LIFETIME WARRANTY

As the name implies, this warranty bonds the workmanship and our promise to you. A new Bushnell is here. We guarantee that your product is free from defects in materials and will meet all your performance standards for the lifetime of the product. In the event your product is not working properly we will repair or replace the product at no charge to you.

To make it easier – this full lifetime warranty is fully transferable and requires no receipt, warranty card or product registration. No hassles or extra work. Just our commitment and promise to be there for you.

All products announced on or after April 2017 are covered under the Bushnell Ironclad Warranty. For full coverage details including which products, lifetime and component details, please visit Bushnell.com.

ABOUT BUSHNELL

Bushnell has been the industry leader in high-performance sports optics for more than 65 years. Our guiding principle is to provide the highest quality, most reliable and affordable sports optics products on the market. Whether you set your sights on a big buck, a 2 inch target or a beautiful landscape, Bushnell strives to make sure you never miss a moment.

PREMIUM FEATURES

OPTIMAL LIGHT TRANSMISSION -

Delivering 91% light transmission, PRIME™ riflescopes rely on Ultra Wide Band Coating to enable bright and true colors in every lighting condition.

CLARITY & RESOLUTION -

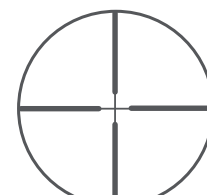

PRIME riflescopes deliver best-in-class resolution and contrast through the use of low dispersion glass, Fully Multi-Coated lenses, and other unique processes known only to Bushnell.

PROTECTED FROM THE ELEMENTS -

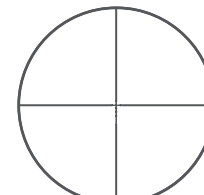

Enhanced to fend off anything Mother Nature can throw at it, the PRIME riflescopes feature our patented EXO Barrier™ lens coating. Molecularly bonded to the glass, EXO Barrier repels water, fog, oil, dust and debris.

10x 42mm
BP1042B

INCLUDED: Premium EVA foam case // Soft field cover

PREMIUM FEATURES

UP TO 2X BRIGHTER IN LOW LIGHT -

The PRIME™ rangefinder features an all-glass optical system and an improved LCD display. This combination provides up to 2X brighter viewing along with improved light transmission to give you more hunt time at dusk and dawn.

PROTECTED FROM THE ELEMENTS -

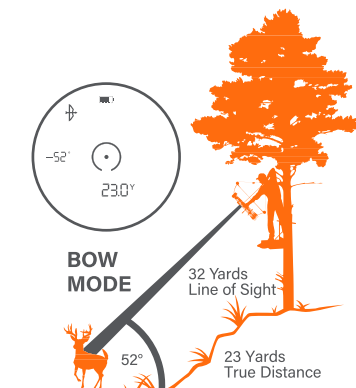

Enhanced to fend off anything Mother Nature can throw at it, the PRIME rangefinders feature our patented EXO Barrier™ lens coating. Molecularly bonded to the glass, EXO Barrier repels water, fog, oil, dust and debris.

ANGLE RANGE COMPENSATION (ARC) -

Extreme up and downhill angles alter true horizontal distance to your target. ARC accounts for the terrain angle when calculating distance, so you know precisely how to shoot the range. No guesswork.

PREMIUM FEATURES

ADVANCED CLARITY & RESOLUTION -
 NITRO™ riflescopes deliver advanced resolution and contrast through the use of low dispersion glass, Fully Multi-Coated lenses, and other unique processes known only to Bushnell.

BEST IN CLASS LIGHT TRANSMISSION -
 Delivering 92% light transmission, NITRO riflescopes rely on Ultra Wide Band Coating to enable bright and true colors in every lighting condition.

SIDE PARALLAX -
 Easily correct parallax error without removing eyes from the target.

VARIETY -
 Multiple configurations include capped or target turrets, first- and second-focal plane models and multiple reticle options to meet every need.

PROTECTED FROM THE ELEMENTS -
 Enhanced to fend off anything Mother Nature can throw at it, the NITRO riflescopes feature our patented EXO Barrier™ lens coating. Molecularly bonded to the glass, EXO Barrier repels water, fog, oil, dust and debris.

PREMIUM FEATURES

LONG-RANGE PERFECTED -

FORGE™ riflescopes come standard with an exposed, locking zero stop turrets, multiple reticles options and a Throw-hammer™ Throw Lever for quick adjustments in the field.

HIGHEST MAGNIFICATION RANGES -

With magnification ranges from 2.5-15x50 to 4.5-27x50, FORGE riflescopes make even the most extreme distances look close. Coupled with an easy adjustment side parallax no target is out of sight.

UNPARALLELED CLARITY & RESOLUTION -

FORGE riflescopes deliver the best resolution and contrast possible through the use of low dispersion glass, Fully Multi-Coated lenses, and other unique processes known only to Bushnell.

HIGHEST LIGHT TRANSMISSION -

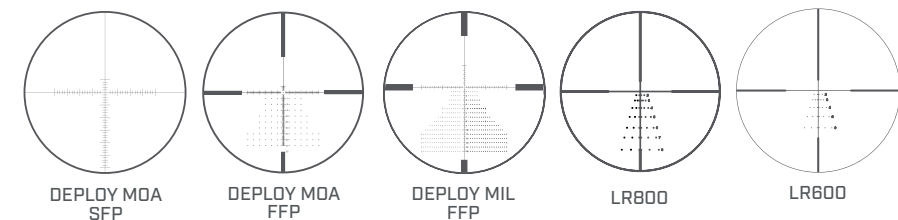

Delivering 94% light transmission, FORGE riflescopes rely on Ultra Wide Band Coating to enable bright and true color in every lighting condition.

PROTECTED FROM THE ELEMENTS -

Enhanced to fend off anything Mother Nature can throw at it, the FORGE riflescopes feature our patented EXO Barrier™ lens coating. Molecularly bonded to the glass, EXO Barrier repels water, fog, oil, dust and debris.

**LASER BORESIGHTER
740100C**

Its bright, battery-powered laser makes rapid, ultra-precise work of boresighting. Created to meet the demands of serious shooters. It includes arbors for .22 through .50 caliber firearms. 3 LR44 batteries included.

**MAGNETIC BORESIGHTER
740001C**

Works on all calibers and firearms. Revolutionary design eliminates the need for arbors. Magnetically attaches to the muzzle to facilitate a quick sight-in. Etched glass reticle.

**PROFESSIONAL BORESIGHTER
WITH CASE
743333**

A compact kit with three expandable arbors that cover all calibers from .22 to .45. Includes a fixed .17 caliber arbor.

**ADVANCED TITANIUM TRIPOD
784040**

Three-position leg angle adjustment, three-way pan head, two pan and tilt handles and a gearless reversible center column. Bushnell® quality with moderate carrying weight, this is the ultimate stand-up tripod.

Max height: 63"
Weight capacity = 4kg (8.8lbs)

**ADVANCED TRIPOD
784030**

This is a full-featured stand-up tripod for viewing from a platform, roadside or deck where portability is not essential.

Max height: 60"
Weight Capacity: 4kg (8.8lbs)

**LARGE CAR WINDOW MOUNT
784405**

The traveling hunter and birder's secret. You'll see these mounts holding spotting scopes on car windows from Yellow Stone National Park to the Everglades.

**TRIPOD ADAPTOR
BAHQADPT**

Ensure rock solid all day viewing with machined, billet aluminum frame and shake proof hinge design. Quick release attachment allows for fast, durable and secure viewing in any environment.

**BINOCULAR HARNESS
WITH QUICK DETACH
BASFHARN**

It'll be easy to forget you're carrying binoculars with this lightweight, vented and comfortable harness. Multiple strap adjustments allow for optimal comfort, placement and hands free operation until you need the binoculars. Remove and securely attach binoculars quickly and effortlessly from harness with the quick detach clips.

ACCURACY IN THE PALM OF YOUR HAND NEW BUSHNELL® BALLISTIC CALCULATOR

Bushnell

NEW BUSHNELL BALLISTIC CALCULATOR

- Optimized for Bushnell riflescopes and feature precise Bushnell reticles.
- Uses the AB Ballistics Engine.
- Custom Firearm and Ammo Profiles.
- Bullet Library.
- Interactive HUD Output.
- Does not require cell service to function (works off grid).
- Out-of-the-box support for recent Bushnell rifle scope families.

AVAILABLE NOW

AND ON BUSHNELL.COM
