

# Positions Subject to Enhanced Suitability Screening - Revised

## District Personnel Instruction No. 4-38

Effective Date	Expiration Date	Related DPM Chapters
October 21, 2017	Retain Until Superseded	4

**i** **NOTE:** This Instruction supersedes E-DPM Instruction No. 4-37, same subject, dated June 18, 2017. The purpose of this instruction is to update the list of covered positions and agencies to include The Department of Transportation.

### Overview

It is the policy of the District government to assess the suitability – character, reputation, and fitness for duty – of each applicant, appointee, volunteer, and employee through uniform background checks and drug and alcohol testing, as deemed necessary, which meet the District government’s need for flexible human resources administration, government accountability, individual privacy, and other constitutionally protected rights. This instruction reiterates the requirements for enhanced suitability screening for safety, protection, and security sensitive positions as indicated in Chapter 4, Suitability, of the D.C. personnel regulations. Specifically, this issuance updates the listing of positions subject to criminal background, traffic record, drug and alcohol, and/or credit checks, as required by the regulations.

ENHANCED SUITABILITY COVERED POSITIONS

<b>Protection Sensitive</b>	Positions with duties and responsibilities that require caring for or ensuring the well-being of patients, elders, or other vulnerable persons.
<b>Security Sensitive</b>	Positions of special trust including <b>executive service</b> , <b>excepted service</b> , and other positions that may reasonably be expected to affect the access to or control of activities, systems, or resources subject to misappropriation, malicious mischief, damage, or loss or impairment of communications or control. Positions located in secure facilities may also be deemed security sensitive at the discretion of the personnel authority.

## Required Screenings by Position Type

Individuals who hold **safety sensitive** positions are subject to criminal background checks, traffic record checks (as applicable), pre-employment drug and alcohol, reasonable suspicion drug and alcohol, random drug and alcohol, post-accident or incident, return-to-duty, and follow-up drug and alcohol testing. Individuals who hold **protection sensitive** positions are subject to criminal background checks, traffic record checks (as applicable), pre-employment drug and alcohol, reasonable suspicion, post-accident or incident, return-to-duty, and follow-up drug and alcohol tests. Individuals in **security sensitive** positions must undergo a criminal background, traffic record, and pre-employment consumer credit check, reasonable suspicion, and post-accident or incident drug and alcohol test.

### Current Employees and Enhanced Suitability Screening

Current employees in covered positions are subject to any enhanced suitability screening required of the position they occupy at the time Chapter 4, Suitability, of the D.C. personnel regulations goes into effect with the exception that current employees whose positions are designated as protection sensitive at the time these rules go into effect are not subject to an initial drug or alcohol test and current employees whose positions are designated security sensitive are not subject to an initial consumer credit check. All appointees and/or applicants will be required to adhere to any screening requirements at the time of selection.

## Recertification of Suitability

Employees may be required to periodically recertify their suitability for employment with the District government based on their current role or their placement into a role that is covered by a different type of enhanced suitability screening.

### 1. Criminal Background Checks

Employees in safety, protection, and security sensitive positions are subject to a criminal background check on a biennial basis or whenever there is reasonable suspicion that an employee or volunteer has been arrested or charged with a criminal offense.

### 2. Traffic Record Checks

## Notification

An individual who occupies a covered position is subject to enhanced suitability screening. Each personnel authority will notify any individual occupying a covered position in writing that he or she is subject to an initial enhanced suitability screening prior to conducting any such screening. All covered employees will receive individual notices by screening type for acknowledgement.

Positions in the Executive and Excepted Services, and those in all departments, administrations, and offices under the Executive Office of the Mayor (EOM) are designated as Security Sensitive. All other positions subject to enhanced suitability screening are attached to this instruction. The position description for each covered position has been revised to include a statement of such designation, as well as a statement indicating that incumbents of the position will be subject to enhanced suitability screening. All appointees and/or applicants will be notified of any screening requirements at the time of application and selection.

## **Enhanced Suitability Screening Forms and Handling**

Agencies will provide the applicant and/or employee the necessary forms to submit to the program administrator, DCHR, or the vendor for enhanced suitability screening after the conditional offer of employment is made. Agencies must utilize approved forms published by DCHR for suitability screenings. All forms related to suitability and the drug and alcohol program are available online at [dchr.in.dc.gov](http://dchr.in.dc.gov). DCHR will retain any forms related to enhanced suitability screening. Supporting documents and screening results will be tracked in Truescreen, an encrypted database. Agencies will be provided access to Truescreen to review status updates for ongoing enhanced suitability screenings. Notices related to the final enhanced suitability determination received by the agency should be stored in a confidential folder separate from the Official Personnel File (OPF) for recordkeeping purposes in case of an audit or an appeal.

## **Fire & Emergency Medical Services Department**

---

A number of employees of the Fire and Emergency Medical Services Department (FEMS) are classified as safety-sensitive. For these employees, the Chief of FEMS shall be the program administrator for purposes of drug and alcohol testing.

## **Training**

---

All District supervisors and managers are required to undergo training in drug abuse detection and recognition, documentation, intervention, and any other appropriate topics, for supervisors and managers in agencies with covered employees.

## **Collective Bargaining Agreements**

---

DCHR, or the personnel authority, will review the union status of each employee prior to administering enhanced suitability screening. For unionized employees, any enhanced screening performed will be conducted in accordance with the appropriate collective bargaining agreement (CBA). If the procedures in the CBA differ from those outlined in Chapter 4, Suitability, of the D.C. personnel regulations, DCHR or the personnel authority will follow the procedures noted in the CBA.

## **Legal**

---

### **Regulatory Authority**

The information provided in this instruction is pursuant to Chapter 4 of the D.C. personnel regulations, *Suitability*.

### **Applicability**

This instruction applies to those District government agencies that are subordinate to the Mayor's personnel authority and those personnel authorities that have adopted these procedures.

The positions designated as safety, protection, and security sensitive in this Instruction apply only to those agencies listed in Attachments 1 – 35 and supersede any prior designations under the Child and Youth Health and Safety Act for the specified agencies. In accordance with Chapter 4 of the D.C. personnel regulations, Suitability, this notice informs you that you have been appointed to, or you currently occupy, either as an employee or a volunteer, a covered position that makes you subject to an initial criminal background check or traffic record check and to periodic checks while assigned. If you are detailed, temporarily promoted, or temporarily reassigned to a covered position, you are also subject to an initial criminal background check or traffic record check and to periodic checks while assigned. Covered positions include: (1) **Safety sensitive**, which are positions with duties and responsibilities which if performed while under the influence of drugs or alcohol, could lead to a lapse of attention that could cause actual, immediate and permanent physical injury or loss of life to self or others; (2) **Protection sensitive**, which are positions with duties or responsibilities caring for or ensuring the well-being of children or youth, patients, the elderly, or other vulnerable persons; and (3) **Security sensitive**, which are positions of special trust that may reasonably be expected to affect the access to or control of activities, systems, or resources that are subject to misappropriation, malicious mischief, damage, loss, impairment, or control of communications. Generally, any position that is subject to the traffic record check requirement is also subject to the criminal background check requirement.

As an appointee, employee, or unsupervised volunteer in a covered position at a District government agency, you are hereby informed that you are subject to criminal background check(s). You are also informed that the information obtained from a criminal background check will not immediately disqualify or create a presumption against your employment or volunteer status unless the Mayor determines that your employment or volunteer status poses a present danger to the public.

The personnel authority must request certain information from you, and provide you with notice and information on the requirement for the criminal background, credit and traffic record checks. The personnel authority will use three (3) forms to provide the required notice and information to you: (1) the **Individual Notification of Criminal Background Check and Traffic Record Check Requirements** which gives you individual notice and general information about the requirement for the checks, (2) the **Disclosure** form which requests information from you about your criminal history, and lastly (3) the **Authorization** form that you will sign to give the District government permission to conduct a criminal background check. You will be asked to sign each of the three (3) forms.

**ACKNOWLEDGEMENT**

I hereby acknowledge receipt of the **Individual Notification of Criminal Background Check and Traffic Record Check Requirements** form.

### A Summary of Your Rights Under the Fair Credit Reporting Act

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. **For more information, including information about additional rights, go to [www.ftc.gov/credit](http://www.ftc.gov/credit) or write to: Consumer Response Center, Room 130-A, Federal Trade Commission, 600 Pennsylvania Ave. N.W., Washington, D.C. 20580.**

- **You must be told if information in your file has been used against you.** Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
- **You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
  - a person has taken adverse action against you because of information in your credit report;
  - you are the victim of identity theft and place a fraud alert in your file;
  - your file contains inaccurate information as a result of fraud;
  - you are on public assistance;
  - you are unemployed but expect to apply for employment within 60 days. In addition, by September 2005 all consumers will be entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See [www.ftc.gov/credit](http://www.ftc.gov/credit) for additional information.
- **You have the right to ask for a credit score.** Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
- **You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See [www.ftc.gov/credit](http://www.ftc.gov/credit) for an explanation of dispute procedures.
- **Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.

- **Consumer reporting agencies may not report outdated negative information.** In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
- **Access to your file is limited.** A consumer reporting agency may provide information about you only to people with a valid need -- usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- **You must give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to [www.ftc.gov/credit](http://www.ftc.gov/credit).
- **You may limit "prescreened" offers of credit and insurance you get based on information in your credit report.** Unsolicited "prescreened" offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt-out with the nationwide credit bureaus at 1-888-5-OPTOUT (1-888-567-8688).
- **You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.
- **Identity theft victims and active duty military personnel have additional rights.** For more information, visit [www.ftc.gov/credit](http://www.ftc.gov/credit).

States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. Federal enforcers are:

**For Appointees, Employees, and Volunteers:**

It is the policy of the District government to provide a drug free workplace. In accordance with Chapter 4 of the D.C. personnel regulations, *Suitability*, this notice informs you that you have been appointed to, or occupy, either as an employee or a volunteer, a covered position that makes you subject to drug and alcohol testing, through the use of urine analysis and breathalyzer testing. If you are detailed, temporarily promoted, or temporarily reassigned to a covered position, you are also subject to drug and alcohol testing while assigned. Covered positions include safety-sensitive positions with duties or responsibilities that if performed while under the influence of drugs or alcohol could lead to a lapse of attention that could cause actual, immediate, and permanent physical injury or loss of life to one's self or others. Safety sensitive positions are subject to (1) pre-employment, (2) random, (3) reasonable suspicion, (4) post-accident or incident, and (5) return to duty/follow-up drug and alcohol testing. The position listed above is designated as Safety Sensitive.

**Except as provided in the next section, an employee in a Safety Sensitive position who tests positive for a controlled substance, including marijuana, shall be subject to termination.**

**For Current Employees:**

As an employee in a covered position at a District government agency, your position is subject to drug and alcohol testing, through the use of urine analysis and breathalyzer testing. Thirty (30) days after you receive notice, you will be subject to drug and alcohol testing, unless you notify us of a drug or alcohol problem during the 30-day notification period. If you are struggling with a drug or alcohol problem, you should notify your immediate supervisor, agency HR personnel, or the D.C. Department of Human Resources' Compliance Manager. If you provide this notification during the 30-day notification period, you will be given an opportunity to undergo a counseling and rehabilitation program, and will not be subject to administrative action while completing the program. While an employee is undergoing counseling, they will be removed from performing safety-sensitive duties and the random testing pool. However, if you were previously notified that you occupy a Safety Sensitive position you are not entitled to an additional 30-day notification and this notification only serves as a duplicate of the notice previously provided to you upon your appointment to a safety sensitive position.

This notice constitutes your 30-day advance notice of your placement in the District's drug and alcohol testing program. You are required to acknowledge receipt of both of these documents by signing your name at the bottom of this document.

**ACKNOWLEDGMENT OF RECEIPT**

I have read the *Individual Notification of Drug and Alcohol Testing Requirements* form and by signing my name below I acknowledge that I currently occupy a safety-sensitive position that is subject to drug and alcohol testing and that I have been given a copy of the *Individual Notification of Drug and Alcohol Testing Requirements*. I acknowledge that if I struggle with drug or alcohol usage, that I must report this to one of the officials noted above and can seek treatment and counseling services. I also acknowledge that should I test positive for drugs or alcohol thirty (30) days after receipt of this notice or after having completed my treatment program, whichever is applicable, I will be subject to the termination of my employment; however, **I understand that if I am currently serving in a safety sensitive position and have previously received and acknowledged a similar notice, I am not eligible for an additional 30-day notification period.**

In accordance with Chapter 4 of the D.C. personnel regulations, "Suitability", this notice informs you that you have been appointed to, or currently occupy, either as an employee or a volunteer, a covered position that makes you subject to drug and alcohol testing. Covered positions include protection-sensitive positions with duties or responsibilities that require caring for or ensuring the well-being of children or youth, patients, elders, or other vulnerable persons. **Protection sensitive positions are subject to (1) pre-employment, (2) reasonable suspicion, (3) post-accident or incident, and (4) return-to-duty drug/follow-up drug and alcohol testing. You must pass a pre-employment drug test upon appointment and before assuming protection sensitive duties. You will be subject to additional drug and alcohol testing, as noted above, thirty (30) days after you acknowledge receipt of this advance written notice unless you acknowledge a drug or alcohol problem during the 30-day notification period. **An employee will be deemed unsuitable for District government service and subject to immediate separation from a covered position if they have a positive drug or alcohol test after the 30-day notification period.** If an employee is deemed unsuitable, the employing agency may move the employee to a non-covered position, or terminate his or her employment by immediately initiating the appropriate adverse action procedure as specified in Chapter 16 of the D.C. personnel regulations or any applicable collective bargaining agreement. Whenever an employee is deemed unsuitable, the facts supporting that determination will initiate adverse action under Chapter 16 of the D.C. personnel regulations. If an appointee has a positive drug or alcohol test, fails or otherwise refuses to submit to a required drug or alcohol test, or refuses to follow instructions given during a required drug or alcohol test, any conditional offer of employment will be rescinded and/or no final offer of employment will be made.

It is the policy of the District government to provide a drug free workplace and for all employees to abide by this policy. The use and/or possession of drugs by District employees in the workplace impairs the government's ability to carry out its mission, and poses substantial dangers to employees, clients, and the public. Drug use can cause drowsiness; loss of concentration, memory and judgment; emotional and physical outbursts; distortion of reality; poor coordination and slow reaction time; and interference with the senses. Those who use and/or possess drugs put themselves and those around them in danger of arrest and conviction for drug-related crimes.

Employees of the District government are prohibited from engaging in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in the workplace; and may not use, possess, or be impaired by any drug or alcohol while on duty. Additionally, in accordance with Chapter 4 of the D.C. personnel regulations, *Suitability*, you are hereby informed that you are subject to **(1) reasonable suspicion** and **(2) post accident or incident drug and alcohol testing**. You will be subject to drug and alcohol testing thirty (30) days after you acknowledge receipt of this advance written notice unless you acknowledge a drug or alcohol problem during the 30-day notification period. An employee who acknowledges a drug or alcohol problem during this period by contacting his/her immediate supervisor, agency HR personnel, or the D.C. Department of Human Resources' Drug and Alcohol Testing Program Coordinator, will be given one (1) opportunity to undergo a counseling and rehabilitation program, and will not be subject to administrative action while completing the program.

An employee who receives a positive drug or alcohol test and/or refuses to submit to a drug or alcohol test after the 30-day notification period will be subject to disciplinary action up to and including termination of employment in accordance with Chapter 16 of the D.C. personnel regulations or any applicable collective bargaining agreement.

Each personnel authority is required to provide you with notice and information on the requirements for drug and alcohol testing. This constitutes the required notice and contains two documents: (1) this **Drug Free Workplace Notification** which provides you with general information about the requirement for testing and (2) the **Frequently Asked Questions** which provide a more detailed explanation of the pertinent issues related to drug and alcohol testing. You are required to acknowledge receipt of both of these documents by signing your name at the bottom of this document.
