Quality Vehicle Replacement Parts suitable for

LAND ROVER

SureBrake adheres to EMARK, ISO/TS 16949,
ISO 14001 quality and safety standards.

For sure-footed braking, fit SureBrake.

When it comes to braking performance, SureBrake components are engineered and manufactured for maximum strength. SureBrake Pads utilize an asbestos-free friction material to provide quieter and more stable braking, even under high temperatures and extreme operating conditions – both wet and dry. With the strength to stand up to heavy usage, SureBrake original quality brake components continuously improves customers' confidence and ensures their safety.

Only available at Goldwagen outlets.
