Dear Sirs

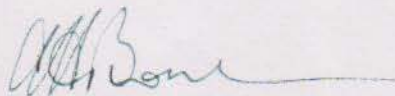

**FIRE RESISTANCE TEST**

We have pleasure in enclosing our report WARRES No. 67002 covering the test performed on your behalf on the 16th February 1996.

We would emphasise that the result applies only to the actual specimen or the combination of specimens tested and as detailed in the test report.

Every precaution has been taken to ensure that the details of the specimens tested are accurately specified in the test reports but, if you find that there are any inaccuracies, we would appreciate written notification within a period of six weeks from the date of this letter, giving details of the errors or omissions and returning the original test report.

Yours faithfully

### Halspan® Doors

We hereby confirm authorization to use our test evidence and assessments and the information contained therein in the design and fabrication of fire doors to 30 minutes, 60 minutes, 90 minutes, 120 minutes and in support of claims to the fire performance of doors so constructed.

The stipulation of this authorization is that **Halspan®** is used as the core material and that additional material required to complete the fabrication are those laid down in the global assessments.

Global Assessment	Reference
Halspan 30 Prima	FEA/F97174
Halspan 60 Prima	FEA/F96103
Halspan 30 Prima Panelled	FEA/F97097
Halspan 60 Prima Panelled	CHILT/A01015

Halspan Optima 60	CHILT/A01205
Halspan 90	CHILT/A05151
Halspan 120	CHILT/A06087

Fabrication will be to sizes and tolerances stated and it will be the responsibility of **United Wood Products** to ensure that these are adhered to at all times. It is also the responsibility of **United Wood Products** to ensure that the door set is fit for the purpose and long term serviceability and conformity to recognized good practice.

**Halspan®** is a registered trademark owned Halspan Ltd and the name can only be used in the context of doors where the material is used. It is a three layer particle board manufactured by C.P.S. to the specification of Halspan Ltd for fire door construction.

As **Halspan®** is under continuous development there will be additional information made available from time to time.

We will withdraw our authorization to **United Wood Products** if they fail to demonstrate the use of **Halspan®** or fabricate fire doors not in accordance with information given.

This authorization is valid, initially, for a period of two years from date of issue.
