

**Power Up** Your Business

## Improve Overall Productivity & Performance

This is not your average time and billing software. With a suite of dynamic business intelligence tools, BillQuick provides key metrics without additional data entry. Our sophisticated algorithms allow you to simplify your day-to-day business processes and streamline your most common tasks. BillQuick helps you focus on core areas of your business, while efficiently managing the right mix of people, projects and profitability.

# Intuitive Time & Expense Tracking

- View time card in calendar, spreadsheet and stopwatch formats
- Run multiple timers concurrently
- Record expenses in multiple currencies
- Auto-populate your timesheet with previous week's activities and projects
