POSTGRADUATE FUND MANAGEMENT (PFM) POSTGRADUATE SCHOOL

The following document is a list of the major funding opportunities available for postgraduate study in South Africa. **There are various other opportunities available and students are therefore encouraged to review the websites indicated at the end of this brochure as well as the UJ Bursary Booklet.**

Some of the opportunities listed in this document are administered by the **Postgraduate Fund Management (PFM)** section of the Postgraduate School located on the Auckland Park Kingsway Campus, Akanya Building (a free standing building between the Engineering Laboratories, A Parking and Ga Batho (B5 Building)).

Students may view the latest opportunities and download application forms from the Postgraduate School's webpage available at www.uj.ac.za/postgraduate-school.

Opportunities are also posted on our Facebook page.
Become a fan today and be the first to receive all the funding opportunities!

The Postgraduate School (PGS) is made up of four divisions, these divisions are:

Postgraduate Fund Management (PFM), Research Capacity Development (RCD), Statistical Consultation Services (STATCON) and Policy, Benchmarking, Monitoring and Research (PBMR).

The purpose of the PGS is to provide:

- Continuous drive to improve funding availability and access to funding;
- Specialised research methodology and statistical support in design and analysis;
- Collect and analyse up-to-date data regarding the status of postgraduate studies and the profile, progress and concerns of postgraduate students and their supervisors;
- Coordinate, extend and enhance the postgraduate support systems;
- Assist the University in attracting, training and delivering quality postgraduate students; and
- Increase the number of postgraduate students (Master's and Doctoral).

The PFM section has three sources of funding, namely the National Research Foundation (NRF), Global Excellence and Stature (GES) and the University Research Committee (URC). The URC and GES funding comprises various postgraduate scholarships as well as the central Postdoctoral Research Fellowship (PDRF) funding.

INTERNAL BURSARIES

HONOURS / FOURTH YEAR OF A PROFESSIONAL DEGREE

Students can either apply for the merit bursary or the special merit bursary.

MERIT BURSARY

Deadline: 15 April for first semester registration
15 August for second semester registration

Students must register for the first time for an Honours/fourth year of a professional degree in the following Faculties/College:

- Faculty of Art, Design and Architecture
- College of Business and Economics
- Faculty of Law
- Faculty of Health Science
- Faculty of Education
- Faculty of Engineering and the Built Environment
- Faculty of Science
- Faculty of Humanities

OR register for the first time for a part-time Honours/fourth year of a professional degree in any faculty with an average of 70% or above in all curriculum required subjects taken in the third year.

This bursary also applies to candidates in their fourth year of study in respect of four-year degree courses leading directly to Master’s degree studies, for example BEng 4, BCur 4, LLB 4 and BOptom 4, etc. In respect of students following four-year degree courses leading directly to Master’s studies, all the subjects of the previous year are taken into consideration in the calculation and determination of the average percentage.

AVERAGE REQUIRED	70-74%	>74%	APPLICATION PROCESS
Honours	R6 580	R8 770	Application forms may be downloaded from the Funding for Postgraduate Studies section on the Postgraduate webpage (www.uj.ac.za/postgraduate-school) and be submitted at the APK Bursary Office in E Ring 133.

- For more information, contact the Student Finance (Ms Magdeline Kgonothi on magdelinek@uj.ac.za / 011 559 3761 and Ms Yolanda Trican on yolandat@uj.ac.za / 011 559 4436).
- Terms and conditions apply.
- Values are subject to change each year.

- Full payment of tuition fees, and
- A stipend determined by the average achieved in the third year modules in the subject of the Honours/Postgraduate Diploma study (e.g. the average of the third year modules in Physics is used to determine the achievement category for a student who will enrol for Honours/Postgraduate Diploma in Physics).
- The process to obtain the bursary is not automatic. Faculties nominate students based on Faculties specific criteria.

Application process

- Students must first submit an application to be accepted for an Honours/Postgraduate Diploma qualification within the specified specific departments.
- If the student is accepted or conditionally accepted in the academic department, a UJ Honours/Postgraduate Diploma bursary application form may be obtained from the faculty representative and completed.
- Completed forms with the required attached documents must be submitted to the faculty representative. The documents to be attached are:
 - A certified copy of the applicant's ID or passport;
 - A signed and stamped letter of acceptance into an Honours/Postgraduate Diploma programme from the relevant faculty;
 - A signed and stamped official academic record.
- Please note that the applications will only be considered if they are submitted to the Faculty representative indicated in the table (above right).

Refer to the 2021/22 UJ Bursary Booklet for terms and conditions.

UJ ALUMNI NETWORK

The UJ Alumni Network has available opportunities for alumni and postgraduate students. By being an active contributing alumnus and postgraduate you will be able to take advantage of a number of excellent opportunities and discounts. The benefits of your alumni membership are on-going and it is the aim of the university to continually source new ways to benefit postgraduates in exciting and fulfilling ways.

UJ-Alumni Benefits

- Alumni members registering for post-graduate curricular courses at UJ (separate application to be handed in at the Alumni Office, terms and conditions apply) will be entitled to R1 000 worth of discounts.
- A 10% discount on residence and tuition fees for all children of contributing alumni who register for undergraduate curricular courses at UJ (separate application to be handed in at the Alumni Office, terms and conditions apply).
- Access to bursaries for contributing alumni and their children (separate application to be handed in at the Alumni Office, terms and conditions apply).
- The opportunity to become part of an Affinity Group. Groups are organized specifically around a special interest or unifying purpose, helping to keep alumni with similar mindsets in touch with the University and creates networking opportunities.
- Being part of Convocation (*calling together*). It is the primary channel for your opinions as UJ alumni to be passed back to UJ for consideration. In short, Convocation is the official interface between the University and its alumni.
- The Alumni Network created a job search portal to assist alumni members and students looking for new career opportunities. The system constantly scans all South African job websites to allow you to find new opportunities. Please visit www.ujalumni.co.za and click on resources for more information.

For more information, please visit the Alumni portal on www.ujalumni.co.za or contact Ms Kopano Manoto, the Alumni Office on 011 559 5531 or email kopanom@uj.ac.za

EXTERNAL FUNDING

NATIONAL RESEARCH FOUNDATION

NATIONAL RESEARCH FOUNDATION (NRF)

The NRF is South Africa's major research funding agency providing grants to researchers undertaking research projects (grantholders) as well as scholarships/bursaries to support honours, Master's and Doctoral students with a research component of at least 50%.

For queries and additional information on NRF scholarships and fellowships, please contact the PFM at 011 559 3780/4530 or email thabisom@uj.ac.za or tmsibi@uj.ac.za.

Types of Student Funding

The NRF administers the following student funding support through its various funding instruments.

- **Free-standing scholarships and fellowships:** The student or fellow individually applies for support and is responsible for reporting on the utilisation of funding.

Periods of support

- Final Year Undergraduate assistantships 1 year (for Grant holder linked (GHL) bursaries only)
- Honours degree 1 year
- Master's degree full-time 2 years*
- Doctoral full-time 3 years*

Conditions and Guidelines

Please refer to the 2021/22 NRF student support manual for the conditions of and additional information on the NRF scholarships. The NRF manual is available on the website <http://www.nrf.ac.za>

A summary of the types of NRF scholarships is listed in the following pages.

* Where registration for Master's degree is upgraded to Doctoral study, the maximum period of NRF support for Master's and Doctoral study will be four years in total. A scholarship awarded for Master's study cannot be upgraded to Doctoral status if the Master's study is upgraded. Candidates must apply timeously for a scholarship before the applicable closing date.
