Claims Representation and Counseling (CR&C)

The Texas Veterans Commission serves Veterans, their dependents and survivors, in all matters pertaining to Veterans' state and federal disability benefits and entitlements. It is the designated agency of the State of Texas to represent the State and its Veterans before the U.S. Department of Veterans Affairs (VA). The agency represents Veterans in filing VA disability claims and during VA appeals processes, and assists dependents with survivor benefits and entitlements. TVC is nationally recognized for its expertise in helping Veterans get the most benefits they are entitled to. The agency has almost 100 claims counselors accredited by the VA to represent Veterans with disability claims and appeals. Counselors also help Veterans and their families with questions regarding benefits, survivor and dependent needs, filling out VA paperwork, and medical issues. The State of Texas leads all other large states in monetary recovery of Veterans' compensation and pension benefits. More than \$1.5 billion in compensation and pension is distributed each year to Texas Veterans and eligible surviving family members represented by the Texas Veterans Commission.

Veterans Education Program

Texas State Approving Agency for Veterans Education and Texas Hazlewood Act Exemption

Veterans Education has both State and Federal program responsibilities. As the State Approving Agency (SAA) for oversight of Federal GI Bill programs in Texas, Veterans Education reviews, evaluates and approves programs of education and training for which veterans and veteran-eligible persons may utilize GI Bill educational benefits. Veterans Education conducts annual on-site visits to supervise and determine compliance with federal GI bill provisions.

Veterans Education State functions are: (1) to administer the Texas Hazlewood Act tuition and fees exemption program for eligible Texas veterans and their families; (2) to provide Education Coordinators to assist colleges and universities to establish programs and services to enhance opportunities for academic success of veterans and their families; and (3) to administer a Veterans Education Excellence Award to publicly recognize colleges and universities which provide exemplary services to veterans and their families.

VETERANS ENTREPRENEUR PROGRAM

The purpose of the Veteran Entrepreneur Program (VEP) is to foster and promote Veteran Entrepreneurship throughout the state of Texas. The Texas Veterans Commission, with the help of the Governor's office as well as several prominent Legislators, passed Senate Bill 1476 in 2013. This allowed for the funding of a team of experienced business consultants to be available for any Veteran in the state of Texas to consult with, free of charge to the Veteran.

The ultimate goal of the Veteran Entrepreneur Program is the creation of an "Army" of Veteran Entrepreneurs throughout the state of Texas. These Veteran Entrepreneur businesses will add value to the communities where they are established and create employment opportunities for other Veterans.

VETERANS MENTAL HEALTH PROGRAM

The Military Veteran Peer Network is an affiliation of Service Members, Veterans and Family Members dedicated to establish camaraderie and trust with each other, identifying and vetting community resources and, collectively, contributing to the communities where we live.

We accomplish this through commitment, training and volunteerism. We commit to have each other's backs. We train in Peer Support and Mental Health Awareness so that not only can we care, we can act and advocate appropriately. We volunteer by being Peers, Peer Group Leaders and citizens making a difference.

SCORE

The SCORE Association "Counselors to America's Small Business" is a nonprofit association comprised of 11,500 volunteer Business counselors throughout the U.S. and its territories. SCORE members are trained to serve as counselors, advisors and mentors to aspiring entrepreneurs and business owners. These services are offered at no fee, as a community service. Please visit their website at www.sba.gov/tools/local-assistance/map/state/TX for a list of chapters near you.

WOMEN'S BUSINESS CENTERS

Women's Business Centers (WBCs) represent a national network of nearly 100 educational centers throughout the United States and its territories, which are designed to assist women in starting and growing small businesses. WBCs seek to "level the playing field" for women entrepreneurs, who still face unique obstacles in the business world. SBA's Office of Women's Business Ownership (OWBO) oversees the WBC network, which provides entrepreneurs (especially women who are economically or socially disadvantaged) comprehensive training and counseling on a variety of topics in several languages. Visit www.sba.gov/tools/local-assistance/map/state/TX for more information and to find a location near you.
