## **Fastest Recall Competition**

A Fastest Dog Recall Competition will be held Saturday, July 23rd, during the noon lunch break in the Obedience Warm up ring area. The event is sponsored by the Portland Dog Obedience Club, Inc.

The competition will consist of a single recall by each contestant. The contestant's dog will be left on a stay in any position at a pylon at one end of the ring. The contestant will leave their dog and stand behind another pylon located at the opposite end of the ring. Upon order to call from the in ring official the contestant will call their dog. The timing on the exercise will start when the command to call is given by the in ring official and will end when the competing dog has crossed the line of the pylon located in front of the handler. The recall does not have to be a formal obedience recall, and handlers may use any number of commands and verbal encouragement to get their dog to come to them.

Of course this would be too easy if the ring were without any distractions. The ring will have a number of stuffed and other dog toys scattered about the floor inside of the ring.

Entries will be taken at the time of the competition at ring side.

The entry fee will be \$1.00 per run collected at ring side, and contestants may run more than once as time permits. (For additional runs, contestants will have to get back into the line of waiting competitors after each run.) The competition will run for 45 minutes or less if all contestants have finished competing.

After 10% is deducted by the club, the first three fastest contestant times will split a share of the total Fastest Dog Recall Competition entry fees from this event only.

The split will be:

First place = 50%    Second Place = 25%    Third Place = 15%  
(Prize payments will be rounded up to the next full dollar amount.)

Ties in time for placement will be settled by a run off recall between the dogs tied by time.

*See how fast your dog is under distraction!*

# AKC Code of Sportsmanship

*PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
