the NBT before the end of 2022 by registering (at least 3 weeks before the test date) at [www.nbt.ac.za](http://www.nbt.ac.za) to secure a place at the relevant venue.
5. Registered Stellenbosch University students (category B2) and applicants with tertiary qualifications and/or work experience (category B3) are exempt from this requirement.

## F. PROCEDURES TO BE FOLLOWED FOR THE SELECTION PROCESS

### 1. APPLICATION FORMS

- 1.1 Applicants can apply electronically at [www.maties.com](http://www.maties.com)
- 1.2 The closing date for submitting all applications for categories B1 and B3 is **31 July** of the year that precedes registration.
- 1.3 Registered SU students applying in category B2 must apply before **30 September**. Contact [tygselections@sun.ac.za](mailto:tygselections@sun.ac.za) for an application form.

### 2. PROCESSING OF APPLICATIONS

- 2.1 A complete database of each prospective student is compiled based on the information captured by the applicant on the online application form. At the same time, the marks of learners or applicants who have matriculated (B1) are processed electronically.
- 2.2 The school results are captured and processed electronically to determine the selection factor (SF). (This selection factor is used to determine an applicant's position on the merit list.)
- 2.3 The academic records of registered students (B2) as well as those of graduates (B3) are processed manually and an average percentage is calculated. These applicants are then considered on the basis of academic performance, although other factors may also be taken into consideration in the case of postgraduate students and graduates (see sections B2 and B3 above).

- 2.4 It is expected of applicants to provide an undertaking that all information provided is accurate. In the event that it should be discovered that a selected applicant has provided false information or has withheld information, intentionally or through negligence, they might forfeit their selection.

### **3. SELECTION OPPORTUNITIES**

- 3.1 The first selection takes place during the second semester of the preceding year. On this occasion, current learners and applicants who have completed school (B1), as well as applicants with work experience and/or tertiary qualifications (B3) are considered. Selection of the latter applicants (who have been placed on a short list) is only finalised after interviews with members of the Selection Panel have taken place (see B 3.6).
- 3.2 Applications of registered SU students (B2) are only considered when their final university results become available in December.
- 3.3 SciMathUS students are considered in January in the same category of current learners and applicants who have completed school (B1) (on the basis of their new academic merit).
- 3.4 Further selection of unplaced applicants takes place continuously, based on the Academic merit (B1) and if they were waitlisted (B2 and B3) depending on cancellations received from the various sub-categories and available places in the programme.
- 3.5 Selection is finalised within two weeks after the commencement of the first-semester classes of MBChB I.

### **4. SENDING OUT SELECTION LETTERS**

- 4.1 After the selection meetings, applicants are informed electronically of the selection results.
- 4.2 All applicants must accept or decline their selection offer. Failure to respond by the required response date will render the offer as expired. Re-issuing of offers will only be made if there are still places available in the programme. The following stipulations apply to the relevant selection categories:
- 4.2.1 Category B1 Applicants selected in the first selection round in September, must respond to their offer by 30 September. Applicants selected thereafter from the waiting list will have 5-days from the issuing of the selection letters, stating whether or not they accept the offer.
- 4.2.2 Category B2 Applicants selected in the first selection round in December/January or selected from the waiting list thereafter, will have 5-days from the issuing of the selection letters, stating whether or not they accept the offer.
- 4.2.3 Category B3 Applicants selected in the first selection round in September, must respond to their offer by 30 September. Applicants selected thereafter from the waiting list will have 5-days from the issuing of the selection letters, stating whether or not they accept the offer.

- 4.2.4 Category B1 Applicants selected in the final selection round in January of the registration year will have 3-days from the issuing of the selection letters, stating whether or not they accept the offer.
- 4.3 The places of applicants who do not respond to the offer and cannot be reached administratively will be cancelled.
- 5. APPLICANTS WHO NO LONGER MEET THE SELECTION REQUIREMENTS AFTER THE FINAL NATIONAL SENIOR CERTIFICATE RESULTS BECOME AVAILABLE**
- 5.1 Applicants who obtained provisional acceptance during the first selection round and who do not meet the minimum admission requirements with their final matric results, will forfeit their selection.

## **G. SELECTION COMMITTEE**

Selection of prospective students is done by a selection panel, compiled by the Strategic Committee on Recruitment, Selection and Admissions, which is chaired by the Dean of the faculty. All decisions regarding selection are approved by the Dean prior to communication with the candidates and decisions are final. All enquiries regarding the selection process should be directed to the Selection Office located in the Centre for Student Administration (Tygerberg Campus).

## **FAKULTEIT GENEESKUNDE EN GESONDHEIDSWETENSKAPPE**

### **RIGLYNE VIR DIE KEURING VAN MBChB-STUDENTE 2022 VIR 2023-inname**

#### **A. ALGEMENE INLIGTING**

1. Vir toelating tot die sesjarige Baccalaureus in Geneeskunde en die Baccalaureus in Snykunde (MBChB)-graadprogram moet 'n aansoeker in besit wees van die Nasionale Senior Sertifikaat (NSS) soos gesertifiseer deur Umalusi, of 'n gelykwaardige kwalifikasie met 'n gemiddeld van minstens 70% (vlak 6) (Lewensoriëntering uitgesluit), en met minstens 60% (vlak 5) in Wiskunde en 50% (vlak 4), in Fisiese Wetenskappe en Lewenswetenskappe.
2. Aansoekers wat 'n internasionale kurrikulum voltooi, kan onderhewig wees aan addisionele vereistes. Gedetailleerde inligting oor Matrikulasievystelling is op die [www.sun.ac.za/international](http://www.sun.ac.za/international) webwerf beskikbaar.

***Op grond van die hoogstaande meriete van die meeste aansoekers, is voldoening aan die minimum toelatingsvereistes geensins 'n waarborg van suksesvolle keuring nie.***

3. Aangesien ongeveer 25-30% van die gekeurde aansoekers nie die keuringsaanbod aanvaar nie, word daar aanvanklik meer aansoekers gekeur om te kompenseer ten einde uiteindelik die mikpunt van ongeveer **290** studente in totaal te bereik.
4. Gedurende die keuringsproses word dit daarna gestreef dat die geslagsprofiel van die groep gekeurde kandidate 'n weerspieëling sal wees van die geslagsprofiel van aansoekers wat aan die minimum toelatingsvereistes voldoen.
5. Die jaarlikse hersiening van die getal studente toegelaat tot die program is op grond van:
  - Opleidingskapasiteit t.o.v. menslike hulpbronne, infrastruktuur en die kliniese opleidingsplatform.
  - Streeks- en landsbehoefte.
  - Inskrywingsbeplanning van die Universiteit.
6. Slegs aansoekers van aansoekers wat MBChB as 'n keuse op hul aansoek stel sal oorweeg word, voor die sluitingsdatum.
7. Slegs Suid-Afrikaanse Burgers, aansoekers met bewys van permanente verblyfstatus of aansoekers met bewys van vlugtelingstatus sal vir keuring oorweeg word.

8. Kandidate kan nie hul keuring uitstel van een jaar na 'n volgende nie. Indien 'n aansoeker dus suksesvol is en nie hulle keuring aanvaar nie, moet sodanige aansoeker normaalweg weer van vooraf aansoek doen om oorweeg te word vir keuring in die toekoms.

## **B. RIGLYNE VIR DIE KEURING VAN MBChB-STUDENTE**

Aansoekers word slegs oorweeg in een van die drie verskillende kategorieë, soos hieronder uiteengesit.

- B1. Huidige leerders (graad 12) en gematrikuleerdes (bl 12 – 15);
- B2. Ingeskrewe Universiteit Stellenbosch studente (bl 15 – 16);
- B3. Aansoekers met naskoolse kwalifikasies en/of beroepservaring (bl 16-17).

### **1. HUIDIGE LEERDERS (GRAAD 12) EN GEMATRIKULEERDES**

- 1.1 Keuring van hierdie groep vind plaas tydens die eerste keuringsgeleentheid gedurende die tweede semester van die voorafgaande jaar.
- 1.2 Aansoekers wat langer as drie jaar gelede gematrikuleer het, kan nie binne hierdie kategorie oorweeg word nie en word aangeraai om eers hulself voor te berei vir oorweging in kategorie B2 of B3. Let egter daarop dat keuring in hierdie kategorieë steeds nie gewaarborg kan word nie.
- 1.3 Aansoekers in hierdie kategorie word soos volg op grond van akademiese meriete word soos volg op grond van basis **van 'n keuringsfaktor (KF) wat bestaan uit akademiese (akademiese prestasie op skool) en nie-akademiese meriete (Situasionele Beoordelings Toets)**
  - 1.3.1 **Akademiese prestasie op skool maak 80%** van die keuringsfaktor (KF)
    - 1.3.1.1 In die geval van huidige leerders (Graad 12) word die gemiddelde akademiese persentasie behaal in die Graad 11-eindeksamens (Lewensoriëntering uitgesluit) gebruik.
      - 1.3.1.1.1 Indien die impak van COVID-19 jou graad 11-assesserings beïnvloed het, kan jy jou halfjaar-eskamenuitslae van graad 12 in die gedeelte vir graad 11-uitslae, aandui.
      - 1.3.1.1.2 Jou skool sal moet bevestig dat leer en onderrig nie moontlik was nie en dat die graad 11-assessering nie plaasgevind het nie. Laai asseblief die bevestiging van jou skool en jou resultate op wanneer jy jou aansoek in dien.
    - 1.3.1.2 In die geval van gematrikuleerdes word die gemiddelde akademiese persentasie behaal in die Nasionale Seniorsertifikaat-eksamen (Lewensoriëntering uitgesluit) of ekwivalent gebruik.
    - 1.3.1.3 Voorkeur sal gegee word aan aansoekers wat minstens 75% (Lewensoriëntering uitgesluit) in genoemde eksamens behaal het.
  - 1.3.2 **Die Situasionele Beoordelings Toets (SBT's) vorm 20%** van die keuringsfaktor.
    - 1.3.2.1 Keuring in die gesondheidsberoep moet gebaseer wees op beide akademiese vermoëns en nie-kognitiewe eienskappe. SBT's is toetse

wat gebruik word om individue se reaksies op 'n aantal hipotetiese rolrelevante scenario's te beoordeel, wat situasies weerspieël wat hulle waarskynlik sal teëkom in hul teikenrol as gesondheidsberoepstudiante. (Verwysing DOI: 10.3109 / 0142159X.2015.1072619)

1.3.2.2 Die Situationele Beoordelings Toets (SBT) is 'n aanlyn-assessering wat studente voor 15 Julie moet aflê. Inligting word versamel deur middel van 'n gestruktureerde aanlyn-assessering.

- 1.4 Alle aansoekers word op grond van hul akademiese meriete op 'n merietelys geranglys, wat die basis vorm vir die keuring van hierdie studente.
- 1.5 Die Nasionale Normtoets (NNT) word slegs gebruik om die toelating van aansoekers tot die School of Tomorrow (SOT) te bepaal. Die gemiddelde persentasie wat in die toetse behaal is, sal gebruik word.
- 1.6 Die keuringsproses geskied as volg:
  - 1.6.1 Die top **120** aansoekers met SA burgerskap, permanente verblyfstatus of vlugtelingsstatus word in volgorde volgens die akademiese meriete gekeur, prioriteitsvolgorde volgens die **Keuringsfaktor (KF)**, ongeag enige ander oorwegings.
  - 1.6.2 Daarna word Indiër en Asiatiese aansoekers uit die Wes- en Noord-Kaap asook bruin en swart Afrikaan aansoekers uit al die provinsies in prioriteitsvolgorde volgens die **Keuringsfaktor** gekeur, mits hulle aan die minimum toelatingsvereistes voldoen, totdat 290 plekke gevul is.
  - 1.6.3 'n Verdere 40 swart Afrikaan aansoekers word vervolgens in prioriteitsvolgorde volgens die **Keuringsfaktor** gekeur, mits hulle aan die minimum toelatingsvereiste van 'n 70% gemiddelde persentasie voldoen.
  - 1.6.4 Ongeveer 15% van plekke sal in orde van meriete deur aansoekers met 'n sosio-ekonomiese status (SES)-faktor van 6 of hoër gevul word.
    - 1.6.4.1 Sosio-ekonomiese benadeling word gemeet deur 'n SES-faktor te bereken wat die volgende indikatore in ag neem: onderwysbenadeling (gebaseer op skoolkwintiele en skoolfonds), ekonomiese benadeling (gebaseer op maatskaplike of ongeskiktheidstoelae) en eerste generasie-status (gebaseer op die opvoedkundige vlak van die ouers). Die SES-faktor wissel van 10 (mees benadeel) tot 0 (minste benadeel). Die afsny-telling van die SES-faktor kan wel aangepas word in ooreenstemming met die aansoekpoel.
  - 1.6.5 Sou twee of meer aansoekers met dieselfde keuringsfaktor vir een plek meeding, sal die aansoeker/s met 'n hoër SES-faktor voorkeur geniet vir keuring.
  - 1.6.6 As dit na die oorweging van die SES-faktor nog nie moontlik is om tussen twee of meer aansoekers te onderskei nie, kan sodanige aansoekers 'n motiveringsbrief indien en sal hulle na onderhoudvoering deur 'n keuringspaneel gekeur word of nie.

- 1.6.7 Aansoekers wat voorwaardelik vir meer as een program gekeur word, moet formeel hul aanvaarding van een aanbod bevestig
- 1.6.8 Wanneer al die beskikbare plekke gevul word, word ongeveer **150** van die oorblywende aansoekers wat aan die minimum toelatingsvereistes en enige ander vereiste/s wat in die Keuringsriglyne uiteengesit word, op 'n waglys geplaas volgens die Keuringsfaktor, die demografiese-, SES- en geslagsprofiel van die voorwaardelik gekeurde eerstejaar-innamegroep.
- 1.6.9 Kansellasies word vanaf die waglys volgens ranglys volgorde aangevul terwyl die demografiese profiel van eerstejaars-inname behou word, mits daar plek is in die program.
- 1.6.10 In Januarie van die daaropvolgende jaar of sodra die finale Nasionale Senior Sertifikaat-punte (of ekwivalent) beskikbaar is, word die finale graad 12-gemiddelde (uitgesonderd lewensoriëntering) gebruik om 'n nuwe keuringsfaktor te bepaal.
- 1.6.11 Finale aanbiedings word gedoen aan voorwaardelik gekeurde aansoekers, gebaseer op die nuwe keuringsfaktor met behulp van die finale Nasionale Seniorsertifikaat-punte (of ekwivalent) en enige ander vereiste wat in die Keuringsriglyne uiteengesit word.
- 1.6.11.1 In hierdie verband sal alle voorwaardelik gekeurde aansoekers wat hul voorwaardelike keuringsaanbod aanvaar het, 'n finale keuringsaanbod vir die program ontvang indien hulle voldoen aan die minimum toelatingsvereistes van die program en enige ander vereiste wat in die Keuringsriglyne uiteengesit word. Daar sal van sulke aansoekers verwag word om die finale keuringsaanbod te aanvaar.
- 1.6.11.2 Die keuringsaanbiede van aansoekers wat nie hul finale keuringsaanbod aanvaar nie (teen die vasgestelde datum wat in die finale aanbodbrief meegedeel word), sal verval.
- 1.6.12 Aansoekers wat aansoek gedoen het met hul finale Nasionale Senior Sertifikaat-punte (of ekwivalent) en wat 'n voorwaardelike keuringsaanbod ontvang het, sal in die aansoekjaar 'n finale keuringsaanbod vir die program ontvang. Daar sal van sulke aansoekers verwag word om die finale keuringsaanbod te aanvaar.
- 1.6.13 'n Nuwe waglys, bestaande uit alle nie-gekeurde aansoekers, sal opgestel word na die vrystelling van die finale Nasionale Senior Sertifikaat-punte (of ekwivalent). Die nuwe waglys word volgens die nuwe keuringsfaktor gerangskik.
- 1.6.13.1 Slegs aansoekers wat in die aansoekjaar 'n volledige aansoek by die program ingedien het, voldoen aan die minimum toelatingsvereistes van die program en enige ander vereiste wat in die Keuringsriglyne uiteengesit word, kom in aanmerking vir die nuwe waglys en vir herooring.
- 1.6.14 Beskikbare plekke in die program word vanaf die nuwe waglys gevul, gebaseer op die rangorde van die keuringsfaktor met behoud van die demografiese-, SES- en

geslagsprofiel van die eerstejaarsinname groep, mits daar plekke in die program beskikbaar is.

1.6.15 Die keuringsproses vir die 2023-innamejaar sal twee weke na die aanvang van die akademiese jaar en/of wanneer alle programplekke gevul is afgehandel word. Alle aansoekers wat nie gekeur is nie, word dan as onsuksesvol beskou vir die 2023-innamejaar.

## **2. INGESKREWE UNIVERSITEIT STELLENBOSCH-STUDENTE**

2.1 Ongeveer **15%** van die plekke word gevul vanuit hierdie groep **EN** die kategorie van aansoekers met naskoolse kwalifikasies en / of beroepservaring (sien B.3 hieronder).

2.2 Plekke word gereserveer vir **studente van die Universiteit Stellenbosch** wat **SA burgers, persone met permanente verblyf- of vlugtelingsstatus** is en wat toepaslike studierigtings (by voorkeur natuurwetenskappe-verwant) volg. As gevolg van die beperkte aantal plekke in die program, kan geen student wat by aansoek by 'n ander instelling geregistreer is, vir keuring oorweeg word nie.

2.3 Die volgende groeperings van ingeskrewe studente word in hierdie kategorie oorweeg:

- Eerstejaar-Baccalaureus studente (sien uitsondering by 2.7)
- Finalejaar-Baccalaureus studente (in 'n 3-jaar Baccalaureus graad) (sien uitsondering by 2.7)
- Nagraadse studente
  - Honneurstudente en finalejaar studente (in 'n 4-jaar Baccalaureus graad) (sien uitsondering by 2.7)
  - Finalejaar Magisterstudente
  - Doktorale studente wat hul doktorale studie voltooi gedurende die jaar waarin hulle aansoek doen

Die keuringsverhouding van bogenoemde groeperings sal die verhouding van die aansoekers wat aan die vereistes vir hierdie groeperings voldoen (kyk 2.7), reflekteer.

2.4 Ingeskrewe studente wat 'n ander keuringsprogram in Gesondheidswetenskappe volg, sal nie vir keuring oorweeg word nie.

2.5 Die aansoeke sluit op **30 September** en word vroeg in **Desember**, nadat die finale uitslae beskikbaar is, oorweeg. **Studente wat nie van die eerste eksamenleentheid gebruik maak nie, sal nie oorweeg kan word nie.**

2.6 Hierdie groep word gekeur op grond van akademiese prestasie, die demografiese profiel van die eerstejaarsinname, asook enkele ander oorwegings (sien 2.7):

Die gemiddelde akademiese prestasie van ingeskrewe studente word as volg bereken:

- in die geval van eerstejaars (BSc I en ander programme) word die geweegde gemiddelde persentasie van die eerstejaar bereken.
- in die geval van finalejaar- Baccalaureus studente word die geweegde gemiddelde persentasie van al die studiejare gesamentlik bereken.

- In die geval van nagraadse studente (uitgesonderd doktorale studente), sal die finale punt vir die program gebruik word.
- 2.7 Vir hierdie kategorie van aansoekers sal die volgende **bykomende riglyne** ook geld:
- 2.7.1 In die geval van eerstejaars (meestal BSc I-studente) sal slegs studente wat al hul eerstejaarsvakke met 'n geweege gemiddeld van minstens 70% slaag, oorweeg word.
  - 2.7.2 In die geval van studente wat die voorgraadse kwalifikasie in die betrokke jaar voltooi, sal voorkeur verleen word aan studente wat die graad in die voorgeskrewe tyd voltooi met 'n geweege gemiddelde persentasie van minstens 70% oor die duur van die program.
  - 2.7.3 In die geval van nagraadse ingeskrewe studente, word voorgraadse prestasie ook in oorweging geneem. Voorkeur sal gegee word aan studente wat vorige grade met 'n geweege gemiddeld van minstens 60% geslaag het, en wat minstens 70% verwerf vir die nagraadse kwalifikasie waarvoor hulle by aansoek geregistreer is en wie 'n **motiveringsbrief** by hul aansoek insluit.
- 2.8 Voorgraadse studente word in prioriteitsvolgorde o.g.v. voorgaande oorwegings (2.7.1 en 2.7.2) gerangskik, en dit dien as vertrekpunt vir die keuringsproses.
- 2.9 Vir voorgraadse studente in beide kategorieë eerste- en finalejaarstudente sal 35% van die toegewysde groepgrootte (volgens 2.3) uit die beste akademiese kunstenaars gekeur word. Vir die oorblywende 65% van die groep kan die keurkomitee swart Afrikaan-, bruin, Indiër- of Asiatiese aansoekers keur wat voldoen aan die minimum keuringskriteria soos uiteengesit in 2.7.1 en 2.7.2.
- 2.10 In die geval van eerstejaar en finalejaar voorgraadse studente, wanneer al die beskikbare plekke gevul is, word aansoekers wat kwalifiseer op 'n waglys geplaas in volgorde van akademiese meriete. Kansellasies kan in merietevolgorde van die waglys aangevul word, mits daar plek is in die program.
- 2.11 Nagraadse aansoekers in hierdie kategorie word in prioriteitsvolgorde o.g.v. voorgaande oorwegings in 2.7.3 gerangskik, waarna 'n kortlys van verdienstelike aansoekers saamgestel word. Aansoekers op die kortlys sal na persoonlike onderhoudvoering finaal gekeur word. Uitnodiging na 'n onderhoud dien geensins as waarborg dat 'n aansoeker wel gekeur sal word nie.

### **3. AANSOEKERS MET NASKOOLSE KWALIFIKASIES EN/OF BEROEPSERVARING**

- 3.1 Ongeveer 15% van die eerstejaar inname word gevul vanuit hierdie groep **EN** die kategorie van huidige geregistreerde Universiteit studente (sien B.2 hierbo).
- 3.2 Keuring van hierdie groep aansoekers vind tydens die eerste keuringsgeleentheid gedurende die tweede semester van die voorafgaande jaar plaas.

- 3.3 Ongeveer **20 plekke** sal gereserveer word vir persone met naskoolse kwalifikasies en/of beroepservaring, en wat by aansoek nie vir enige verdere kwalifikasie geregistreer is nie. Aansoekers wat by aansoek vir enkele losstaande modules op tersiêre vlak vir nie-graaddeleindes geregistreer is, kan ook in hierdie kategorie oorweeg word.
- 3.4 Voorkeur sal gegee word aan aansoekers wat reeds voorheen 'n tersiêre kwalifikasie (NQF vlak 7 en hoër) in die normale tyd, en met 'n geweepte gemiddelde van 60% of hoër geslaag het, en 'n **motiveringsbrief** by hul aansoek insluit.
- 3.5 In die geval van aansoekers wat 'n kwalifikasie in gesondheidsorg voltooi het sal voorkeur gegee word aan aansoekers wat reeds hul internskap en/of gemeenskapsjaar voltooi het.
- 3.5 Hierdie aansoekers word oorweeg op grond van akademiese meriete, die demografiese profiel van die eerstejaarsinname sowel asook enkele ander oorwegings (sien 3.4 hierbo). 'n Kortlys van verdienstelike aansoekers word na oorweging van alle aansoeke in hierdie kategorie saamgestel.
- 3.6 Aansoekers op die kortlys sal na persoonlike onderhoudvoering finaal gekeur word.
- 3.7 Uitnodiging na 'n onderhoud dien geensins as waarborg dat 'n aansoeker wel gekeur sal word nie.

## **C. KEURING VAN SWART AFRIKAAN-, BRUIN, INDIËR- EN ASIATIESE AANSOEKERS**

Die Fakulteit Geneeskunde en Gesondheidswetenskappe bepaal jaarliks in onderlinge oorleg met die Viserektor (Leer en Onderrig), inskrywingsteikens wat belyn is met, onder andere, die Nasionale Departement van Hoër Onderwys en Opleiding se riglyne vir die transformasie van die hoër onderwyssektor en die institusionele inskrywingsbeplanning wat daaruit voortspruit, sowel as die Universiteit se verbintenis tot inklusiwiteit en diversiteit.

## **D. AANSOEKERS WAT NIE SUID-AFRIKAANSE BURGERS IS NIE, NIE 'N PERMANENTE VERBLYFPERMIT OF VLUGTILINGSTATUS VIR SUID-AFRIKA HET NIE**

1. Sodanige aansoekers sal nie oorweeg word nie.
2. Aansoekers met amptelike vlugtelingstatus moet volgens wetgewing oorweeg word. Slegs SA burgers kwalifiseer egter vir institusionele beurse en lenings, asook vir NSFAS-befondsing. Aansoekers met vlugtelingstatus moet dus hul finansiële posisie in ag neem wanneer 'n plek in die MBChB program opgeneem word.

## E. DIE AFLÊ VAN DIE NASIONALE NORMTOETSE (NNT) (“NATIONAL BENCHMARK TESTS”) (“NBT”)

1. Die NNT's vorm nie deel van die keuring vir kategorie B1-aanzoekers nie.
2. Die uitsondering is vir aanzoekers van School of Tomorrow (SOT) wat benewens die voldoening aan die minimum toelatingsvereistes, moet SOT-aanzoekers ook aan die onderstaande NNT-vereistes vir toelating voldoen (ten einde universiteitsvrystelling van die Suid-Afrikaanse Matrikulasieraad te verwerf):

NNT	AL Akademiese Geletterdheid	QL Kwantitatiewe Geletterdheid	MAT Wiskunde
NNT minimum vereiste: SOT	65%	66%	34%

3. Die toetse sal landswyd by verskeie sentra afgeneem word.
4. SOT aansokers in kategorie B1 moet die NNT voor die einde van 2022 aflê en moet betyds (minstens 3 weke voor die toetsdatum) by [www.nbt.ac.za](http://www.nbt.ac.za) vir die toetse registreer ten einde 'n plek in die betrokke toetssentrum te verseker.
5. Ingeskrewe Universiteit Stellenbosch studente (B2) en aanzoekers met naskoolse kwalifikasies en/of beroepservaring (B3) word vrygestel van hierdie vereiste.

## F. PROSEDURES WAT GEVOLG WORD M.B.T. DIE KEURINGSPROSES

### 1. AANSOEKVORMS

- 1.1 Aanzoekers kan aanlyn aansoek doen by [www.maties.com](http://www.maties.com)
- 1.2 Die sluitingsdatum vir die indiening van alle kategorie B1 en B3 aansoeke, is **31 Julie** van die jaar wat registrasie voorafgaan.
- 1.3 Geregistreerde US studente wat in kategorie B2 aansoek doen, doen voor **30 September** aansoek. Kontak [tygselections@sun.ac.za](mailto:tygselections@sun.ac.za) vir 'n aansoekvorm.

### 2. VERWERKING VAN AANSOEKE

- 2.1 'n Volledige databasis van elke aansoeker word saamgestel uit die inligting wat deur die aansoeker op die aanlyn-aansoekvorm ingevoer is. Die punte van huidige leerders of gematrikuleerdes (B1) word terselfdertyd rekenaarmatig verwerk.

- 2.2 Die skoolresultate word elektronies vasgelê en verwerk om die akademiese meriete te bepaal wat gebruik word om 'n aansoeker se posisie op die merietelys te bepaal.
- 2.3 Die akademiese rekords van ingeskrewe studente (B2) sowel as dié van gegradueerdes (B3) word per hand verwerk en 'n gemiddelde persentasie word bereken. Hierdie aansoekers word dan op grond van akademiese prestasie oorweeg, alhoewel ander faktore wel in die geval van nagraadse studente en gegradueerdes in berekening gebring mag word (sien afdelings B2 en B3 hierbo).
- 2.4 Daar word van aansoekers verwag om 'n onderneming te voorsien dat alle inligting wat verskaf word, akkuraat is. In die geval dat dit ontdek word dat 'n gekeurde aansoeker vals inligting verskaf het of opsetlik of deur nalatigheid inligting teruggehou het, kan hulle hul keuring verbeur.

### **3. KEURINGSGELEENTHEDE**

- 3.1 Die eerste keuring vind in die tweede semester van die voorafgaande jaar plaas. By hierdie geleentheid word die huidige leerders en gematrikuleerdes (B1) en aansoekers met naskoolse kwalifikasies en/of beroepservaring (B3) oorweeg. Die keuring van laasgenoemde aansoekers (wat op 'n kortlys geplaas is) word eers finaal na onderhoudvoering met lede van die Keuringspaneel afgehandel (sien B3.6).
- 3.2 Die aansoeke van geregistreerde US studente (B2) word eers in Desember oorweeg nadat hulle finale universiteitsuitslae beskikbaar is.
- 3.3 SciMathUS studente word in Januarie in dieselfde kategorie as huidige leerders en gematrikuleerdes (B1) oorweeg (op grond van hul nuwe akademiese meriete).
- 3.4 Verdere keuring van ongekeurde aansoekers vind voortdurend plaas, gebaseer op die Akademiese meriete (B1) en indien hulle op 'n waglys (B2 en B3) was, afhangende van kansellaries wat van die verskillende subkategorieë ontvang is en beskikbare plekke in die program.
- 3.5 Keuring word finaal afgehandel binne 2 weke na aanvang van die eerstesemester klasse vir MBChB I.

### **4. UITSTUUR VAN KEURINGSBRIEWE**

- 4.1 Na afloop van keuringsvergaderings word aansoekers elektronies van die keuringsuitslag in kennis gestel.
- 4.2 Alle aansoekers moet hul keuringsaanbod aanvaar of van die hand wys. Indien 'n aansoeker nie teen die responsdatum reageer nie, sal die aanbod vertyskryk. Heruitreiking van aanbiedinge sal slegs gemaak word indien daar nog plekke in die program beskikbaar is. Die volgende bepalinge is van toepassing op die relevante keuringskategorieë:
  - 4.2.1 Kategorie B1 Aansoekers wat in die eerste keuringsronde in September gekeur is, moet teen 30 September op hul aanbod reageer. Aansoekers wat daarna vanaf die

- waglys gekeur word, sal 5 dae hê vanaf die uitreiking van die keuringsbriewe, om aan te dui of hulle die aanbod aanvaar al dan nie.
- 4.2.2 Kategorie B2 Aansoekers wat in die eerste keuringsronde in Desember/Januarie gekeur is of daarna vanaf 'n waglys gekeur word, sal 5 dae hê vanaf die uitreiking van die keuringsbriewe, om aan te dui of hulle die aanbod aanvaar al dan nie.
  - 4.2.3 Kategorie B3 Aansoekers wat in die eerste keuringsronde in September gekeur is, moet teen 30 September op hul aanbod reageer. Aansoekers wat daarna vanaf 'n waglys gekeur word, sal 5 dae hê vanaf die uitreiking van die keuringsbriewe, om aan te dui of hulle die aanbod aanvaar al dan nie.
  - 4.2.4 Kategorie B1 Aansoekers wat in die finale keuringsronde in Januarie van die registrasiejaar gekeur word, sal 3 dae hê vanaf die uitreiking van die keuringsbriewe, om aan te dui of hulle die aanbod aanvaar al dan nie.
- 4.3 Die plekke van aansoekers wat nie op die aanbod reageer nie, en wat nie administratief opgespoor kan word nie, word gekanselleer.
- 5. AANSOEKERS WAT NIE MEER AAN DIE TOELATINGSVEREISTES VOLDOEN NADAT DIE FINALE NASIONALE SENIOR SERTIFIKAATUITSLAE BESKIKBAAR IS NIE**
- 5.1 Aansoekers wat gedurende die eerste keuringsronde voorwaardelik gekeur is, maar wat na hul finale matriekuitslae nie meer voldoen aan die minimum toelatingsvereistes nie, se keuringsaanbod sal verval.

## **G. KEURKOMITEE**

Keuring van voornemende studente word gedoen deur 'n keuringspaneel, saamgestel deur die Strategiese Komitee oor Werwing, Keuring en Toelating, wat deur die Dekaan van die fakulteit voorgesit word. Alle besluite ten opsigte van keuring word deur die Dekaan goedgekeur voordat dit met aansoekers gekommunikeer word en besluite is finaal. Alle navrae rakende die keuringsproses moet aan die keuringskantoor in die Sentrum vir Studente Administrasie (Tygerberg-kampus) gerig word.

12 April 2022
