Dear Friend,

I want to welcome you to Prayer Cookbook: 222 “Golden Key” Prayers to Open Heaven’s Back Door and Bring Answers in 10 Days or Less.

If you are like me, you are a busy person and really don’t have time to waste. You don’t have time for complicated prayers that are unrealistic and, worst of all, in the long term cause you to be disillusioned... or frustrated.

This prayer plan is based on my own journey with “Golden Key” prayers and the success of my online friends.

First of all, there will be NO gifts – meaning you are not required to send donations; NO solicitations to support any cause of any kind; NO pledges or vows; NO laying on of hands; NO miracle handkerchiefs, and NO required positive confession.

Bottom line, with these prayers, there are no obligations, ever. I believe this is critical to successful praying because you’ll never need to feel guilty about not doing any of the above.

The first secret to getting answers to prayers that we’re going to use here is WHEN you pray. You see, timing is the revolutionary concept that has been kept secret for years.

The second secret is WHAT you say during prayer.

Yes, timing will make you see the results fast, and what you say will guarantee that you get your core desire in the first place.

For now, get ready to pray the kind of prayers that work fast. Get ready to open the “back door” to heaven’s storehouse using golden key prayers.

Sincerely,

Elisha Goodman

How I Created This Manual

I started my research by examining the most popular things people were told to do to get their prayers answered.

I surveyed people visiting my site for the first time about prayers they'd tried in the past, asking them what the results were. I did the same when I spoke at prayer meetings.

I asked folks, "Have you prayed about this? Did you get the answers?" The answers were always the same: Yes, they had prayed; and No, they got no answers.

For every singular approach, the story was the same. It did not deliver expected results. Why? The techniques were unrealistic and required too much work to follow. The person almost always ended up frustrated.

So, after discovering why various approaches to prayer don't work, I set out to study the prayers in the Bible that ***did*** work. Then I began to incorporate their winning elements into a workable plan that anyone can understand and use. I wanted to create a plan that would not only help people to pray the kind of prayers that get answered, but would also prevent the frustration that comes with praying without results.

I wanted to create a winning prayer plan, one that was easy to stick to, that people could maintain not only for one week or two, but for the rest of their lives. Why? Because it works. My goal was to create a results-oriented way of praying that would deliver blessings and miracles, each and every time.

I knew from working with large groups of Christians from many different cultures and denominations that so much of the praying people do can best be described as “Traditional or Maintenance-Only” prayers: prayers designed to keep things as they are, prayers not really directed at getting significant or verifiable results. Examples of this include your morning prayers, bedtime prayers, church prayers, mealtime prayers, etc.

So I asked myself a question: “What was missing?”

That got me to focus on two themes I’ve observed throughout the Bible. And what I saw was consistent: timing was essential. What you say was crucial.

I discovered that the times people pray and what they say were critical in the Bible.

For instance,

Jesus started His great teaching on prayer with the words, “**WHEN** you pray, **SAY...**”

Many famous prayers and miracles in the Bible had a timing element.

- ✓ The powerful prayer of Elijah for fire was done ***at the time*** of the evening sacrifice.
- ✓ Paul and Silas in prison did not start their earth-shaking prayer until ***midnight***.
- ✓ Peter and John’s turnaround miracle at the Beautiful Gate happened as they made their way to the temple at the ninth hour (***the hour of prayer***).

- ✓ When God wanted to personally execute judgment on Egypt, He waited until a certain time (**midnight**) to carry out His operation.

So with this critical distinction, and the feedback from my online members, and feedback from my prayer evangelism in three continents, I created what you could call the “Golden Key” Prayer Plan.

Golden Key prayers employ 2 little-known secrets from the Bible to “attract” answers to prayers *as you pray*. It was a technique very popular in the first century of Christianity and even before then. The Early Church used it heavily. Modern Christianity has all but lost this crucial skill.

In summary, I concluded there were only 2 kinds of prayers:

- ✓ Traditional Prayers
- ✓ Golden Key Prayers

I tested my plan with my online members. I shared it with my prayer network. And the results were phenomenal.

What You Can Expect

If you’ll just follow the simple “map” I’ve laid out for you here, you will get one key prayer answered per session.

You may be wondering why I promise just one answer-per-session whereas other popular preachers, teachers and “experts” claim you can have everything at once.

It takes a total focus on one, and just one, issue to produce results.

So what you have here is a golden key prayer plan that works fast, includes specific timing, and doesn't require "super-anointed" people to lay hands on you or to pray for you!

It does not require you to submit prayer requests anywhere; or send gifts to ministries to pray for you; or go to certain places where people will give you a white handkerchief. There's nothing wrong with doing them.

But they hardly work, and when they work at all, they don't work fast enough!

My challenge to you right now is to commit to use this "prayer map" for just 10 days.

Take the plunge.

And see the difference for yourself.

Timing – The Critical Difference?

Most of us pay close attention to the clock. We set an alarm to wake us in time for work. We strive to leave work by a particular time in order to beat rush-hour traffic. We structure our lives around the time we need to pick the kids up from day care or soccer practice.

Yet too many of us seem to get out of sync when it comes to praying. Rather than having a prayer schedule, many people tend to pray when it occurs to them. They rush out the door in the morning, forgetting to pray or intentionally skipping

it. They get swept up at work, and realize too late that they haven't prayed.

WHEN you pray is critical. It's all about timing. Yet most people use bad timing by praying sporadically. This may work for your traditional prayers (the only type most people have ever done) but not for golden key prayers. And you'll soon see why.

Two Critical Concepts

1: The 60 Minutes Timeline

The first key is to learn **when** to do "golden key" praying. This involves learning when to start, how long to stay on it, and when to stop. To get the most benefit, each session requires about one hour to complete... or 30 minutes at the very least.

And as you will see, this program will fit neatly into an unused time slot that is available to everyone. It will not eat into your normal hours, because you don't have to fit it into your daily schedule.

2: The Pattern of Esther

In the Bible book of Esther, you see a pattern for all golden key prayers. It involves setting aside a block of days (3 days, 7 days, 21 days, etc) to narrowly focus on just one issue. And since this is not competing with your already busy schedule, you will find that it fits seamlessly into your daily routine.

Using these 2 concepts as a foundation, I've created 222 **Golden Key Prayers**. This is a tested catalogue of result-oriented prayers to be prayed at specific times, for fast results.

This volume contains proven prayers to restore:

- ✓ Happy relationships
- ✓ Divine health and healing
- ✓ Love-saturated marriages
- ✓ Financial Abundance

It also contains prayers guaranteed to defeat:

- ✓ Sicknesses that lead to bankruptcies
- ✓ Terminal diseases
- ✓ Trauma and Anxiety disorders
- ✓ Separation and divorce
- ✓ Foreclosure on your homes
- ✓ Frivolous lawsuits that waste time and money

Lay Your Foundation

For every challenge in life, we all need support. It's hard to go it alone, and praying is no different. To be successful on this program, you must do a little homework. It will help you to start the program with the highest probability of success.

First, you are going to lay a proper foundation. The foundation I'm talking about here is an intimate relationship with the Lord Jesus Christ. As a Christian, this is the starting point to getting any prayer answered.

Create Your Support Pillars

Second, you're going to create what I call support pillars. These pillars act just like the support pillars for a building. They will prop you up and help you stand secure during any challenge.

Why am I emphasizing this?

Because for too long many people have been led to believe that because God is a good God, we can squeak by without really committing to a solid relationship with Him through His Son, Jesus Christ, or – which is even as futile – we could take on prayer assignments without having to create these pillars I'm going to show you.

Just like anything else, to get answers to your prayers requires commitment. I remember some people telling me that they'll try this one, and if it doesn't work out, it's no big deal.

That's no way to commit to something that may be critical to your growth, joy and health.

During this program, here's what I want you to do:

- #1: Study the book of Esther in the Old Testament and the book of Philippians in the New Testament. Each of this is short and you should get through it in less than an hour. Plus, they are both very interesting to read.

- #2: Get hold of a few good praise and worship songs to use during these sessions.
- #3: Commit to living a holy life (this is what trips up some folks, but it's not really impossible if you make up your mind and ask the Lord to help you).
- #4: If you want fast results, add fasting to your prayers.

These are the foundational keys to success with this program.

The Only Exceptions

I'll be straight with you. This is a Do-It-Yourself praying program. But I've made it as simple as possible, to help many people.

However, there are 4 types of people these prayers may not help...

- #1: Those who do not really have a good relationship with the Lord Jesus Christ. Why? Because they are having a love affair with "pet sins" and want to hang on to things the Bible clearly warns against.
- #2: It won't work for you if you're searching for others to pray for you – instead of learning to pray for yourself and your loved ones.
- #3: It won't work fast enough for you if you're too lazy, or if you can't bear to forgo a couple of meals once in a while so that you can fast and pray.

#4: This might sound ironic, but it is a fact. These prayers won't work for you if you're already in love with "complex" or "over complicated" and "over-spiritual" teachings that tell you all your rewards are in eternity, so you shouldn't expect anything good in the here and now.

No. If you happen to fall into any of those categories, don't bother with this book and the prayers... it simply will never work for you.

Now, why do I say all that?

You see, though these prayers create such amazing results – each and every time, you'll need some effort to:

“Pray until the **Vision** of what you expect becomes crystal clear, and with unshakeable **Purpose** and steadfast **Faith** in God, you then proceed to pray the answer into physical manifestation, all the while showing **Gratitude** to the LORD before you even physically see the result.”

I pull no punches. I don't tippy-toe around. I don't sugarcoat anything. I want you to get results. And get them fast!

As you pray these prayers, you'll discover that the true cause of unanswered prayers is different than what is being taught out there.

There's a slow way and a fast way to anything. These prayers help accelerate everything. Many of them are powerful principles of Scripture distilled and boiled down to bite-sized, aggressive-sounding bullets.

And they work!

If you're determined to see immediate changes in your life, this is a completely fast, easy to pray, result-oriented prayers that, when done properly, would help eliminate one problem after the other from your life. Plus, it will help catapult you (and your loved ones) into the realm of abundant life that our Lord Jesus so often talked about.

Onwards...

PART II:

The Golden Key Action Plan

An Example Is Worth A Thousand Theories

Heaven is where the throne of God is located. Our prayers receive answers from God when we pray according to His will. And then the blessings we receive flow to us from heaven.

This heaven is both a physical and spiritual place. It has doors and windows. There are huge storehouses there.

In the book of Revelation 4 verse 1 John saw a door opened in heaven and he was invited to come up.

Heaven Has a “Back Door”

There is a “back door” in heaven. This door is highly confidential. It is reserved for a small group of men and women who need to get answers to their prayers very quickly. (Note: you may choose to belong to this elite group anytime you wish). It provides a shortcut into the storehouse of God.

Maybe you’ve noticed that when certain people pray, the answers come very quickly, whereas for some other people, the answer takes forever to come... if it comes at all!

What’s the difference?

The former group knows how to access the back door to heaven while the latter is ignorant of its existence.

And what a great difference this makes.

In the Bible, this back door is shown in symbols. Let's look at an interesting case together. In Luke 5: 17-19, we read:

Now it happened on a certain day, as He was teaching, that there were Pharisees and teachers of the law sitting by, who had come out of every town of Galilee, Judea and Jerusalem.

And the power of the Lord was present to heal them. Then behold, men brought on a bed a man who was paralyzed, whom they sought to bring in and lay before Him. And when they could not find how they might bring him in, because of the crowd, they went up on the housetop and let him down with his bed through the tiling into the midst before Jesus.

Luke 5:17-19

See what happened here? These folks managed to find a back door (an ingeniously creative one, for sure) because they needed a touch from the master – very quickly!

And how did Jesus react to this bold, audacious move? We all know the story... He was hugely impressed. And He gave them more than they could have imagined.

Eternal Truth #1: To get God's attention very quickly, look for the back door!

Eternal Truth #2: Certain circumstances in your life are designed to force you to look for the back door to heaven... desperately.

Please notice that these folks were forced to locate this unusual “back door” in order to get the blessings.

Why?

Because the religious leaders (*they were specialists in religious law*), plus the crowd had completely blocked the access to Jesus. It is the same thing in our day. As unlikely as this may sound, many of the spiritual teachings people are receiving from our religious leaders are blocking them from “seeing” the real Jesus.

Jesus Himself put it this way:

Woe unto you lawyers! For you have taken away the key of knowledge. You did not enter in yourselves, and those who were entering in you hindered.

- Luke 11:52

What’s this key He’s talking about here? And how is it used?

I’m about to show you. You’ll also get to see exactly where the back door to heaven is located... and how you can open it (with this key) every single time.

The Golden Key Revealed

I have described the back door to heaven. Just like any other door a key is needed to open it. I call it the golden key. Jesus referred to it as the “key of knowledge.”

Let’s go find it in Scripture.

In Luke 11:5-8 we read:

And He said to them, “which of you shall have a friend, and go to him at midnight and say to him, ‘Friend, lend me three loaves; for a friend of mine has come to me on his journey, and I have nothing to set before him’; and he will answer from within and say, ‘do not trouble me; the door is now shut, and my children are with me in bed; I cannot rise and give to you’?

I say to you, though he will not rise and give to him because he is his friend, yet because of his persistence he will rise and give him as many as he needs.

Luke 11:5-8

As usual, Jesus is using a parable here to show us one of the most powerful spiritual secrets in the entire Bible.

Remember, He was speaking about prayer here. He’d just taught His disciples what is popularly known as, “The Lord’s Prayer.” Then He quickly followed up with this parable.

What He is saying, in plain ol’ English is this:

If you learn to ask for things (pray) at the midnight hour, and persist in this, you will receive answers from God as many times as you want!

Astounding, isn't it?

This is the golden key. Jesus says the religious leaders are hiding it from people. He Himself used this golden key so many times. Read the Bible carefully. You'll discover that many of the great signs and wonders He performed, usually happened after he'd prayed in the night!

Now, go through the above scripture again – slowly. You'll notice the number “three.” The midnight hour consists of the 3 hours between twelve midnight and three a.m.

This is the time that you can open the back door to heaven... using this golden key. And you can do it every single night.

That's it.

Simple, yet so profound!

What Is The Golden Key Mostly Used For?

Here's a list of some of the things you could achieve using this golden key:

- get healed of every sickness and disease known to man
- get your loved ones off drugs and alcohol
- protect your family from tragedies and accidents
- release divine wealth
- get out of debt

- restore broken relationships
- break the stranglehold of sin
- live a holy life that pleases God
- get friends and family to receive the gospel
- attract new blessings from God every single day
- retain God's blessings
- obtain divine wisdom and direction from God
- get a new home
- build happy relationships
- live in divine health
- have a blissful marriage
- swim in financial abundance
- recover your self-esteem
- and so on...

Keep in mind that since you will be doing this in the dead of night, it will take some practice before it settles into a routine... like eating, sleeping, etc.

Scientists say that it takes about 30 days of consistently doing the same thing for it to become a habit. However, I believe there are spiritual shortcuts... that can shorten the time considerably, as you will see.

How Prayer Attraction Works

Why is this golden key principle so powerful?

Or to put it another way, why is praying at the midnight hour so effective?

It is because it releases a spiritual magnetic force that literally “draws” answers to you as you pray. Please note that every prayer (when prayed according to God’s will) produces this attraction effect. You are most likely, though, to experience this effect in its strongest and most potent form when you use the golden key (i.e. pray at midnight).

The Spaceship Analogy

You can think of it this way. When you pray, it’s like you launched a spaceship. It takes off swiftly and very soon enters into heaven’s airspace and arrives at the loading bay, to wait its turn. If you are using the golden key rule, the spaceship moves quickly to an open door at the back, where it is loaded with the answers to your prayers and sent on its way without delay.

This is spiritual bypass! No waiting in line.

As you continue to pray your loaded spaceship becomes “attracted” or pulled toward you... until it gets back into your spiritual orbit. This is when you can “receive” what you asked for.

At other times, God just sends an angel with the answer to your request. The angel finds you by what we call “prayer attraction,” i.e. as you pray, the angel progresses toward you very rapidly. If you stop praying at this point, the angel might not be able to get to you... in time.

As I said earlier, an example is worth a thousand theories.

Let’s see a few examples from the Bible.

**Example #1:
The Story of Manoah**

In the book of Judges 13 we see a very interesting illustration of this principle of prayer attraction.

There's a man in the story named Manoah. He was the father of Samson, the most powerful man who ever lived. Before Samson's birth, his mother was not able to have a baby. Then an angel of God visited her and announced that she should expect an unusual child from God.

The angel left and the woman rushed breathlessly home to tell her husband. As soon as he heard it, the husband Manoah realized this was a divine messenger. He wanted to meet him too. So he went into prayer and made a bold request that God should send the same angel back as at the first time.

And God sent him back. Prayer attraction at work!

**Example #2:
Jesus in the Garden**

While Jesus was praying at the Mount of Transfiguration, His prayer "attracted" Moses and Elijah from heaven to join Him on the spot. Again, while praying in the Garden of Gethsemane before he was betrayed, the Bible records that an angel "appeared to Him out of heaven, strengthening Him" (Luke 22:43).

Prayer attraction at work again.

Example #3: Rhoda and Company

This is a really cool one. I call it prayer attraction on the double. It happened in Acts 13.

Here we see a group of believers getting together one night to pray for Peter, who had been arrested for preaching the gospel. He was scheduled for execution the very next day. In this same manner, only recently, the church had lost one of its top leaders. There was no reason to believe that Peter's case would be any different.

But this time they did something they never did before.

In desperation, the believers called a midnight prayer meeting. They didn't even know what to expect. But they prayed all the same.

3 very notable things happened as a result of this prayer:

- A powerful angel was dispatched to set Peter free, **as *they were praying.***
- Peter was ***“attracted”*** to the scene of the prayers immediately after his release, to show the believers that the answer had come.
- The angel hung around long enough to execute judgment on the king who planned Peter's death. (This is the kind of bonus you get for using the golden key).

Example #4: The Case of Daniel

Daniel was one of the finest prayer strategists in the Bible. In Daniel chapter 10 we find him praying for his country. As soon as he began to pray, God immediately dispatched an angel from heaven with the answer. But the angel got “arrested” in the spiritual realm for a while. It took Daniel’s unstoppable prayer to “release” the angel and pull him toward Daniel as he continued his prayer for 21 days!

Do Less, Get More!

I am a great believer in keeping things simple. Simplicity is power!

I don’t believe that spiritual things have to be complicated to be effective. Almost always, the simplest concepts and strategies are the most powerful – with the added benefit of being quick and easy to implement.

What did Rhoda and company have to do?

They simply prayed at the midnight hour. And look what results they got!

The Tool and the User

Please, one very important concept I would like for you to realize is that midnight prayer is just that – a tool.

As it is true with all tools, it is only as effective as the user.

- A car is only as good as the driver.
- A sword is only as good as the warrior wielding it.

This is a very important concept to understand. The performance and effectiveness of a tool depends a whole lot on the user.

For your golden key to be effective i.e. attract the answers you want as quickly as possible, you should watch out for these 7 attraction “killers.”

- **Pride**

Always remember that every blessing you receive has been poured out by God. He gives you by His grace... not because you are better than anyone else. If you get it into your spirit that we are all ordinary folks in the hands of an extraordinary God, you'll be fine.

- **Competition**

Don't just ask for things to display, or to outdo your neighbor. God does not want you to compete or compare yourself with anyone else. You are uniquely you!

- **Laziness**

I send out prayer homework every weekend. Some pray seriously and receive the blessings. Others sleep the whole night through, only to wake up and discover that while they were asleep, their world changed.

- **Sins of the Heart**

Things that hide in the heart such as envy, jealousy, hatred, lusts, bitterness, unforgiveness, etc. will prevent good things from being attracted to you. That's why I asked you to study the book of Philippians.

- **Get Rid of Fear**

This one literally drives away blessings. In its milder forms – worry and anxiety – they can delay or even divert your blessings to someone else.

- **Tradition**

Many people lose their blessings everyday because they are not willing to shift their traditional mindset and embrace new knowledge as God reveals them.

The Bible says in Deut 29:29

“The secret things belong unto the Lord our God; but those things which are revealed belong unto us and to our children forever, that we may do all the words of this law.”

Jesus really had something serious to say about traditional thinking. In Mark 7:9 He says:

“... All too well you reject the commandment of God, that you may keep your traditions.”

- **Satanic Counterattack**

Anytime your spaceship is on its way back to you (loaded with blessings, of course) there are powers in the spiritual realm that would try to delay or possibly divert it from coming to you.

Remember Daniel's case.

And Moses... when he was about to step into the Promised Land, something went wrong.

What kept him out? Anger.

Satanic attacks can manifest in many forms, including anger. I usually caution folks who are expecting powerful blessings from God NOT to get angry with anybody, no matter the provocation.

My Golden Key Recipe

Earlier, I said that an example is worth a thousand theories.

What I'm going to describe to you here is an example – my recipe. I've analyzed it, tested it, and worked out the little kinks. I continually refine it, as the Lord gives me more insights and revelations.

My main goal, when I started out, was to just get answers to my prayers. I ended up “stumbling” into an important spiritual secret. And, Voila! The Back Door (or Golden Key, whichever one you prefer) Principle was born.

Here then is a breakdown of the recipe I use to attract answers to ALL my prayers. My online friends use it all the

time. And from the reports I'm getting, it has saved them or their loved ones from:

- Broken marriages
- Health related problems
- Trauma and anxiety disorders
- Financial embarrassment
- Joblessness
- Foreclosure on homes
- Lawsuits
- Accidents, and even deaths
- And the list goes on and on.

Step ONE: Get the Scriptures

This is obviously the first and most important step.

There are a few ways you can accomplish this. You can study the Bible using any of the many excellent Bible study tools available for free. You can also study the Bible as if you're going to write an exam – intensely, passionately, desperately... in a very focused manner. I use this latter approach. Plus, I also use tapes with recordings of key scriptures (a precious man of God made these tapes and was kind enough to send me some).

Every morning, before my feet hit the floor, I press the “play” button on my tape recorder and the first thing I hear is the word of God. At night, I leave it on till the midnight hour... when the real action begins.

Why?

- Because it helps me to commit key scriptures to memory (very important if you want to attract answers to prayers quickly).
- Because it washes me and cleanses my heart from negative spiritual things I may have picked up unconsciously.
- Because it sanctifies my environment and brings down the power and the glory of God in my home. Visitors, even non-Christians, actually sense it the moment they walk into my home.

If you want this to work, you should not be the type of person who selects the scriptures to accept, and the others to reject. A church worker once told me that this is exactly what he does. He was taught that since the Bible was written by human beings (and was probably tampered with along the way) he shouldn't have to believe everything written in there.

I referred him (and others like him) to 2 Tim 3:16 which says: ***“All scripture is given by inspiration of God...”***

This is the foundation.

Step TWO: Turn Them Into “Prayer Bullets”

Turning scriptures into prayer points (like the ones you see in this book) is a delicate spiritual skill.

Here's what I mean...

A few weeks ago I was at a prayer meeting. The Holy Spirit impressed upon me to pray against spiritual taskmasters in that city. Here's how the prayer point came out:

“You spiritual taskmasters arresting divine benefits in this city, receive the judgment of God in Jesus’ name.”

As soon as we began to pray, the Lord opened the eyes of a sister in the spirit. She saw this huge sea creature rushing angrily toward me, with the mouth wide open. But just before it got to where I was, a great sword descended from heaven and cut it to pieces.

What was the effect of that prayer?

There was a man in that meeting who had been praying and believing God for a breakthrough business deal for 12 years. He had even given up on it years ago. Before the week was out, he called me to say the business was mysteriously handed to him on a platter of gold.

What happened there?

The invisible taskmasters had arrested and sat on his benefits for 12 long years! Just like they did to the Israelites of old in Egypt.

And God did to this taskmaster what He said he will do in Isaiah 27:1.

It all ties back to step one. A proper understanding of scripture will help you to “deconstruct” it into short, sharp, aggressive prayer points that attract answers... even as you speak. This may well be one of the most crucial spiritual skills to learn.

If you fail in this one area, you may find your Christian life a burden... and end up secretly wishing for the end of the world to come quickly and put you out of the misery. The Holy Spirit will help you in Jesus' name.

Step THREE: Fire the First Volley

We are going deeper here. This first set of prayers I normally pray Esther-style i.e. for 3 consecutive days (with fasting).

Truly if you ask me why most folks hardly see tangible answers to their prayers, it's because they missed this step. Let me explain.

The world we live in is a mysterious place. Oftentimes the script that's currently playing out in your life may have been written ages ago. You had no input in the matter. Others (long dead) took the decisions on your behalf... and you're now left holding the can.

We should always be grateful Jesus came.

Here's one of the things He did for us:

He gave us the ability to go back in time (through prayer) to correct whatever went wrong. Plus, fast forward to the future to re-arrange it to suit God's purpose for our lives.

Anytime you go through this step, you're preparing yourself to attract blessings to you as fast as you can receive them. If you leave this out, you blessings will just "float" around and can be captured spiritually by those who are more alert in the spirit.

You never, ever want that to happen!

Note: You will see this prayer on page 53. You have to spend time on this section before you go on to any other section.

One successful pastor I know usually goes to an undisclosed location with a specially handpicked group of prayer warriors the beginning of every month. No food, no water. They pray every 3 hours, day and night, On the third day, they break their fast with fruit juice.

You need to pay a visit to that church to believe the praise reports. They are absolutely amazing. I pray many more pastors will follow his example. Amen.

Step FOUR: Sanitize Your Surroundings

Remember our little spaceship? Loaded with all kinds of beautiful blessings? I said earlier that some opposing powers may attempt to delay, or steal, or even destroy it.

Here's what I do:

I take a long spiritual look at my surroundings i.e. where I live, where I work, and where I worship. I find out as much spiritual information as I can. I call this, "getting the lay of the land."

The Holy Spirit is always a great teacher here. Once He showed me that a house I'd lived in many years before I became a Christian used to be an occult place of worship! The implication was that there was still a fair amount of evil spiritual traffic taking place there. No wonder I found it difficult to prosper while I was living there!

Invisible Control

Certain invisible powers exist that control a land and her people. Each has its own methods. Their mode of operations can be mind-boggling. But it is important we understand a principle of God which all spirits obey. I found this principle in Psalm 115 verse 16. It says:

“The heaven, even the heavens, are the Lord’s; But the earth He has given to the children of men.”

The earth belongs to the children of men, it belongs to human beings. This is a spiritual principle, a cardinal decree of God well known in all the realms of the spirit.

Based on this principle, I have created some “disinfectant” prayer points targeted against the controlling powers in any environment I happen to live, work or minister. This ensures that my spiritual spaceship has safe landing each and every time!

Note: You will see this prayer on page 60.

Step FIVE: Pray as if You are Firing a Spiritual Machine Gun

When I do steps 3 and 4 very well, the magnetic attraction of my prayers is at its strongest. I begin to receive divine direction from God very clearly... from the Bible, through visions, and from others around me. Even in the dream I receive very valuable information.

At this level I change the realm of my prayers and begin to ask for a special fresh infilling of the Holy Spirit (***see page 65***). This is a watershed moment. I need a fresh anointing

before I can go ahead to the specific issue that I need divine intervention in. So I spend a full day making sure my life is attractive for the Holy Spirit to dwell in.

After this stage that I move into the specific prayer section that I'm interested in. I usually start this step expecting to stay on it for at least 7 days. In most cases, I "see" the results within five days.

Your results will vary depending on your level of holiness, spiritual sensitivity and persistence. In one difficult case I had to stay on here for 21 days before I could see any sign that the answer was on its way. Some people have reported staying here for 40 days... coupled with some type of partial fasting for a while. Depending on what they have set out to accomplish.

One of the most powerful men of God in this generation stayed on here for 3 years, nonstop. And that's because he desired to build a great ministry. And he did.

But for most folks, seven days is more than enough.

The praying here must be persistent and the level of sensitivity in the spirit must be high.

Step 6: Seal it

At this stage, you've "received" it in the spirit. Your prayer has been answered. The spiritual roadblocks have been cleared away. You then begin to pray "sealing" prayers.

You do this by surrounding your angel (or vehicle) of blessing, your human helpers and your loved ones (and

yourself) with the fire of God and the blood of Jesus. You pray against evil reinforcement and counterattack (remember the enemy is not happy that you've gone this far, and may try to set up a hot pursuit, just like he pursued the Israelites of old to the Red Sea).

I also intensify my prophetic praying at this point. I write out what I've just "received" from the Lord and the scriptures to back it up. I post this everywhere in my house. I meditate on them. I sing about them. I see myself actually holding the blessings and rejoicing.

In other words, I celebrate privately before I even see it physically. I send thanksgiving offering to the ministries I support. This is how I put my faith into action. This kind of offering I'm talking about becomes a memorial (a pillar of remembrance) before the Lord. It also serves as a beacon to direct angels of God to bring blessings to me every day – even the things I didn't pray for!

One type of offering deserves special mention here. A Christian brother from the Island of Samoa first taught it to me.

Here's how it works:

I will set aside some amount of money for each day that I fasted (say \$1 a day, \$10 a day, \$20 a day, etc) and send the total amount to **feed the poor**. If I send this money to a ministry, I make sure it is a ministry that really uses the money to feed the poor. There's a mystery attached to this kind of offering and the results are well documented in Isaiah 58.

Step 7: Rest but Keep the Ball Rolling

This does not mean relax! Eternal vigilance is required at this stage.

The Bible says:

“Be still and know that I am God: I will be exalted among the nations, I will be exalted in the earth.”

Psalm 46:10

It means **surrender** everything into the hands of the Almighty, and be expectant. Many people miss it by allowing anxiety, worry and discouragement to creep in at this point. The reason that happens is... the devil unleashes his most powerful weapon at this stage of the game.

That weapon is called, “discouragement.”

I find that as I rest and look to the Lord occasionally the Holy Spirit will instruct me to go back and pray a specific prayer. At other times, He will just direct me to be quiet. Really quiet. I obey. I keep expecting and anticipating, with joy and gratitude until the answer appears.

Where to Go From Here... Prayer Sequence

I keep a notebook. In it I record all the dreams I've been having during this period. I review the entire operation and take action where needed.

I also gain new spiritual insights which I test and apply. And create new prayer points, too. I intercede for those who are facing similar challenges. I find that when I apply my "Back Door" tactics to someone else's case, their answers could even manifest before mine. That's why it's so important to renew your mind with the word of God... so you don't become envious, or even discouraged.

When the answer physically appears, I usually celebrate with friends and family and then move right on to the next project.

In the next section you will see all the scriptures and prayer points that you need to make prayer attraction work for you. I've done steps 1 and 2 for you. I'm making it real easy for you... so you can get off to a fast start and taste success early.

This is the sequence of the prayers:

- Start with Step 3 prayers first... **page 55**
- Followed by Step 4 prayers... **page 62**
- Followed by Step 5 prayers ... **page 67**
- Round up with any section of your choice...
starting from **page 74**

I would like to challenge you to give this "blueprint" your best shot for the next 10 days.

I have set up a members-only email hotline at:

membersonly@firesprings.com

where you can shoot off an urgent email to me at any time. I'll do my best to assist you. Please keep in mind that I receive thousands of emails monthly. So there may be a delay of between 48 hours and 1 week before I can get to you.

If it's at all necessary, I'll pass on your case to my specially handpicked prayer team on the 24-hour blog. They will "agree" with you in prayer... and God will visit you with testimonies!

Always remember this: We are all ordinary folks in the hands of an extraordinary GOD.

Onward... to the prayers.

Where It All Begins

There's a curious point in the spiritual realm that is crucial to keep in mind as we prepare to engage our prayer engines. Because your success or otherwise in prayer could very well rest upon what I'm about to say now.

So please pay close attention...

There is one prayer everyone needs to be sure they had prayed, at one time or the other, with sincerity and passion. It is so important; I make it a point to include it in all my materials.

In my free ebook, ***Passion Prayer of Jesus the Christ***, I wrote:

"Everyone alive needs to pray this prayer. You may not think you need to repent and ask for God's forgiveness but you'd be surprised to learn that every other prayer you pray depends on this one.

The Scripture says:

Now we know that God does not hear sinners; but if anyone is a worshiper of God and does His will, He hears him.

-John 9:31

[when]... you decide to turn away from sin and to turn to God, then you'd be taking the first crucial steps to getting your prayers answered. Because God is always eager to answer this type of prayers, provided you say it now and mean it, He puts Himself in a position where He just cannot say "No" to all your subsequent prayers."

- Passion Prayer of Jesus the Christ, page 39

What am I talking about here?

For God to hear and answer our prayers, our hearts must be surrendered (submitted) to the lordship of Christ totally.

As obvious as this may sound to many people reading this, the reality seems to be that so many Christians are only *'partially'* submitted, and this does prevent folks from receiving what they pray for.

You need to acknowledge JESUS... as Lord and savior, demonstrate it by giving your heart totally to Him ... confessing Him as your Lord and savior; repenting of every sin the Holy Spirit brings to your heart.

Then allow Him to begin the process of changing your heart and transforming your life.

In other words, you must be genuinely saved for the prayers you'll be seeing shortly to *work* for you.

Have you been genuinely saved?

If you are not sure you are "genuinely" saved, it's simple to be saved ... here are the essential steps:

#1: Realize you are a sinner.

"As it is written, There is none righteous, no, not one:" Romans 3:10

"... for there is no difference. For all have sinned, and come

short of the glory of God;" Romans 3:23.

#2: Realize you can NOT save yourself.

"But we are all as an unclean thing, and all our righteousness are as filthy rags; ..." Isaiah 64:6

"Not by works of righteousness which we have done, but according to his mercy he saved us, ..." Titus 3:5

#3: Realize that Jesus Christ paid the price for your sins.

"Who his own self bare our sins in his own body on the tree, ..." 1 Peter 2:24

"... Unto him that loved us, and washed us from our sins in his own blood," Revelation 1:5.

#4: By faith receive Jesus Christ as your personal Savior.

"But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:" John 1:12

"... Sirs, what must I do to be saved? And they said, Believe on the Lord Jesus Christ, and you will be saved, and your house."" Acts 16:30, 31.

"For God so loved the world, that he gave his only begotten

Son, that whosoever believeth in him should not perish, but have everlasting life." John 3:16

If you would like to join the list of people sharing testimonies like you see on our site www.firesprings.com you must first of all surrender your life to Jesus, the author and finisher of our faith.

Without this crucial first step, nothing else will work.

That's the plain truth!

Would You Like To Be Saved?

Then take this prayer, and mean it with all your heart.

"LORD, I know that I am a sinner, and unless you save me I am lost forever. I thank you for dying for me at Calvary. I come to you now, Lord, I repent of my sins and I ask you to save me. I now receive you as my Savior. In the name of Jesus Christ, Amen."

If you prayed that prayer sincerely, please allow me to welcome you into the family of God, where JESUS reigns as king forever more.

From now on we will be moving fast. Please get yourself ready for the ride of your life!

Step 3 Prayers

(To be prayed during first 3 days, with fasting)

If you asked me the real secret behind the astounding praise reports on our websites I will have to attribute it hundred percent to the faithfulness of God.

As I write this I am looking at testimony #1610 from Tony in England. Actually he is sharing four testimonies in this one email. Here's a taste of what he has to say:

*"I went for a job but didn't get it but closer to the day the Holy spirit told me to stay in my current job. Within two days of not getting the job I got promoted to 2 grades above the job role I was doing to Senior Management (3) **without applying**. To be honest it is very difficult for a black person to be in that role but with God all things are possible. Amen. God Bless you richly for your prayer points." – Tony, UK*

No one can claim any credit for this. All the glory must go to the Lord, who has promised to answer the prayers of His people.

He is using the principles in this little manual you are reading now to encourage His people all over the world. Right now, our prayer manuals and *free weekly newsletters* are deployed at crucial spiritual battlefronts in 117 countries across the globe.

As the prayer bullets are being fired, the Lord is stretching forth his hand to save, to heal and to deliver as of old.

Here's a BIG Secret:

A major key to victory is that you must learn how to start your prayers at the very foundation, at the *root of life* itself.

If you begin your prayer campaign as I'm about to explain shortly, it will only be a matter of time before powerful testimonies like the ones we record here become a daily occurrence in your life.

But first...

What Is The Unit of Life?

Scientists tell us that there are certain basic instructions responsible for the proper functioning of the body.

They say there is a unit that “holds” or keeps all this information used in the development and functioning of all known living organism.

It is the ***blueprint*** of life. It is known as the DNA.

This DNA is the basic unit of life responsible for many of the characteristics you possess as a human being.

For instance, the color of your eyes is determined by the information coded in and transmitted by your DNA.

The way you think, talk or walk all depends on the information stored in and transmitted by your DNA.

Your body organs e.g. the heart, lungs, liver, kidney, bones, blood, nerves, etc. are either healthy or sick depending on the instructions in your DNA.

Now you may ask the question:

Where did these instructions come from? How did they find their way into our DNA?

Let's step back for a second and consider a few Scriptures.

The Bible says in the book of Colossians chapter 1 verse 17: *“And He is before all things, and by Him all things consist.”*

Who is being referred to here?

None other than Christ. We are told that *“in the beginning was the Word, and the Word was with God, and the Word was God” (John 1:1).*

Now this is the Word that played such a crucial role at the time of creation. The Bible makes us to understand that in the beginning certain words were coded or *programmed* into mankind by the Creator Himself.

You find these words or divine instructions in the book of Genesis chapter 1 verses 27 – 28:

So God created man in His own image, in the image of God created He him, male and female created He them.

*And God blessed them, and God said unto them, “**Be fruitful and multiply**, and replenish the earth, and subdue it; and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moves upon the earth.”*

This was God's original divine instruction programmed into mankind at the very foundation of life.

Every cell in the body must heed this instruction to be *“fruitful and multiply...”*

So is it any wonder that our body goes through a process called *cell division* in order to obey the creator's instruction to multiply?

But something can go wrong ...

Studies have shown that the units carrying these precious instructions can suffer damage, sometimes massively.

When this happens, the whole life of the person can be put at great risk.

Why?

Because instructions needed for wellbeing of the individual can become distorted, corrupted or *lost* altogether... resulting in serious damage to the very cells responsible for the proper operation of the body.

Here's a great example...

Scientists now know that DNA damages in some *frequently* dividing cells are a prominent cause of cancer.

But when such damages occur in other types of cells (e.g. *infrequently* dividing cells) it can lead to premature aging.

And these effects can transfer from generation to generation.

I remember a highly respected doctor telling me many ago that children of parents who suffered from cancer had a predisposition to develop that same type of cancer in later life.

“Can anyone stop this from happening?” I asked.

“No, unless you can change your ancestry” came the reply.

He carefully explained to me that ailments like these are mostly genetically transferred. And you can only hope and pray for the best!

Please note:

The moment some condition or situation can be *transferred* along generational lines, it is no longer just a biological issue. You can be sure there is a spiritual dimension to it as well.

Remember the story of Elisha and Gehazi in the Bible.

You sometimes hear that many diseases or problems run in certain families and not others. You notice that so many important life conditions can be transferred from one generation to another in many families.

This is possible through instructions *coded* in the DNA.

Now our creator (the Almighty God) has a way of speaking to even the smallest unit of life in our bodies to align with His purpose.

This is good news for us.

Because you and I can take His words *in our mouth* and begin to address some things in our lives, whether we are talking about physical things like body organs or even situations of our lives such as our marriage, finances, etc.

And we do this through ***targeted, scripture-based praying***.

I hope you are beginning to see the enormous possibilities that prayer opens up for us as children of God.

By the time you learn to apply the principles in this manual consistently, it will dawn on you that prayer extends far beyond what we've always been told.

You will begin to realize that knowing how to declare the mind of God over your situations and circumstances is a crucial element of victorious Christian living.

What About The Other Side?

I need to tell you that satan, the archenemy of man has taught his followers how to do what I've just described but in a negative sense.

So his agents are busy using their evil wisdom to speak words of disaster into the root of life of many people without their knowledge.

I tell you this:

They are ever so busy firing arrows (or words) of affliction, destruction and even death into the root of many people's lives.

This includes Christians who have no knowledge that this type of activity is going on the spiritual realm day and night.

The Bible talks about arrows that fly by day and pestilence that walks in darkness in Psalm 91.

Actually many people you see on the streets have been struck by these arrows and to all intents and purposes they are now walking corpses.

Because the enemy has effectively destroyed their foundation, thereby turning their entire lives, marriages, finances, etc. upside down.

But I've got great news for you!

You can take a decisive stand today and fight back. You can use Steps 3, 4 and 5 bullets to turn the table against the enemy and force a restoration of whatever you lost in the days of ignorance.

In a moment I will show you how to do this...

Very Important

To open the gate to this exciting realm of victory and divine restoration, you will have to start with Step 3 prayers below while on a 3-day Esther-Style fast. *(Please note that you may need to seek the advice of your doctor if you've never been on this type of fasting before.)*

For best results, the prayers for the first 3 days should be prayed every six hours. **The midnight hour is especially crucial to victory as I've already explained.**

It will be important to write down your dreams during this period. If you do go on to join the [Prayer Academy](#), there is a forum to send in a summary of your dreams so we can follow up more effectively.

Please pay special attention to the prayer bullets with specific time allotted to pray them. You will notice, for instance, certain prayers you need to pray for 30 minutes, others for 15 minutes, etc.

For reason of space, I cannot go into details here. Suffice it to say that there are strong scriptural reasons for this. In the Prayer Academy I go into details and show you how to apply the principles here to real-life situations ... Now to the prayers...

Day #1:
(Pray every 6 hours)

Begin with praise and worship (15 minutes)

Then read out loud the following scriptures:

Psalm 51, 18, 121, 110, 91

Follow up with this warfare confession:

FATHER, I thank you for this prayer program. Thank you because the weapons of my warfare are not carnal but are mighty to the pulling down of satanic strongholds. As I go into prayer, I pray that you will manifest your presence in my life.

I declare that JESUS is Lord over my life – spirit, soul and body. I am sanctified by the blood of Jesus. I am redeemed by the blood of Jesus. I am justified by the blood of Jesus. I have the life of God in me.

Today, every word that I shall speak will please the Lord and glorify His name. These same words shall wreck destruction and havoc in the camp of the enemy in Jesus' name.

I decree civil war among demons, spirits, personalities and powers set up to oppose these prayers and I break their backbone by the power in the blood of Jesus.

Right now let the angel of truth begin to read scriptures and torment every lying demon in Jesus' name. Let the bonfire of

the Holy Ghost begin to burn even as I invite the Holy Spirit and hand over my battles to the LORD in Jesus' name.

Father, I pray that you will release 12 legions of warrior angels to assist me in this battle. Let your angelic host bind and restrain every demonic resistance. Let them intimidate and weaken every satanic opposition.

LORD, I pray that you will dispatch special angels of battle to evacuate stubborn spirits and their agents to the land of the wicked for mass destruction by divine earthquake, thunder and brimstone in Jesus' mighty name.

I shall possess my possessions. Let 12 legions of angels of restoration go forth into the land of the living and of the dead to recover every blessing I have lost in the past in Jesus' name.

Today, let the angels of favor be released to favor me in Jesus' name. Let the angels of prosperity be dispatched to bring prosperity and abundance to me in the mighty name of Jesus Christ. Amen.

Then take this ONE prayer point for 30 minutes:

1. O Lord, send your fire to the foundation of my life and consume every evil foundation in the name of Jesus.

Please remember to thank the Lord for answering your prayers...

Day #2:
(Pray every 6 hours)

Begin with praise and worship (15 minutes)

Then read out loud the following scriptures:

Psalm 51, 18, 121, 110, 91

Follow up with this warfare confession:

Then take these 3 prayer bullets for 15 minutes each:

1. Every demonic age group limiting my progress in life, I relocate you to the land of the wicked; I release the earthquake, thunder and fire of the Lord to swallow you in the name of Jesus. *(please pray for 15 minutes).*
2. Thou collector strongman or woman from the waters in my place of birth, release my portion, receive divine judgment and die by fire in the mighty name of Jesus.

(please pray for 15 minutes)

3. You ancestral strongmen and women of my father's house, I relocate you to the land of the wicked; and I release the earthquake, thunder and fire of the Lord to swallow you in the name of Jesus. *(please pray for 15 minutes)*.

Thank the Lord for answering your prayers...

Day #3: (Pray every 6 hours)

Begin with praise and worship (15 minutes)

Then read out loud the following scriptures:

Psalm 51, 18, 121, 110, 91

Follow up with this confession with spiritual violence:

FATHER, I thank you for this prayer program. Thank you because the weapons of my warfare are not carnal but are mighty to the pulling down of satanic strongholds. As I go into prayer, I pray that you will manifest your presence in my life.

I declare that JESUS is Lord over my life – spirit, soul and body. I am sanctified by the blood of Jesus. I am redeemed by the blood of Jesus. I am justified by the blood of Jesus. I have the life of God in me.

Today, let the angels of favor be released to favor me in Jesus' name. Let the angels of prosperity be dispatched to bring prosperity and abundance to me in the mighty name of Jesus Christ. Amen.

Then fire these 7 prayer bullets for 5 minutes each:

1. Every personality reinforcing bondage in my life die in the name of Jesus.
2. I bring the divine executioner of God against every personality reinforcing bondage in my life in Jesus' name.
3. Every power and spirit of the occult released against my life, turn and face your owner and destroy them in the name of Jesus.
4. *(Prophetically pick the dust/sand of the earth in your hands, throw it and pray like this)* As I release this sand let it travel back with all the evil invoked into it to any personality using the dust against my life in Jesus' name.
5. O God of signs and wonders, arise and show my enemies that you are my God.
6. I refuse to bow to any satanic intimidation in Jesus' name.
7. I hold the blood of Jesus as evidence against any evil force unleashed against my life in Jesus' name.

Thank the Lord for answering your prayers...

The Story of Robbie...

Robbie at 45 was diagnosed with terminal cancer several years ago and was given just 6 months to live. He and his wife Nancy, resigned to this fate, and retired to a small community to wait for the end.

They were Christians. They believed the Bible. So, instead of blaming God like so many in this kind of situation do, they made up their minds that they were going to study the Scripture and pray till the very end.

But Nancy also remembered a story she'd read years ago. It was about a certain missionary in the jungles of Africa who came down with a deadly disease and was left to die. After a week of intense suffering and pain, he had a dream. In the dream, he saw his Bible opened at a certain chapter and two verses of scripture highlighted in red. He woke up, managed to open his Bible to that chapter and painfully copied out the two verses.

Every few hours he would pray using those two verses. The pains were tormenting him. On the third day, he drifted off to a painful sleep after the prayers, as usual. Many hours later, he was awakened by a fearful sound – the roaring of a lion. He leapt to his feet, and started running blindly for a while. Then he stopped. It suddenly hit him that he was completely healed... he was feeling no trace of pain at all!

Nancy remembered this story vividly and hope began to rise in her that God could also intervene and save the life of her husband.

So they continued to praise God, even in this circumstance. They kept right on thanking Him. And they kept praying.

Then it happened. During prayer one night, a verse of scripture in Philippians kept coming into Robbie's mind. To his surprise, Nancy stopped abruptly after a few minutes and announced she was going to search for a verse that'd been flashing in her mind since they started praying.

Guess what? It was the exact same verse that Robbie was thinking about. They opened the Bible, found it and began to use it everyday in prayer.

The 6 months came and went. Robbie was still alive. In fact, he seemed to be getting better and better everyday.

One year. Two years. Robbie was back on his feet. He even went back to his old job for a while. Five years later, he retired to become a full time missionary. He's still in the mission field a decade after he was supposed to be dead from terminal cancer!

Most of the Scripture passages or "ingredients" attached to the prayers you're going to be praying were obtained that way. They've been tested and proven to work in specific situations.

So please concentrate fully, read the Scriptures aloud with faith in your heart, and give thanks to God for the answers, even before you see them.

I'm waiting for your testimony of victory...

I declare that JESUS is Lord over my life – spirit, soul and body. I am sanctified by the blood of Jesus. I am redeemed by the blood of Jesus. I am justified by the blood of Jesus. I have the life of God in me.

Right now let the angel of truth begin to read scriptures and torment every lying demon in Jesus' name. Let the bonfire of the Holy Ghost begin to burn even as I invite the Holy Spirit and hand over my battles to the LORD in Jesus' name.
