The following terms and conditions constitute the only terms and conditions under which Premiere Props will offer for sale and sell the property described in the Catalog. These Conditions of Sale constitute a binding agreement between the Bidder and Premiere Props with respect to the auction. By bidding at auction, whether in person, through an agent or representative, by telephone, facsimile, on-line, absentee bid, or by any other form of bid or by any other means, the Bidder acknowledges the thorough reading and understanding of all of these Conditions of Sale, all descriptions of items in the Catalog, and all matters incorporated herein by reference, and agrees to be fully bound thereby.

This auction is being conducted under section 535 of the Penal Code and Section 2325 of the Commercial Code and Laws and Acts of Auctioneering. Announcements made the day of auction take precedence over any previous communication.

1. A buyer's premium of 23% of the hammer price shall be added to each purchase and is payable as part of the total purchase price.
  2. Sales tax will be added to the purchase of all items. The buyer's premium is part of the purchase price and is taxable. CA residents will pay 8.75% unless a tax exempt form is on file at time of auction and an original valid resale permit filed at time of registration with a copy for Premiere Props' records from the California State Board of Equalization.
  3. Complete payment is required the day of the auction. Acceptable forms of payment are Visa, Mastercard, American Express, Discover, Checks (with bank letter of guarantee), Cash (In House Only) and PayPal but under the express condition that any property purchased by credit or debit card shall not be refundable, returnable, or exchangeable, and that no credit to Buyer's credit or debit card account will be issued under any circumstances. For payment other than by cash, delivery will not be made unless and until full payment has been actually received by Premiere Props. Premiere Props has been authorized by the seller or consignor to retain, as partial remuneration, the premium set forth as number (1) in this paragraph. Unless otherwise agreed in a writing signed by Premiere Props, payment in full is due within seven calendar days of the auction or within five calendar days of the invoice date, whichever is later. PREMIERE PROPS SHALL HAVE THE RIGHT AND THE SUCCESSFUL BIDDER HEREBY UNCONDITIONALLY AND IRREVOCABLY PRE-AUTHORIZES PREMIERE PROPS, TO CHARGE FROM AND COLLECT ALL AMOUNTS OWED FROM ALL CREDIT AND/OR DEBIT ACCOUNTS IDENTIFIED TO PREMIERE PROPS BY THE SUCCESSFUL BIDDER PRIOR TO BIDDING IN THE EVENT THAT THE SUCCESSFUL BIDDER DOES NOT MAKE TIMELY PAYMENT UNDER THESE CONDITIONS OF SALE. IN SUCH EVENT, THE SUCCESSFUL BIDDER AUTHORIZES PREMIERE PROPS TO COLLECT ALL AMOUNTS OWED FROM ANY OF SAID ACCOUNTS, AND THE SUCCESSFUL BIDDER SHALL NOT CONTEST ANY SUCH CREDIT OR DEBIT ACCOUNT CHARGE ON THE GROUND THAT PREMIERE PROPS WAS NOT SO AUTHORIZED.
  4. All property must be removed from the premises by Bidder at his or her sole expense not later than seven (7) calendar days from the invoice date. Bidder agrees that Premiere Props will charge the credit card listed provided at registration for all items purchased at auction, and any future Premiere Props' auctions in which Bidder participates if not paid within 7 calendar days after the close of the auction. If all or any property has not been removed within that time, in addition to any other remedies available to Premiere Props all of which are reserved, a handling charge of one percent (1%) of the Purchase Price per month will be assessed and payable to Premiere Props by Bidder, with a minimum of five percent (5%) assessed and payable to Premiere Props by Bidder for any property not removed within sixty (60) days. Premiere Props shall additionally have the option, in its sole discretion, of transferring any of such property to a public warehouse at the full risk and expense of Buyer. Premiere Props; in addition, reserves the right to impose a late charge of fifteen percent (15%) per year on the Purchase Price if Bidder does not make full payment in accordance herewith. Premiere Props and Buyer acknowledge and agree that these charges are reasonably imposed to partially compensate Premiere Props for losses and expenses associated with any such delays.
  5. All items in the catalog are sold as described. We have tried to describe each lot as accurately as possible, and we have included descriptive photographs as well. However, we are selling each lot "AS IS" and there will be no returns allowed if you are not satisfied with condition. We are not responsible for color discrepancies due to photo reproductions. Some items may vary from actual picture. Due to production requirements, there may be multiples of any given item used in the making of the referenced show. The items listed for sale in this auction are sold AS IS. Premiere Props makes no claims regarding the condition of the items listed on this site. Additionally, neither Premiere Props nor the consignor makes any representation or warranty, expressed or implied, as to whether the Bidder acquires any copyrights, including but not limited to any reproduction rights of any property, or other intellectual property (including exhibition or reproduction rights) or whether the property is subject to any limitations such as 'droit morale' (moral rights) or other rights affecting works of art. Premiere Props does not make any representation or warranty as to title.
- All descriptions, photographs, illustrations, and terminology including but not limited to words describing condition (including any condition reports requested by Bidder), authorship, period, culture, source, origin, measurement, quality, rarity, provenance, importance, exhibition, and relevance, used in the catalog, bill of sale, invoice, or anywhere else, represent a good faith effort made by Premiere Props to fairly represent the lots and property offered for sale as to origin, date, condition, and other information contained therein; they are statements of opinion only. Premiere Props and the Consignor are not responsible for any errors or omissions in the printed or online catalogues, online listings or any other material. It is the Bidder's responsibility to fully inspect the property before bidding to determine the condition and size and also to determine if it has been repaired or restored. They are not representations or warranties and Bidder agrees and acknowledges that he or she shall not rely on them in determining whether or not to bid or for what price. Price estimates (which are determined well in advance of the auction and are therefore subject to revision) and condition reports are provided solely as a convenience to Bidders and are not intended nor shall they be relied on by Bidders as statements, representations or warranties of actual value or predictions of final bid prices.

In no event shall Premiere Props be liable for incidental, special, indirect, exemplary or consequential damages of any kind, including but not limited to loss of profits, value of investment or opportunity cost.
  8. The highest bidder shall be the buyer and if any dispute arises between two or more bidders, the auctioneer will decide the bidder or immediately put the item up for sale again. We reserve the right to accept or decline any bid and all bids must be for an entire lot and each lot represents a separate sale. All bids are for each lot unless modified at the live auction by the Auctioneer. All lots will be sold in their numbered sequence or may be changed by the Auctioneer during the auction.
  9. Premiere Props reserves the right to withdraw any lot before or at the time of the auction, and/or to postpone the auction of all or any lots or parts thereof, for any reason and will have no liability for doing so. In the event that such buyer is the successful bidder on more than one lot and pays less than the purchase price for the total lots purchased, Premiere Props shall apply the payment received to such lot or lots that Premiere Props, in its sole discretion, deems appropriate. If Premiere Props does not exercise such discretion, the lots to which the payment shall be applied will be in descending order from the highest purchase price to the lowest. Any buyer failing to comply with these Conditions of Sale shall be deemed to have granted Premiere Props a security interest in, and Premiere Props may retain as collateral such security for such buyer's obligations to Premiere Props, any property in Premiere Props; possession owned by such buyer.
