For the most current listings, visit BlueKC.com. If you are uncertain whether a provider is in the Preferred-Care network, call the Customer Service number listed on your member ID card.**

PLEASE REFER TO YOUR PLAN DOCUMENTS FOR INFORMATION REGARDING YOUR COVERED BENEFITS.

Retail Health Center and Urgent Care Center Listing

Each listing also includes the specialty physician's gender and may include languages spoken in the office, board certification and physician group affiliation.

PCMH Provider Listing

The Patient Centered Medical Home (PCMH) is a long-term relationship between you and your healthcare team, led by designated primary care physicians within the Blue KC Medical Home program network. Your Medical Home care team works in partnership with you to achieve the healthcare goals you and your providers establish.

Hospital Based Physician Listing

Use this listing to search for doctors who specialize in a particular branch of medicine that is based in a hospital such as emergency medicine, pathology or radiology. These doctors are listed by county and then by specialty. An address and phone number is listed along with the doctor(s) practicing at that location. Each listing also includes the hospital-based physician's gender.

Other Healthcare Professional Listing

Use this listing to search for chiropractors, rehabilitation providers, licensed psychologists, social workers, professional counselors, mental health centers and agencies, durable medical equipment suppliers, home infusion therapy providers, free standing radiology facilities and independent laboratories. These healthcare professionals are listed by county and then by specialty with their address and telephone number. When applicable, the listing also includes the healthcare professional's gender and languages spoken in the office.

Alphabetic Index

This index refers you to the page where you can find more information on each provider.

BlueCard®
Your health benefits travel with you.

The BlueCard® program is a national preferred provider program (PPO) that offers members who travel or live outside the Blue KC service area PPO benefits when they receive covered services from a preferred provider. Your member ID card will serve as your BlueCard ID card.

Finding a PPO provider when traveling is easy! Simply call 1-800-810-BLUE during normal business hours to be connected to Customer Service at the local Blue Cross and Blue Shield plan. Customer Service will help you find a PPO provider in the area who can meet your needs.

When traveling and receiving care, you will need to get prior authorization before any hospital admission. The phone number to call for prior authorization is on the back of your member ID card. Prior approval is your responsibility.

No matter where you go, BlueCard will help you feel right at home.
