## A Final Prayer

*Dear God, You are the Creator. Your knowledge is infinite, complete, and perfect. You are omniscient. You know everything about me—everything seen and everything unseen. You know when I sit and when I rise. You have numbered the hairs of my head. Please forgive me for my unspoken thoughts and the things I did that I tried to hide from everyone—they were not hidden from You.*

*Please teach me the way that I should go. Please give me the words to speak, and imbue me with the understanding that is beyond my human knowledge and ability. Please take care of my loved ones—You see their hearts, and You know their every action—nothing is hidden from You. Please protect them and guide them according to Your will.*

*Help me depend on Your omniscience and not my knowledge. Please help me not worry but rather trust You. May Your Kingdom come and Your will be done on earth as it is in heaven. Amen.*
