Cingapura's company Changi Airport which manages the Cingapura airport, together with Odebrecht TransPort and Infraero won the international bid to manage the International Airport Galeão / Antônio Carlos Jobim, in Rio de Janeiro.

According to the consortium, approximately US\$ 910 million will be invested in improvements until August 2016:

- 26 new embark bridges;
- 68 new check-in spots;
- over 2700 park spots;

The total investment promise is approximately US\$ 2.270 billion in infrastructure during the 25 years contract concession of the terminal.

Um pouco sobre integração da Cidade

Os três corredores expressos (TransOeste, TransCarioca e TransOlimpica), juntamente com o Veículo Leve sobre Trilhos (VLT) e os demais meios de transporte já existentes, vão compor uma nova malha viária para interligar todas as regiões da Cidade Olímpica.

 Selecione o projeto desejado e clique para ver os detalhes.
