ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

The Prince William County Office of Housing and Community Development (OHCD) will continue to improve its operation of the Housing Choice Voucher program during fiscal FY2009. OHCD's goal during FY2009 is to become a High Performer. OHCD intends to accomplish this goal by completing the current Corrective Action Plan by the end of FY2008, continuing to increase its SEMAP score and strengthening program operations; thereby removing the Troubled PHA status from OHCD. OHCD's Section 8 Administrative Plan has also been revised to capture waiting list selection policy changes and federal regulation changes such as the new Student Rule and Violence Against Women Act (VAWA).

OHCD now has a new Housing Board that will provide oversight and set policy for the Housing Choice Voucher program on behalf of the Prince William County Board of County Supervisors. This provides additional leadership and experience to ensure OHCD's programs and services are administered in accordance with local, state and federal guidelines.

Homeownership Capacity Statement

On January 2005, Prince William Office of Housing and Community Development began the Housing Choice Voucher (HCV) Homeownership option on a pilot basis that will ultimately assist a maximum of 15 families. The program currently has 4 participants.

The homeownership option was initially offered only to those families participating in the Welfare to Work program or the Family Self-Sufficiency program. However, this option had been extended to those families who meet the program's eligibility requirements from the general Housing Choice Voucher population.

Currently, the program guidelines administered by OHCD require that the family present sufficient funds for down payment and closing costs (an average of 3-6%); and that the financing for purchase of a home under the homeownership voucher option be provided, insured or guaranteed by the state or Federal government. Where not possible to meet that criteria, the loan must conform with generally accepted private sector underwriting standards. Subprime lending underwriting standards are considered unacceptable as they often allow excessive debt to income ratios that put the participant at a disproportionate risk for default. Homeownership education is a key component.

At the current time, OHCD is currently restructuring the program and it remains a future goal of the agency. OHCD's goal is to continue to complete the Corrective Action Plan towards the eradication of the troubled agency status first before undertaking a full scale development of the HCV Homeownership Program.

Attachment E – Resident Advisory Board Comments

Prince William County’s Resident Advisory (RA) Board thoroughly examined the plan with the purpose of suggesting any modifications to the plan. The following areas were raised as concerns of the RA Board. After each concern, the PHA response follows:

FY 2009 Annual Plan, Section C – Strategy for Addressing Needs – Page 8

Need: Specific Family Types: Families at or below 30% of AMI

Strategy 1: Target available assistance to families at or below 30% of AMI

RA Board suggests also choosing “Adopt rent policies to support and encourage work.”

PHA Response: HUD will be reviewing possible changes to rent policies as the result of a future possible passing of the Section Eight Voucher Reform Act (SEVRA) legislation currently under review in the Senate. The changes proposed within that legislation may address the concerns of the RA Board with regard to rent policies and the encouragement to seek, and maintain, employment. Any additional changes in our current policy before these changes are announced may have to undergo an additional modification.

FY 2009 Annual Plan, Statement of Financial Resources – Page 12:

RA Board questioned the availability of additional funds and/or grants.

PHA Response: OHCD will apply for the Family Self-Sufficiency grant once the Notification for Funding Availability (NOFA) is released. At this time, other applications for additional funding would not be feasible until there is a change in the PHA’s status.

FY 2009 Annual Plan, Eligibility – Page 17:

With regard to criminal checks, the RA Board questioned why there aren’t statewide criminal checks performed, instead of just the current county level check.

PHA Response: Currently county-wide criminal checks do not incur OHCD a per-use cost. Statewide checks; and more detailed NCIS checks would be cost prohibitive – and would have to be done for every adult called from the waiting list, or who is added to the household of existing participants and is at least 18 years of age. Due to a concerted effort to contain administrative costs, that possibility will have to be considered at a later time.

Attachment E – Resident Advisory Board Comments, continued

FY 2009 Annual Plan, Admissions Preferences – Page 19:

With regard to admissions preferences, the RA Board suggested [establishing] preferences based on work status (employment) and disabilities.

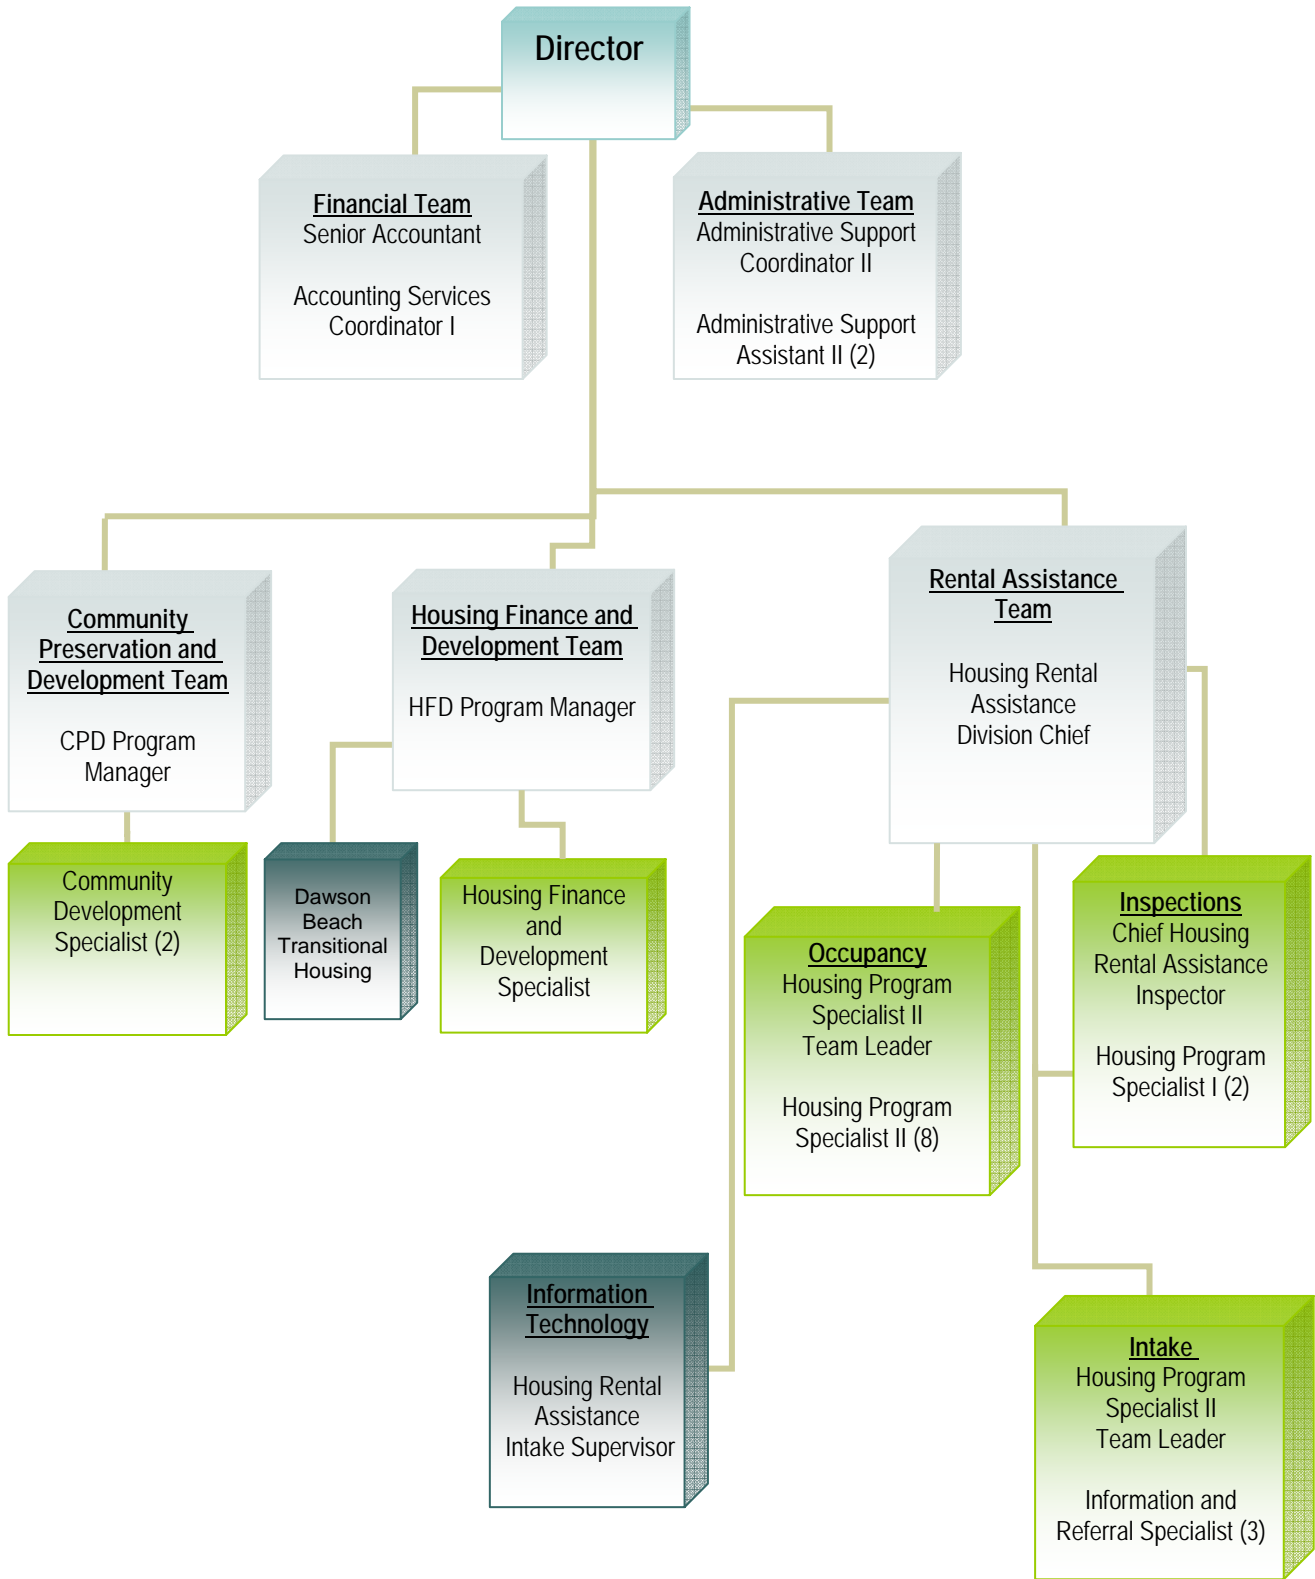

PHA Response: Prince William County OHCD implemented admissions preferences in 2002 as the result of becoming an independent public housing agency. Applicants with disabilities – who also live and/or work in Prince William County – have First Preference. Future consideration will be given to addressing special needs populations as the Housing Board deems necessary. Those who work and/or live in Prince William County have Second Preference. There are a total of four (4) preference levels.

FY 2009 Annual Plan, Homeownership Programs Administered by the PHA – page 33:

The RA Board suggested that number be at least increased to 26-50 participants – and questioned if the smaller number is due to funding and/or staffing.

PHA Response: At the current time, OHCD is currently restructuring the program and it remains a future goal of the agency. OHCD's goal is to continue to work diligently towards the completion of the Corrective Action Plan and eradication of troubled agency status first before undertaking a full scale development of the HCV Homeownership Program. Its future development is one of the agency's priorities once that has been accomplished.

Attachment F – PHA Management Organizational Chart

Attachment G – Statement on VAWA

Currently Prince William County OHCD is in the process of reviewing its Administrative Plan to incorporate the provisions of the Violence Against Women and Department of Justice Reauthorization Act of 2005 (VAWA). The Act has been reviewed and OHCD is prepared to apply the statues of the law with regards to occupancy issues and termination proceedings. Currently, applicants on the waiting list identified as domestic violence victims receive a Preference 1 rating if they also live and/or work in Prince William County under current Preference Standards. Sensitivity to issues of domestic violence is also employed as one of the factors in the determination of remaining voucher issuance in instances of split households once assisted by the Housing Choice Voucher program.
