### *Come Together*

When people gather, good things happen. Introductions are made. Ideas are formed. Laughs are shared. And HON tables are the place to do it. From conference rooms to breakrooms, cozy nooks to learning centers, our tables are available in the styles and sizes you're looking for—and feature helpful details that make meeting easy.

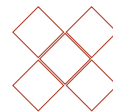

Conference

Collaborative

Multi-Purpose/Training

*Communicate. Educate. Collaborate.*

From conference rooms to conversation areas, training centers and more, today's workspace atmosphere is more collaborative than ever. And with limited space and budgets, you need tables that can do double-, even triple-duty (or more). HON tables are made to be used — with ultra-durable laminate or wood veneer surfaces, and convenience options like cord management and power/data ports. And with so many shapes, sizes and designs, HON tables can shoulder the load with style.

## Preside®

### *Where People and Ideas Connect*

Versatility. Productivity. Endless possibilities. Preside Conference Series is one of the broadest collections we offer. From cozy cafe tables to conference rooms for 20, it provides the perfect balance of selection and style—a high-value solution for those who need maximum performance on a budget. Tech friendly and available in tons of shapes and sizes, Preside makes it easy for people and ideas to connect.

### *Perfect Partner*

With 31 different laminate and veneer surface options, and 8 unique edges, Preside partners well with all HON desk lines.

### *Worthy Companions*

Preside offers a complete line of conference accessories, including presentation cabinets, hospitality credenzas and more.

### *Wired for Work*

Optional flip-top ports include 3 or 4 outlets, providing easy access to power and data.

## HEIGHT-ADJUSTABLE

# Coordinate™ *The Power to Move With You*

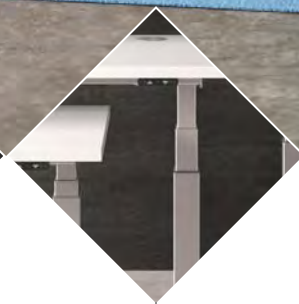

Sit-to-stand working is easy when your worksurface has the power to move with you. The human body wasn't meant to sit for hours on end; and as your body's needs change throughout the day, Coordinate changes with you—rising from 23 5/8" to 49 1/4" or anywhere in between. Plus, it's backed by the HON Full Lifetime Warranty, which means this healthier, hard-working table is built to last.

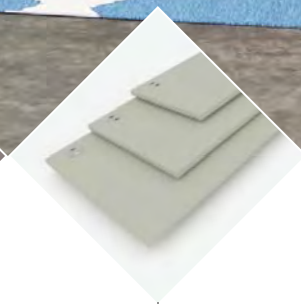

Coordinate™, 10500 Series™, Endorse® and Flock® inspired by Tranquility palette, page 268

Two controller options available—a standard controller that moves nearly 26" to any desired height and a memory controller with four pre-set levels.

The telescoping base can accommodate Voi®, Systems or 10500 Series worksurfaces from 48"-78" wide, and from 24"-30" deep—so they work however and wherever you choose.

Frame spans 23 5/8" to 49 1/4", accommodating all types of seating—from task chairs to stools.
